(c) *Tax Administration Matters.* With respect to a Series including MACR Certificates, this Agreement and the related Terms Supplement shall be construed in a manner consistent with the status of the arrangement pursuant to which the MACR Classes are created, sold and administered as a grantor trust for federal income tax purposes.

The Administrator (or its agent) shall furnish, at such times as required by applicable law, to each Holder of a MACR Class such information as the Administrator deems necessary or desirable to enable Holders and beneficial owners of MACR Classes to prepare their United States federal income tax returns, if applicable.

Section 2.07. Guaranteed Maturity Classes.

(a) *General.* Certain Series shall provide for the issuance of one or more Guaranteed Maturity Classes. Each Guaranteed Maturity Class represents an interest in a Guaranteed Maturity REMIC Pool that directly or indirectly (through a separate Guaranteed Maturity REMIC Pool) holds one or more Underlying REMIC Classes of the related Series. Each applicable Terms Supplement shall identify the related Guaranteed Maturity and Underlying REMIC Classes.

(b) *Redemption Procedures.* On its Final Payment Date, the Holders of any outstanding Guaranteed Maturity Class (and any related MACR Classes) shall receive payments as provided under *Description of Certificates — Payments — Final Payment Dates — Guaranteed Maturity Classes* in the Offering Circular.

Unless the related Underlying REMIC Class retires on or before the Final Payment Date for a Guaranteed Maturity Class or Classes, then on a date after the date in the month of such Final Payment Date on which the Class Factor for the Underlying REMIC Class is available and on or before the Business Day prior to the applicable Final Payment Date for each related Guaranteed Maturity Class, the Administrator shall liquidate the related Underlying REMIC Class pursuant to the provisions of subsection (c) of this Section 2.07. Pursuant to such liquidation, the Administrator shall make payments to the Holders of each applicable Guaranteed Maturity Class (and any related MACR Classes) as provided under *Description of Certificates — Payments — Final Payment Dates — Guaranteed Maturity Classes* in the Offering Circular and in the related Terms Supplement. If there are excess proceeds after such liquidation and payments to the Holders of each such Guaranteed Maturity Class (and any related MACR Classes), such excess proceeds shall be distributed to the Residual Class for the Guaranteed Maturity REMIC Pool that held the related Underlying REMIC Class.

The liquidation of a Guaranteed Maturity REMIC Pool pursuant to the auction of the Assets of such Pool under subsection (c) of this Section 2.07 is intended to constitute a “qualified liquidation” of the Guaranteed Maturity REMIC Pool within the meaning of Section 860F(a)(4) of the Code. Moreover, the distribution of the proceeds of the liquidation to the Holders of each related Regular Class or Residual Class, including any amounts paid pursuant to the Guarantor’s guarantee, is also intended to be effected as part of a qualified liquidation.

(c) *Auction of Assets.* With respect to any Guaranteed Maturity REMIC Pool, the Administrator shall conduct an auction on a date within the period specified in subsection (b) of this Section 2.07 of the Underlying REMIC Class in such Guaranteed Maturity REMIC Pool. The Administrator shall solicit bids from at least three of the top ten listed CMO Agency Dealers for the Current Year, as published on Bloomberg L.P., page “ICMO” as of the date of the auction (or, if such information is no longer published on such page, from at least three secondary mortgage market dealers selected by the Administrator in a comparable manner using such source of information as the Administrator deems appropriate); *provided, however*, that any Transferor that holds a Residual Interest in such Guaranteed Maturity REMIC Pool shall not be permitted to bid in the auction. Unless prohibited from bidding in the auction under the immediately preceding sentence, the Depositor may participate in the bidding process but shall not bid higher than the fair market value of any Underlying REMIC Class. The Administrator shall sell the Underlying REMIC Class to the highest bidder and shall deliver the Underlying REMIC Class to its purchaser in the purchaser’s name on or before the Business Day prior to the Final Payment Date for each related Guaranteed Maturity Class.

Section 2.08. Other Securities Issued. Freddie Mac may from time to time create and issue securities under this Agreement other than REMIC Certificates and MACR Certificates. Such securities shall be governed by the applicable Terms Supplement and, to the extent that the terms of this Agreement are not inconsistent with Freddie Mac’s intent in creating and issuing such securities, by the terms of this Agreement.

Section 2.09. Intended Characterization. It is intended that the conveyance, transfer, assignment and setting over of the Assets by the Depositor to the Trustee pursuant to this Agreement and the conveyance by the Depositor of the related Certificates to Holders, be a true, absolute and unconditional sale of the related Assets by the Depositor to the Trustee, and not a pledge of the Assets to secure a debt or other obligation of the Depositor, and that the Holders of the related Certificates shall be the beneficial owners of such Assets. Notwithstanding this express intention, however, if the Assets are determined by a court of competent jurisdiction or other competent authority to be the property of the Depositor, then it is intended that: (a) this Agreement be deemed to be a security agreement within the meaning of Articles 8 and 9 of the Uniform Commercial Code; (b) the conveyances provided for in Section 2.01 shall be deemed to be (1) a grant by the Depositor to the Trustee on behalf of the related Holders of a security interest in all of the Depositor’s right (including the power to convey title thereto), title and interest, whether now owned or hereafter acquired, in and to the related Assets, any and all general intangibles consisting of, arising from or relating to any of the foregoing, and all proceeds of the conversion, voluntary or involuntary, of the foregoing into cash, instruments, securities or other property, including without limitation all amounts from time to time held or invested in the Custodial Account and allocable to such Assets, whether in the form of cash, instruments, securities or other property and (2) an assignment by the Depositor to the Trustee on

behalf of the related Holders of any security interest in any and all of the Depositor's right (including the power to convey title thereto), title and interest, whether now owned or hereafter acquired, in and to the property described in the foregoing clause (1); and (c) notifications to Persons holding such property, and acknowledgments, receipts or confirmations from Persons holding such property, shall be deemed notifications to, or acknowledgments, receipts or confirmations from, financial intermediaries, bailees or agents (as applicable) of the Administrator, for the benefit of the related Holders, for the purpose of perfecting such security interest under applicable law.

Section 2.10. Encumbrances. Except as may otherwise be provided expressly in this Agreement, neither Freddie Mac nor the Trustee, shall directly or indirectly, assign, sell, dispose of or transfer all or any portion of or interest in any Trust Fund, or permit all or any portion of any Trust Fund to be subject to any lien, claim, mortgage, security interest, pledge or other encumbrance of any other Person. This Section shall not be construed as a limitation of Freddie Mac's rights with respect to Certificates held by it in its corporate capacity.

