Freddie Mac Prices \$2.3 Billion Securitization of Re-Performing Loans
Eighth Seasoned Credit Risk Transfer Trust Transaction Brings Total to Date to \$14 Billion

McLean, Va. - Freddie Mac (OTCQB: FMCC) today announced that it priced its third and largest Seasoned Credit Risk Transfer Trust (SCRT) offering of 2018 - a rated securitization of approximately \$2.3 billion of both guaranteed senior and unguaranteed subordinate securities. The SCRT securitization program is a key part of [Freddie Mac's seasoned loan offerings](#) to reduce less liquid assets in its mortgage-related investments portfolio and shed credit and market risk via economically reasonable transactions.

Freddie Mac SCRT, Series 2018-3 is expected to issue approximately \$2.14 billion in guaranteed senior certificates and approximately \$180 million in unguaranteed mezzanine and subordinate certificates. The issuance is expected to settle on August 15, 2018. The collateral backing the certificates are 11,716 fixed- and step-rate modified seasoned re-performing loans ("RPLs"). These loans were modified to assist borrowers who were at risk of foreclosure and designed to help them keep their homes. These loans will have been performing for at least 12 months as of the issuance of the certificates.

The loans are serviced by Select Portfolio Servicing, Inc. The servicing of the loans will be in accordance with [requirements](#) that prioritize borrower retention options in the event of a default and promote neighborhood stability.

J.P Morgan Securities, LLC and Citigroup Global Markets Inc. are co-lead managers and joint bookrunners. Credit Suisse Securities LLC, Wells Fargo Securities, LLC and The Williams Capital Group, L.P. are the deal co-managers.

To date, Freddie Mac has sold \$7 billion of non-performing loans and transacted \$43 billion of RPLs consisting of (i) \$27 billion via fully guaranteed PCs, (ii) \$14 billion via SCRT senior/sub securitizations, and (iii) \$2 billion via Seasoned Loan Structured Transaction (“SLST”) offerings. Additional information about the company's seasoned loan offerings is at
