Original Loan Size Disclosure Changes on Bloomberg June 12, 2006

Effective immediately, Bloomberg has updated the location of its disclosure of Weighted Average Original Loan Size (WAOLS) for Freddie Mac mortgage Participation Certificate (PC) securities. The disclosure will be available on the “DES” page for each of Freddie Mac’s securities. The WAOLS disclosure replaces the Simple Average Original Loan Size (OLS) previously disclosed on the “DES” page.

The Simple Average OLS and Weighted Average Original Loan Size are still available on Bloomberg on the “CLC” page for each Freddie Mac security.