ARTICLE III

Administration of the Trust Fund

Section 3.01. Appointment of Administrator. Freddie Mac shall act as Administrator with respect to each Trust Fund and shall hold and administer, or supervise the administration of, such Trust Fund for the benefit of the related Holders and shall have full power and authority to do or cause to be done any and all things in connection therewith that it deems necessary or desirable, including, but not limited to, the right to substitute Assets for the Assets originally placed into each REMIC Pool on the Startup Day, provided that any such substitution is effected in accordance with applicable laws and regulations in effect at the time of such substitution and the Administrator receives an opinion of counsel to the effect that such substitution shall not cause such REMIC Pool to fail to be classified as a REMIC for federal income tax purposes. The Administrator shall act as the representative of Holders in the control, management and administration of the Assets in each REMIC Pool and of any REMIC Certificates held in each MACR Pool.

Section 3.02. Administrative Responsibilities. With respect to each Trust Fund, the Administrator shall hold and administer, or supervise the administration of, the REMIC Pools and MACR Pools in a manner consistent with and to the extent required by standards of prudence and in substantially the same manner as the Administrator holds and administers assets of the same or similar type held for its own account. In performing its responsibilities hereunder, the Administrator may employ independent contractors or agents. Except as provided in Articles VI, VII and VIII and Sections 9.05 and 9.06 of this Agreement, the Administrator shall not be subject to the control of Holders in any manner whatsoever in the discharge of its responsibilities pursuant to this Agreement. Except with regard to its indemnities under Sections 2.05 and 9.01, the Administrator shall have no liability to any Holder other than for any direct damage resulting from the Administrator's failure to exercise that degree of ordinary care which it exercises in the conduct and management of its own affairs. In no event shall the Administrator have any liability of any nature for consequential damages. Nothing in this Section shall relieve Freddie Mac, in its capacity as Guarantor, of its guarantee obligation pursuant to Section 4.06.

ARTICLE IV

Distributions to Holders; Guarantees

Section 4.01. Payments of Principal and Interest.

Payments. Payments on REMIC Certificates of any Series on any Payment Date shall be made from the principal and interest payments made on the related Assets and any cash or other eligible assets in the related REMIC Pool, from any payment made by the Guarantor pursuant to its guarantees in accordance with Section 4.06, and, if so provided in the related Terms Supplement, from any reinvestment by the Administrator of such principal and interest payments, during the applicable Deposit Period. On each Payment Date, the Administrator shall make such payments on (and in the case of any Accrual Class or Partial Accrual Class, such additions to the principal amount of) the REMIC Certificates issued in respect of any REMIC Pool as shall be provided in the related Terms Supplement. The Holders of REMIC Certificates of any Class entitled to receive payments on any Payment Date shall receive such payments on a pro rata basis among the REMIC Certificates of such Class.

The Administrator shall maintain one or more accounts (together, the “Custodial Account”), segregated from the general funds of Freddie Mac in its corporate capacity, for the deposit of collections on the Assets. Collections in respect of the Trust Funds established by Freddie Mac under this Agreement or trust funds established by Freddie Mac pursuant to any other trust agreements may be commingled in the Custodial Account, provided that the Administrator keeps, or causes to be kept, separate records of funds with respect to each such Trust Fund or other trust fund. Collections due to Freddie Mac, in its corporate capacity as owner of assets held in its portfolio, may also be commingled in the Custodial Account, provided that the Administrator may withdraw such amounts for remittance to Freddie Mac from time to time. Funds on deposit in the Custodial Account may be invested by the Administrator in Eligible Investments. Investment earnings on deposits in the Custodial Account shall be for the benefit of the Administrator, and any losses on such investments shall be paid by the Administrator. On each Payment Date, amounts on deposit in the Custodial Account shall be withdrawn upon the order of the Administrator for the purpose of making distributions to the related Holders, in accordance with this Agreement.

Unless otherwise provided in the related Terms Supplement, principal payments on REMIC Certificates shall be made on each Payment Date in an aggregate amount equal to the sum of (i) the amount of interest, if any, accrued on any related Accrual Classes or Partial Accrual Classes in respect of the related Accrual Period and not then payable as interest; and (ii) an amount equal to the applicable Asset Principal Amount for such Payment Date. All payments of principal on the REMIC Certificates issued in respect of a particular REMIC Pool shall be made as provided in the related Terms Supplement. All payments made on any REMIC Certificate on any Payment Date shall be applied first to any interest payable thereon on such Payment Date, then to any accrued interest that has been added to the principal thereof and then to the original principal thereof, unless otherwise specified in the related Terms Supplement.

Principal and interest payments shall be made on MACR Classes from principal and interest payments made on the related Class or Classes of REMIC Certificates. On any Payment Date when payments of principal are to be allocated from REMIC Certificates to MACR Certificates, such payments (or the net reduction in principal) shall be allocated from the applicable Class or Classes of REMIC Certificates to the related MACR Class or, if there are two or more related MACR Classes entitled to principal payments, to such Classes, *pari passu*, as their interests may appear.

Any payments or accruals of interest made on a Payment Date on the REMIC Certificates issued in respect of a particular REMIC Pool and any related MACR Classes shall be at the Class Coupons provided in or otherwise described in the related Terms Supplement and in respect of the related Accrual Period. Unless otherwise provided in the related Terms Supplement, the amount of interest accrued on a Certificate of each Class during an Accrual Period and to be paid thereon (or, to the extent applicable in the case of an Accrual Class or Partial Accrual Class, added to the principal amount thereof) on the related Payment Date shall be 1/12th of the applicable Class Coupon multiplied by the principal amount (or notional principal amount) of such Certificate as determined from the applicable Class Factor published or otherwise determined for the month preceding the month of such Payment Date.

Section 4.02. Determination of Interest Rate Indices.

(a) *General.* Unless otherwise provided in the related Terms Supplement, each Floating Rate or Inverse Floating Rate Class shall bear interest during each Accrual Period at a rate determined by reference to one of the following indices: (i) LIBOR, (ii) a Treasury Index, (iii) the Prime Rate or (iv) SOFR. Absent manifest error, the Administrator's determination of the applicable interest rate index levels and its calculation of the Class Coupons of the Floating Rate and Inverse Floating Rate Classes shall be final and binding.

(b) *Method of Determination.* Unless otherwise provided in the related Terms Supplement, the Administrator shall determine LIBOR, the Treasury Indices, the Prime Rate and SOFR, and calculate the Class Coupons of LIBOR Classes, Treasury Index Classes, Prime Rate Classes and SOFR Classes, in accordance with, and subject to the terms and conditions set forth in, Appendix V to the Offering Circular.

Section 4.03. Payment Procedures; Record Date.

