FreddieNotes are obligations of Freddie Mac only. FreddieNotes, including any interest or return of discount on FreddieNotes, are not guaranteed by and are not debts or obligations of the United States or any agency or instrumentality of the United States other than Freddie Mac.

Any discussion of tax issues set forth in this Pricing Supplement and the related Offering Circular was written to support the promotion and marketing of the transactions described in this Pricing Supplement. Such discussion was not intended or written to be used, and it cannot be used, by any person for the purpose of avoiding any tax penalties that may be imposed on such person. Each investor should seek advice based on its particular circumstances from an independent tax advisor.

You should read this Pricing Supplement together with Freddie Mac's Global Debt Facility Offering Circular, dated April 3, 2009 (the "Offering Circular"), and all documents that are incorporated by reference in the Offering Circular, which contain important detailed information about the Medium-Term Notes and Freddie Mac. See "Additional Information" in the Offering Circular. Capitalized terms used in this Pricing Supplement have the meanings we gave them in the Offering Circular, unless we specify otherwise.

Original Issue Discount Note: No Total Amount of OID: N/A

1. The interest rates on the FreddieNotes may be changed by Freddie Mac from time to time, but any such change will not affect the interest rate on any FreddieNotes offered prior to the effective date of the change.
2. Expressed as a percentage of aggregate principal amount.
3. See "Supplemental Plan of Distribution" in the Offering Circular Supplement and "Distribution Arrangements" in the Offering Circular for additional information concerning price to public and underwriting compensation.
4. Before deducting expenses payable by Freddie Mac estimated at $1,000.
