

Freddie Mac Announces Reporting Error by One Servicer Affecting November 2019 Factors

November 6, 2019

Freddie Mac is announcing that a reporting error by one Servicer resulted in a population of single-family mortgage loans being processed by Freddie Mac as paid off. Those loan pay-offs were reflected in the November 2019 factors. Seven Mortgage Participation Certificate (PC) pools were impacted by 5% of unpaid principal balance (UPB) or more and are listed in the table below.