(a) *Procedures.* Payments of principal and interest due to Holders of Classes maintained on the Fed System shall be made by crediting the Holders' accounts at the Federal Reserve Banks on the applicable Payment Dates. Unless otherwise provided in the applicable Terms Supplement, payments of principal and interest due on Classes maintained on the DTC System shall be paid to DTC in immediately available funds. DTC shall be responsible for crediting the amount of such payments to the accounts of the applicable DTC Participants in accordance with its normal procedures. Unless otherwise provided in the related Terms Supplement, a Holder of a Class in certificated form shall elect at the time of becoming a Holder (and may change such election from time to time upon notice to the Registrar) to have payments due on such Class made by (i) check mailed on or before the applicable Payment Date to the address of such Holder as it appears on the register maintained by the Registrar or (ii) electronic transfer of funds not later than the applicable Payment Date to a bank account designated by such Holder; *provided, however*, that (i) the final payment of principal on a Residual Class in certificated form shall be made only upon presentation of the Holder's certificate at the office of the Registrar for notation of such payment and (ii) the final payment on any Class in certificated form shall be made only upon presentation and surrender of the Holder's certificate at the office of the Registrar. In the event of a principal or interest payment error, the Administrator, in its sole discretion, may effect corrections by the adjustment of payments to be made on future Payment Dates or in such other manner as it deems appropriate.

(b) *Record Date.* Unless otherwise provided in the related Terms Supplement, any payment made on a Class on any Payment Date shall be made to the Holders of record of such Class as of the last day

of the preceding calendar month. Any payment made on a Mortgage Security on a Payment Date shall be made to the Holder of record of such Mortgage Security on such Payment Date.

Section 4.04. Class Factors. On or about the fifth business day of each month, or such other day as is provided in the related Terms Supplement, the Administrator shall publish or cause to be published (or otherwise make available) a Class Factor for each Class of Certificates having a principal amount, and for each Interest Only Class having a notional principal amount.

Section 4.05. Administration Fee. As a fee for its administration of any Trust Fund, the Administrator shall be entitled to retain, from payments made on the Assets in such Trust Fund and from any income derived from the investment and reinvestment of such payments, the amount, if any, provided for herein or in the related Terms Supplement. The Depositor shall pay all expenses incurred by the Administrator in connection with its administration of a Trust Fund and the performance of its duties hereunder.

Section 4.06. Freddie Mac Guarantees. With respect to each Series, the Guarantor hereby guarantees to the Trustee and to each Holder of a Certificate (i) the timely payment of interest at the applicable Class Coupon or as otherwise described in the applicable Terms Supplement and (ii) the payment of the principal amount of the Holder's Certificate as provided in the applicable Terms Supplement, including payment in full on or before the applicable Final Payment Date.

Section 4.07. Subrogation. With respect to each Series, the Guarantor shall be subrogated to all the rights, interests, remedies, powers and privileges of the related Holders in respect of any guarantee payments made by the Guarantor to the extent of such payments. Nothing in this Section shall impair the Guarantor's right to receive distributions in its capacity as Holder, if it is a Holder of any Certificates.

Section 4.08. Residual Proceeds. With respect to each REMIC Pool, the Holders of the Residual Class shall be entitled to receive, on a pro rata basis and upon presentation and surrender of their Certificates to the Administrator, the proceeds of the remaining Assets, if any, after all required principal and interest payments on the related Classes have been made. The Guarantor hereby guarantees to such Holders the payment of such proceeds, if any, upon such surrender.

Section 4.09. Termination Upon Final Payment. Each Trust Fund is irrevocable and will terminate only in accordance with the terms of this Agreement. Except as to Sections 2.05, 2.06(c) and 9.01, Freddie Mac's and the Trustee's obligations and responsibilities under this Agreement shall terminate as to a Trust Fund and its Holders upon the payment to such Holders of all amounts of principal and interest due the Holders in respect of their Certificates and all other amounts, if any, due the Holders hereunder; *provided, however*, that in no event shall any Trust Fund created hereby continue beyond the expiration of 21 years from the death of the survivor of the descendants of Joseph P. Kennedy, the late ambassador of the United States to the Court of St. James's, living on the date hereof.

Section 4.10. CPC-Backed Series. In a Series in which the Assets include a Callable Class of CPCs, the Administrator shall not exercise its right to redeem the Classes of REMIC Certificates (or, in a Double-Tier Series, the Lower-Tier Classes) if it has received notice that such Callable Class is to be redeemed. In such a Series, the Administrator shall adopt a plan of complete liquidation for the REMIC Pool (or, in a Double-Tier Series, the related Lower-Tier REMIC Pool) on the date on which notice by the holder of the related Call Class of CPCs of exercise of its right to direct the redemption of the Assets becomes irrevocable. The plan shall meet the requirements of a "qualified liquidation" under

Section 860F(a)(4) of the Code. The plan shall provide for the actions required to be taken to effectuate such liquidation pursuant to this Agreement and the Pass-Through Agreement.

ARTICLE V

**Form of Classes; Minimum Principal Amounts;
Minimum Original Notional Principal Amounts; Transfers; Certificated Classes**

Section 5.01. Form. The Administrator shall issue, maintain and transfer the Certificates in book-entry form or certificated form, as specified in the related Terms Supplement. In the case of Certificates issued in certificated form, the Administrator reserves the right (i) to convert such Certificates to book-entry form and (ii) upon such conversion, to require each Holder thereof, upon notice, to surrender such Holder’s Certificate and have it reissued and evidenced only by a Certificate on either the Fed System or the DTC System pursuant to procedures prescribed and implemented by the Administrator (which may include the withholding of payments otherwise due the Holder, without any liability for interest thereon, until such surrender is made). Certificates maintained on the Fed System shall at all times remain on deposit with a Federal Reserve Bank in accordance with the provisions of the Book-Entry Rules. Certificates maintained on the DTC System shall at all times remain on deposit with DTC in accordance with its rules and procedures, as amended from time to time. In the case of a Class issued on the Fed System or DTC System, the Administrator may, upon request of the Holders of the entire outstanding principal amount (or notional principal amount) of such Class, convert such Class to certificated form. Certificates in certificated form shall be evidenced by certificates in such form as the Administrator shall prescribe, registered in the names of the Holders thereof.

Section 5.02. Minimum Original Principal Amounts; Minimum Original Notional Principal Amounts and Transfers. Unless otherwise provided in the related Terms Supplement, the Administrator shall issue, maintain and transfer Regular Classes and MACR Classes on the Fed System in minimum original principal amounts (or minimum original notional principal amounts) shown in the following table and additional increments of \$1. If a Regular Class is of more than one type, its minimum is the greater of the applicable minimum amounts shown.

Notwithstanding the foregoing, Mortgage Securities shall be initially issued and held by the Administrator in non-certificated form on the books and records of the Administrator. If at any time Mortgage Securities are held in non-certificated form, upon the written request of the Holders of at

least 50% of the then outstanding principal amount of the related Upper-Tier Classes, the Administrator shall issue certificates in definitive form representing such Mortgage Securities. Upon receipt by the Administrator of a written request by the Holder of an interest in a Lower-Tier Regular Class held in non-certificated form to have such interest represented in certificated form, the Administrator shall issue a Certificate in certificated form representing such interest. A Certificate maintained on the Fed System or DTC System shall not be transferred if, as a result of the transfer, the transferor or the transferee would have on deposit in its account Certificates of the same Class having an original principal amount (or an original notional principal amount) of less than the applicable minimum amount. Transfers of Regular Classes and MACR Classes maintained on the Fed System shall also be subject to any applicable Federal Reserve Bank minimum wire transfer requirements. The Federal Reserve Banks shall maintain a book-entry recordkeeping system for all transactions in Certificates on the Fed System. The issuance and recordation of, and transfers of interests (including security interests) in, Certificates maintained on the Fed System shall be governed by the Book-Entry Rules and such procedures as shall be agreed upon from time to time by Freddie Mac and the Federal Reserve Banks. A Federal Reserve Bank will act only upon the instructions of a Fed Participant in recording transfers of a Certificate on the Fed System. DTC shall maintain a book-entry recordkeeping system for all transactions in Certificates maintained on the DTC System. The transfer, exchange or pledge of Certificates maintained on the DTC System shall be governed by DTC's rules and procedures, as amended from time to time. DTC will act only upon the instructions of a DTC Participant in recording transfers of a Certificate maintained on the DTC System. A Class maintained on the DTC System will be represented by one or more Certificates held by or on behalf of DTC and beneficial owners of such Classes will not receive Certificates. A Certificate in certificated form may be transferred as provided in Section 5.03. A charge may be made for any transfer or exchange of any Certificate. A charge will be made for any tax or other governmental charge imposed in connection with a transfer or exchange of a Certificate. Unless otherwise provided in the related Terms Supplement, Residual Classes shall not be issued in book-entry form but shall be issued only in fully registered, certificated form in minimum original principal amounts (or minimum original notional principal amounts) of \$1,000 and additional increments of \$1 or, in the case of a Residual Class without an Original Principal Amount, in minimum percentages of the Residual Interest of 1%.

Section 5.03. Certificated Classes.

(a) *Form and Transfers.* The Administrator shall maintain at its expense an office or agency where Certificates in certificated form may be surrendered for registration of transfer or exchange, the initial such office or agency being that of the Registrar, unless otherwise provided in the related Terms Supplement. Upon surrender for registration of transfer of any Certificate in certificated form at any office or agency of the Administrator maintained for such purpose, the Administrator shall execute and deliver, in the name of the designated transferee or transferees, one or more new Certificates evidencing a like principal or notional principal amount (or, if applicable, a like percentage of the Residual Interest). At the option of a Holder of a certificated Certificate, such Holder's Certificate may be exchanged for other Certificates of the same Class of authorized denominations, upon surrender at such office or agency of the Certificate to be exchanged. Whenever any Certificate is so surrendered for exchange, the Administrator shall execute and deliver the Certificate which the Holder making the exchange is entitled to receive. Every Certificate so presented or surrendered for registration of transfer or exchange shall be duly endorsed by, or be accompanied by a written instrument of transfer in form satisfactory to the Administrator duly executed by, the Holder thereof or its attorney-in-fact duly authorized in writing. Notwithstanding any other provision of this Agreement, Residual Classes shall

be sold and maintained only in certificated form, and the Administrator may impose, in the related Terms Supplement, on the face or reverse of any Certificate or elsewhere, such limitations on and conditions to the transfer or exchange of Residual Classes as it deems appropriate in order to conform to applicable law or for any other reason.

(b) *Mutilated, Destroyed, Lost or Stolen Certificates.* If (i) any mutilated certificated Certificate is surrendered to the Administrator or (ii) the Administrator receives evidence to its satisfaction of the destruction, loss or theft of any certificated Certificate, and there is delivered to the Administrator such security or indemnity as may be required by it to save it harmless, then, in the absence of notice to the Administrator that such Certificate has been acquired by a bona fide purchaser, the Administrator shall execute and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Certificate, a new certificated Certificate of like tenor and representing a like principal or notional principal amount (or, if applicable, a like percentage of the Residual Interest). Upon the issuance of any new certificated Certificate, the Administrator may make a charge for such issuance and will make a charge for any tax or other governmental charge imposed in connection therewith. Any duplicate Certificate so issued shall constitute complete and indefeasible evidence of ownership of that portion of the Regular Interest or Residual Interest of the related REMIC Pool, or that portion of the related MACR Pool, represented thereby, whether or not the lost, stolen or destroyed Certificate shall be found at any time.

ARTICLE VI

Events of Default and Remedies

Section 6.01. Events of Default. With respect to each Series, an “Event of Default” wherever used herein means any one of the following events:

(a) Default by the Guarantor or the Administrator in the payment to the related Holders of any Class of Certificates of interest or principal as and when the same shall become due and payable as provided in this Agreement, and continuance of such default for a period of 30 days; or

(b) Failure by the Guarantor or the Administrator to observe or perform any other of their respective covenants set forth in this Agreement continued for a period of 60 days after the date of receipt by such party of written notice of such failure and a demand for remedy by the Holders of REMIC Certificates or MACR Certificates representing not less than 60 percent of the then outstanding principal amount of any affected Class of REMIC Certificates or MACR Class; or

(c) A court having jurisdiction in the premises shall enter a decree or order for relief in respect of the Guarantor or the Administrator in an involuntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or appoint a receiver, liquidator, assignee, custodian, sequestrator (or other similar official) of the Guarantor or the Administrator or for all or substantially all of its property, or order the winding up or liquidation of its affairs, and such decree or order shall remain unstayed and in effect for a period of 60 consecutive days; or

(d) Commencement by the Guarantor or the Administrator of a voluntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or consent by the Guarantor or the Administrator to the entry of an order for relief in an involuntary case under any such law, or consent by the Guarantor or the Administrator to the appointment of or taking of possession by a receiver, liquidator, assignee, trustee, custodian or sequestrator (or other similar

official) of the Guarantor or the Administrator or for any substantial part of their respective properties, or shall make any general assignment for the benefit of creditors, or the Guarantor or the Administrator shall fail generally to pay their debts as they become due.

The appointment of a conservator (or other similar official) by a regulator having jurisdiction over the Guarantor or the Administrator, whether or not such party consents to such appointment, shall not constitute an Event of Default.

Section 6.02. Remedies. If an Event of Default occurs and is continuing with respect to a Series, then and in each and every such case, the Holders of Certificates representing not less than 50 percent of the then outstanding principal amount of any affected Class of Certificates may by written notice to the Administrator remove Freddie Mac as Administrator and nominate a successor to Freddie Mac as Administrator under this Agreement with respect to the related Trust Fund, which nominee shall be deemed appointed as successor Administrator unless within ten days after such nomination Freddie Mac objects thereto, in which case Freddie Mac may petition any court of competent jurisdiction for the appointment of a successor Administrator or any Holder of a Certificate of any affected Class who has been a bona fide Holder for at least six months may, on behalf of such Holder and all others similarly situated, petition any such court for appointment of a successor Administrator. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, appoint a successor Administrator. Upon the appointment of any successor Administrator pursuant to this Section 6.02, the Administrator shall submit to its successor a complete written report and accounting as to the applicable Trust Fund and shall take all other steps necessary or desirable to transfer its interest in and administration of this Agreement with respect to such Trust Fund to the successor. Subject to the Act, such successor may take such actions with respect to such Trust Fund as may be reasonable and appropriate in the circumstances. Prior to any such designation of a successor, the Holders of REMIC Certificates or MACR Certificates representing not less than 50 percent of the then outstanding principal amount of any affected Class may waive any past default or Event of Default with respect to that Class. Appointment of a successor shall not relieve Freddie Mac in its capacity as Guarantor of its guarantee obligation as set forth in this Agreement.

Section 6.03. Limitation on Suits by Holders. With respect to each Series, except as provided in Section 6.02, no Holder shall have any right to institute any action or proceeding at law or in equity or in bankruptcy or otherwise, upon, under or with respect to this Agreement, the REMIC Certificates, the MACR Certificates or the related Assets, or for the appointment of a receiver or trustee, or for any other remedy whatsoever, unless such Holder previously shall have given to the Trustee written notice of an Event of Default and of the continuance thereof, as hereinbefore provided, and unless also the Holders of REMIC Certificates or MACR Certificates representing not less than 50 percent of the then outstanding principal amount of any affected Class shall have made written request upon the Trustee to institute such action or proceeding in its own name and shall have offered to the Trustee such reasonable indemnity as it may request against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee for 60 days after its receipt of such notice, request and offer of indemnity shall have failed to institute any such action or proceeding, and no direction inconsistent with such written request shall have been given to the Trustee during such 60-day period by the Holders of REMIC Certificates or MACR Certificates representing not less than 50 percent of the then outstanding principal amount of any affected Class. It is understood and intended, and expressly covenanted by each Holder of a REMIC Certificate or MACR Certificate in any affected REMIC Pool or MACR Pool with every other Holder in such REMIC Pool or MACR Pool and with the Trustee, that no one or more Holders shall have any right in any manner whatsoever by virtue of or by availing

themselves of any provision of this Agreement to affect, disturb or prejudice the rights of any other Holder, or to obtain or seek to obtain preference or priority over any other Holder except as expressly provided herein or to enforce any right under this Agreement, except in the manner herein provided and for the ratable and common benefit of all Holders in any affected Class. For the protection and enforcement of the provisions of this Section 6.03, each and every Holder, Freddie Mac and the Trustee shall be entitled to such relief as can be given either at law or in equity. Notwithstanding the foregoing or any other provision of this Agreement, the right of any Holder to receive payment of principal or interest as herein provided, on or after the due date of such payment, or to institute suit for enforcement of any such payment on or after such date, shall not be impaired or affected without the consent of such Holder.

ARTICLE VII

Rights of Holders of Certificates With Respect to PCs and CPCs

Section 7.01. Agreement Defaults. In the event that there shall be an Agreement Default with respect to any Asset issued or guaranteed by Freddie Mac and directly or indirectly backing a REMIC Pool (including a Lower-Tier REMIC Pool), the Holders of the affected REMIC Certificates issued in respect of such REMIC Pool (including, for this purpose, the related Upper-Tier REMIC Pool) and any related MACR Certificates shall have the right to take such actions with respect to such Agreement Default as the applicable PC Agreement, Pass-Through Agreement or this Agreement (or any predecessor), as the case may be, affords the Administrator (or its agent) as the record holder of the affected Asset. For this purpose, each Holder of an affected Certificate issued in respect of a Series shall be deemed to be the holder of a percentage of each such affected Asset equal to the percentage obtained by dividing the then outstanding principal amount of such Holder's Certificate (which shall be zero in the case of an Interest Only Class without a principal amount) by the then aggregate outstanding principal amount of all affected REMIC Certificates and MACR Certificates of the same Series. Freddie Mac hereby irrevocably authorizes the Holders to exercise all such rights in respect of an Agreement Default to the extent set forth in this Section.

Section 7.02. Amendments of PC Agreement, Pass-Through Agreement and/or this Agreement. In the event that Freddie Mac desires to amend any PC Agreement, any Pass-Through Agreement or this Agreement (or any predecessor) with respect to any Asset issued or guaranteed by Freddie Mac directly or indirectly backing any REMIC Pool (including a Lower-Tier REMIC Pool), the Administrator (or its agent) may give any such consent thereto as may need to be given by the record holder of such Asset; *provided, however*, that if any such amendment would adversely affect in any material respect the interest of any Holder of a REMIC Certificate (including, for this purpose, a related Upper-Tier Class) or MACR Certificate, the Administrator (or its agent) may consent to such amendment only with the written consent of the Holders of Certificates so affected representing not less than 50 percent of the then outstanding principal amount of each affected Class; provided further, however, that nothing in the immediately preceding proviso shall require, or be construed to require, the consent of Holders of Certificates to any amendment to any PC Agreement or other agreement made in connection with the modification of Freddie Mac's procedures for calculating payments or passing through full or partial prepayments, as contemplated by such PC Agreement or other agreement, as to any PCs (whether issued before, on or after September 1, 1995) directly or indirectly backing any REMIC Pool which is formed on or after September 1, 1995.

ARTICLE VIII

Trustee

Section 8.01. Duties of the Trustee.

(a) If an Event of Default has occurred and is continuing with respect to a Trust Fund, the Trustee shall exercise the rights and powers vested in it by this Agreement and use the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default, the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Agreement and shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Agreement and no implied covenants or obligations shall be read into this Agreement against the Trustee.

(c) The Trustee and its directors, officers, employees and agents may not be protected from liability which would otherwise be imposed by reason of willful misfeasance, bad faith or gross negligence in the performance of their respective duties or by reason of reckless disregard of obligations and duties under this Agreement, except that:

(i) this paragraph does not limit the effect of paragraph (b) of this Section;

(ii) the Trustee shall not be liable for any action taken, or not taken, by the Trustee in good faith pursuant to this Agreement or for errors in judgment; and

(iii) the Trustee shall not be required to take notice or be deemed to have notice or knowledge of any default or Event of Default, unless the Trustee obtains actual knowledge or written notice of such default or Event of Default. In the absence of such actual knowledge or notice, the Trustee may conclusively assume that there is no default or Event of Default.

(d) Every provision of this Agreement shall be subject to the provisions of this Section and Section 8.02.

(e) The Trustee shall not be liable for indebtedness evidenced by or arising under this Agreement, including principal of or interest on the Certificates, or interest on any money received by it except as the Trustee may agree in writing.

(f) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law or the terms of this Agreement.

(g) No provision of this Agreement shall require the Trustee to expend, advance or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers, if it shall have reasonable grounds to believe that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(h) The Trustee, or the Administrator on its behalf, may, but shall not be obligated to, undertake any legal action that it deems necessary or desirable in the interest of Holders. The Trustee, or the Administrator on its behalf, may be reimbursed for the legal expenses and costs of such action from the assets of the related Trust Fund.

Section 8.02. Certain Matters Affecting the Trustee.

(a) The Trustee, and any director, officer, employee or agent of the Trustee may rely in good faith on any certificate, opinion or other document of any kind which, prima facie, is properly executed and

submitted by any appropriate Person respecting any matters arising hereunder. The Trustee may rely on any such documents believed by it to be genuine and to have been signed or presented by the proper Person and on their face conforming to the requirements of this Agreement. The Trustee need not investigate any fact or matter stated in such documents.

(b) Before the Trustee acts or refrains from acting, it may require an officer's certificate or an opinion of counsel, which shall not be at the expense of the Trustee. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on an officer's certificate or opinion of counsel. The right of the Trustee to perform any discretionary act enumerated in this Agreement shall not be construed as a duty and the Trustee shall not be answerable for other than its willful misfeasance, bad faith or gross negligence in the performance of such act.

(c) The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys or a custodian or nominee.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers; provided, that the Trustee's conduct does not constitute willful misfeasance, bad faith or gross negligence. In no event shall the Trustee have any liability for consequential damages.

(e) The Trustee may consult with and rely on the advice of counsel, accountants and other advisors and shall not be liable for errors in judgment or for anything it does or does not do in good faith if it so relies. Any opinion of counsel with respect to legal matters relating to this Agreement and the Certificates shall be full and complete authorization and protection from liability in respect to any action taken, omitted or suffered by it hereunder in good faith and in accordance with any opinion of such counsel.

(f) Any fees, expenses and indemnities payable from the assets of any Trust Fund to Freddie Mac, in its capacity as Trustee, in the performance of its duties and obligations hereunder shall not affect Freddie Mac's guarantee with respect to that Trust Fund, as set forth in Section 4.06.

Section 8.03. Trustee's Disclaimer. The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Agreement, the assets of the Trust Fund or the Certificates.

Section 8.04. Trustee May Own Certificates. Subject to Section 9.06, the Trustee in its individual or any other capacity may become the owner or pledgee of Certificates with the same rights as it would have if it were not the Trustee.

Section 8.05. Indemnity. Each Trust Fund shall indemnify the Trustee and the Trustee's employees, directors, officers and agents, as provided in this Agreement, against any and all claims, losses, liabilities or expenses (including attorneys' fees) incurred by it in connection with the administration of this trust and the performance of its duties under this Agreement (to the extent not previously reimbursed above), including, without limitation, the execution and filing of any federal or state tax returns and information returns. The Trustee shall notify the Administrator promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Administrator shall not relieve the related Trust Fund of its obligations hereunder. A Trust Fund shall not be required to reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee through the Trustee's own willful misfeasance, bad faith or gross negligence.

The Trustee's rights pursuant to this Section shall survive the discharge of this Agreement.

Section 8.06. Replacement of Trustee. The Trustee may resign at any time. Any successor Trustee shall resign if it ceases to be eligible in accordance with the provisions of Section 8.09. In either case, the resignation of the Trustee shall become effective, and the resigning Trustee shall be discharged from its obligations with respect to the Trust Funds created under this Agreement by giving 90 days' written notice of the resignation to the Depositor, the Guarantor and the Administrator and upon the effectiveness of an appointment of a successor Trustee, which may be as of a date prior to the end of the 90-day period. Upon receiving such notice of resignation, the Depositor shall promptly appoint one or more successor Trustees by written instrument, one copy of which is delivered to the resigning Trustee and one copy of which is delivered to the successor Trustee. The successor Trustee need not be the same Person for all Trust Funds. If no successor Trustee has been appointed for a Trust Fund, or one that has been appointed has not accepted the appointment within 90 days after giving such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee.

Prior to an Event of Default, or if an Event of Default has occurred and has been cured with respect to a Trust Fund, Freddie Mac cannot be removed as Trustee with respect to that Trust Fund. If an Event of Default has occurred and is continuing while Freddie Mac is the Trustee, at the direction of Holders of Certificates of any Class of the related Series representing not less than 50 percent of the then outstanding principal amount of such Class (the "acting holders"), Freddie Mac will resign or be removed as Trustee, and to the extent permitted by law, all of the rights and obligations of the Trustee with respect to the related Trust Fund only, will be terminated by notifying the Trustee in writing. The acting holders shall then be authorized to name and appoint one or more successor Trustees. Notwithstanding the termination of the Trustee, its liability under this Agreement and arising prior to such termination shall survive such termination.

If a successor Trustee is serving as the Trustee, the following events are "Trustee Events of Default" with respect to a Trust Fund:

- (i) the Trustee fails to comply with Section 8.09;
- (ii) the Trustee is adjudged bankrupt or insolvent;
- (iii) a receiver or other public officer takes charge of the Trustee or its property; or
- (iv) the Trustee otherwise becomes incapable of acting.

If at any time a Trustee Event of Default has occurred and is continuing, the Guarantor (or if an Event of Default has occurred and is continuing, the Depositor) may, and if directed by the acting holders, shall, remove the Trustee as to such Trust Fund and appoint a successor Trustee by written instrument, one copy of which shall be delivered to the Trustee so removed and one copy of which shall be delivered to the successor Trustee, and the Guarantor (or if an Event of Default has occurred and is continuing, the Depositor) shall give written notice of the successor Trustee to the Holders affected by the succession. Notwithstanding the termination of the Trustee, its liability under this Agreement arising prior to such termination will survive such termination.

If the Trustee resigns or is removed or if a vacancy exists in the office of the Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Depositor shall promptly appoint a successor Trustee that satisfies the eligibility requirements of Section 8.09.

The retiring Trustee agrees to cooperate with Freddie Mac and any successor Trustee in effecting the termination of the retiring Trustee's responsibilities and rights hereunder and shall promptly

provide such successor Trustee all documents and records reasonably requested by it to enable it to assume the Trustee's functions hereunder.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Depositor, the Guarantor and the Administrator. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Agreement with respect to such Trust Fund. The successor Trustee shall mail a notice of its succession to the related Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee.

If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee or the Depositor may petition any court of competent jurisdiction for the appointment of a successor Trustee.

Section 8.07. Successor Trustee By Merger. If a successor Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee; provided, that such corporation or banking association shall be otherwise qualified and eligible under Section 8.09.

Section 8.08. Appointment of Co-Trustee or Separate Trustee.

(a) Notwithstanding any other provisions of this Agreement, at any time, for the purpose of meeting any legal requirement of any jurisdiction in which any part of a Trust Fund may at the time be located, the Trustee shall have the power and may execute and deliver all instruments to appoint one or more Persons to act as a co-trustee or co-trustees, or separate trustee or separate trustees, of all or any part of such Trust Fund and to vest in such Person or Persons, in such capacity and for the benefit of the related Holders, such title to such Trust Fund, or any part thereof, and, subject to the other provisions of this Section, such powers, duties, obligations, rights and trusts as the Trustee may consider necessary or desirable. No co-trustee or separate trustee hereunder shall be required to meet the terms of eligibility as a successor trustee under Section 8.09 and no notice to the related Holders of the appointment of any co-trustee or separate trustee shall be required under Section 8.06 hereof.

(b) With respect to each Trust Fund, every separate trustee and co-trustee shall, to the extent permitted by law, be appointed and act subject to the following provisions and conditions:

(i) all rights, powers, duties and obligations conferred or imposed upon the Trustee shall be conferred or imposed upon and exercised or performed by the Trustee and such separate trustee or co-trustee jointly (it being understood that such separate trustee or co-trustee is not authorized to act separately without the Trustee joining in such act), except to the extent that under any law of any jurisdiction in which any particular act or acts are to be performed the Trustee shall be incompetent or unqualified to perform such act or acts, in which event such rights, powers, duties and obligations (including the holding of title to the related Trust Fund or any portion thereof in any such jurisdiction) shall be exercised and performed singly by such separate trustee or co-trustee, but solely at the direction of the Trustee;

(ii) no trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder; and

(iii) the Trustee may at any time accept the resignation of or remove any separate trustee or co-trustee.

(c) Any notice, request or other writing given to the Trustee shall be deemed to have been given to each of the then separate trustees and co-trustees, as effectively as if given to each of them. Every instrument appointing any separate trustee or co-trustee shall refer to this Agreement and the conditions of this Article VIII. Each separate trustee and co-trustee, upon its acceptance of the trusts conferred, shall be vested with the estates or property specified in its instrument of appointment, either jointly with the Trustee or separately, as may be provided therein, subject to all the provisions of this Agreement, specifically including every provision of this Agreement relating to the conduct of, affecting the liability of, or affording protection to, the Trustee. Every such instrument shall be filed with the Trustee.

(d) Any separate trustee or co-trustee may at any time constitute the Trustee, its agent or attorney-in-fact with full power and authority, to the extent not prohibited by law, to do any lawful act under or in respect of this Agreement on its behalf and in its name. If any separate trustee or co-trustee shall die, become incapable of acting, resign or be removed, all of its estates, properties, rights, remedies and trusts shall vest in and be exercised by the Trustee, to the extent permitted by law, without the appointment of a new or successor trustee.

Section 8.09. Eligibility; Disqualification. Freddie Mac is eligible to act as the Trustee and is initially the Trustee for the Trust Funds created under this Agreement. Any successor to Freddie Mac (i) at the time of its appointment as Trustee, must be reasonably acceptable to Freddie Mac and (ii) must be organized as a corporation or association doing business under the laws of the United States or any State thereof, be authorized under such laws to exercise corporate trust powers, have combined capital and surplus of at least \$50,000,000 and be subject to supervision or examination by federal or state financial regulatory authorities. If any successor Trustee shall cease to satisfy the eligibility requirements set forth in (ii) above, that successor Trustee shall resign immediately in the manner and with the effect specified in Section 8.06.

ARTICLE IX

Miscellaneous Provisions

Section 9.01. Tax Matters. The Administrator and/or its designated agent shall furnish, at such times as required by applicable law, to each Holder of a REMIC Certificate such information as the Administrator deems necessary or desirable to enable Holders and beneficial owners of REMIC Certificates to prepare their United States federal income tax returns, if applicable. If the Depositor is one of the Holders of a Residual Class issued in respect of any REMIC Pool, or if permitted by applicable law, the Depositor will file the annual federal income tax return for such REMIC Pool and will act as the partnership representative thereof. In any other case, the beneficial owner of the REMIC Certificate having the largest principal amount or evidencing the largest percentage of the Residual Interest in the related REMIC Pool is hereby designated as the partner responsible for filing such tax return and as the partnership representative of such REMIC Pool. Such beneficial owner, however, by the acceptance of its REMIC Certificate, agrees to designate the Depositor as its agent and attorney-in-fact in the performance of all the duties required of, or permitted to be taken by, the partner responsible for filing such tax return and the partnership representative for such REMIC Pool and, if requested by the Depositor, to execute a power of attorney to this effect. The Depositor also agrees to prepare such tax return and, if permitted by applicable law, to sign and file such tax return on behalf of the REMIC Pool. The Depositor agrees to indemnify and hold harmless such beneficial owner against any and all liabilities imposed upon such beneficial owner as partnership representative, including, without

limitation, any liabilities caused by the Depositor's failure to perform any duty on behalf of such beneficial owner as the partner responsible for filing such returns and as partnership representative under the Code or any liabilities associated with any action taken by the Depositor in its discretion with respect to such REMIC Pool in the name of and on behalf of such beneficial owner as the partnership representative thereof.

A beneficial or record interest in a Residual Class may not be sold or transferred to a "disqualified organization" (as defined below). Any attempted or purported transfer of an interest in a Residual Class shall be absolutely null and void and shall vest no rights in the proposed transferee unless (a) such transferee provides to the Administrator (i) an affidavit (in a form acceptable to the Administrator) that such transferee is not a disqualified organization and is not purchasing such interest on behalf of a disqualified organization and (ii) if requested by the Administrator, an opinion of counsel (in a form acceptable to the Administrator) that the proposed transfer will not cause such interest to be held by or on behalf of a disqualified organization, or (b) the Administrator gives its written consent to such transfer (which consent may apply to a specific transfer or, in the Administrator's discretion, may apply generally to classes of transfers or transferees). Should such a transfer occur, however, the Administrator shall provide to the Internal Revenue Service and the Person(s) liable for the tax imposed on such transfer under Section 860E(e) of the Code a computation showing the present value of the total anticipated excess inclusions with respect to the Residual Class interest for periods after such transfer for purposes of computing the amount of tax due. For these purposes, the term "disqualified organization" means (a) the United States, any state or political subdivision thereof, any foreign government, any international organization, any agency or instrumentality of any of the foregoing, (b) any organization (other than a cooperative described in Section 521 of the Code) that is exempt from taxation under Chapter 1 of Subtitle A of the Code (unless such organization is subject to tax on excess inclusions) and (c) any organization that is described in Section 1381(a)(2)(C) of the Code. Notwithstanding clause (a) of the preceding sentence, neither Freddie Mac nor any entity treated as other than an instrumentality of the United States or of any state or political subdivision thereof for purposes of Section 168(h)(2)(D) of the Code is treated as a disqualified organization. In addition, the transferee shall be required to designate the Administrator as its fiduciary to act as the partnership representative for the related REMIC Pool. Without the Administrator's written consent, ownership of an interest in a Residual Class may not be transferred to any Person that is not (a) a citizen or resident of the United States, (b) a corporation, partnership or other entity created or organized in or under the laws of the United States, any state thereof or the District of Columbia (other than a partnership that is not a U.S. Person under any applicable Treasury regulation), (c) an estate that is subject to United States federal income tax regardless of the source of its income or (d) a trust if a court within the United States is able to exercise primary supervision of the administration of the trust and one or more United States persons have the authority to control all substantial decisions of the trust or, to the extent provided in Treasury regulations, a trust in existence on August 20, 1996, and treated as a U.S. person prior to that date, that elects to continue to be treated as a U.S. person (each, a "U.S. person"). In addition, ownership of an interest in a Residual Class validly held by a non-U.S. person may not be transferred to any Person without the Administrator's written consent. Any attempted or purported transfer in violation of either of the two preceding sentences shall be absolutely null and void and shall vest no rights in the proposed transferee. The affidavit referred to in the second sentence of this paragraph shall include a statement that the transferee is a U.S. person, unless the Administrator consents in writing to such transfer to a Person that is not a U.S. person. On behalf of each REMIC

Pool, the Administrator shall make available information necessary for the application of Section 860E(e) of the Code or any similar Code provision that may be in effect in the future.”

Section 9.02. Limitations on Liability. Neither Freddie Mac, in its corporate capacity, nor any of its directors, officers, employees, authorized designees, representatives or agents shall be under any liability to Holders for any action taken by them or for their refraining from the taking of any such action in good faith pursuant to this Agreement, or for errors in judgment; *provided, however*, that this provision shall not protect Freddie Mac or any such Person against any liability which would otherwise be imposed by reason of willful misfeasance, bad faith or gross negligence in the performance of duties or by reason of reckless disregard of obligations and duties hereunder. Freddie Mac and such Persons will have no liability of whatever nature for consequential damages. Freddie Mac and any director, officer, employee, authorized designee, representative or agent of Freddie Mac may rely in good faith on any document or other communication of any kind properly submitted by any Person (in writing or electronically) with respect to any matter arising under this Agreement. Freddie Mac shall not be under any obligation to appear in, prosecute or defend any legal action which is not incidental to its duties to administer the Trust Funds in accordance with this Agreement and which in its opinion may involve it in any expense of liability; *provided, however*, that Freddie Mac may in its discretion undertake any such action which it may deem necessary or desirable with respect to this Agreement, the REMIC Certificates, the MACR Certificates, the Assets and other assets in any REMIC Pool or the rights and duties of the parties hereto and the interests of the Holders under this Agreement. In such event, the legal expenses and costs of such action and any liability resulting therefrom shall be expenses of Freddie Mac.

Section 9.03. Limitation of Rights of Holders. The death or incapacity of any Person having an interest, beneficial or otherwise, in a Certificate shall not operate to terminate this Agreement or any Trust Fund, nor entitle the legal representatives or heirs of such Person or any Holder for such Person to claim an accounting, take any action or bring any proceeding in any court for a partition or winding up of any Trust Fund, nor otherwise affect the rights, obligations and liabilities of the parties hereto or any of them.

Section 9.04. Control by Holders. With respect to any Series, except as otherwise provided in Articles VI, VII and VIII and Sections 9.05 and 9.06, no Holder shall have any right to vote or in any manner otherwise control the administration, operation and management of any REMIC Pool, MACR Pool or the Assets, or the obligations of the parties hereto. Nothing set forth or contained in the terms of this Agreement or the Certificates shall be construed so as to constitute the Holders from time to time as partners or members of any association; nor shall a Holder be under any liability to any third person by reason of any action taken by the parties to this Agreement pursuant to any provision hereof.

Section 9.05. Amendment.

(a) *Without Consent.* This Agreement (including any related Terms Supplement) may be amended from time to time by Freddie Mac and the Trustee, without the consent of any Holder or Holders, (i) to cure any ambiguity, to correct or supplement any provision herein or therein which may be inconsistent with any other provision herein or therein, or to make any other provisions with respect to matters or questions arising under this Agreement, provided that any such amendment shall not adversely affect in any material respect the interests of any Holders; or (ii) to permit Freddie Mac to take any necessary or helpful action to maintain the qualification of any REMIC Pool as a REMIC under the Code or to avoid the imposition of any state or federal tax on the REMIC Pool; or (iii) to permit Freddie Mac to

take any necessary or helpful action to maintain the qualification of any MACR Pool as a grantor trust under the Code or to avoid the imposition of any state or federal tax on the MACR Pool.

(b) *With Consent.* Except as provided in Section 9.05(c), with respect to any Trust Fund formed pursuant to the terms hereof, any provision of this Agreement may be amended by Freddie Mac and the Trustee, with the written consent of the Holders of Certificates representing not less than 50 percent of the then outstanding principal amount of each Class of Certificates affected by such amendment.

(c) *No Impairment.* Notwithstanding any other provision herein, without the consent of a Holder this Agreement may not be amended to impair or affect the right of such Holder to receive payment of principal and interest (including any payment under any guarantee in respect thereof) as herein provided, on or after the due date of such payment, or to institute suit for the enforcement of any such payment on or after such date.

(d) *Prior Agreements.* To the extent that any provisions of this Agreement differ from the provisions of any predecessor to this Agreement dated prior to the date of this Agreement, this Agreement shall be deemed to amend such provisions of such prior agreement, but only to the extent that Freddie Mac, under the terms of such prior agreement, could have effected such change as an amendment of such prior agreement without the consent of Holders of Certificates thereunder, in accordance with the terms thereof; *provided, however*, that the trust declarations and related provisions set forth in Section 9.05(d) of the Multiclass Certificates Master Trust Agreement dated as of December 31, 2007 are hereby affirmed with respect to each REMIC Pool and, if applicable, MACR Pool, for each Series of Certificates issued before December 31, 2007.

(e) *Certain Residual Classes.* Solely for purposes of this Section, if the principal amount of a Residual Class has been reduced to zero prior to the principal amounts of all the other Classes of the related REMIC Pool having been reduced to zero, such Residual Class shall be deemed to have an aggregate outstanding principal amount of \$1,000.00.

Section 9.06. Voting Rights.

If Freddie Mac is acting as Administrator or Trustee and an Event of Default has occurred and is continuing, any Certificates held by Freddie Mac shall be disregarded and deemed not to be outstanding for purposes of exercising the remedies set forth in Section 6.02 and the second paragraph of Section 8.06.

Section 9.07. Persons Deemed Owners. With respect to each Series, Freddie Mac, the Trustee, the Registrar, the Administrator, the Federal Reserve Banks and DTC (or any agent of any of them), may deem and treat the Holder as the absolute owner of a Certificate for the purpose of receiving payment of principal or interest and for all other purposes, and neither Freddie Mac, the Trustee, the Registrar, the Administrator, the Federal Reserve Banks or DTC, nor any agent of any of them, shall be affected by any notice to the contrary. All such payments so made to any such Holder or upon such Holder's order shall be valid, and, to the extent of the sum or sums paid, effectual to satisfy and discharge the duty for monies payable by Freddie Mac upon the Holder's Certificate. A Holder is not necessarily the beneficial owner of a Certificate. The rights of a beneficial owner of a Certificate with respect to Freddie Mac, the Trustee, the Registrar, the Administrator and the Federal Reserve Banks may be exercised only through the Holder. The rights of a beneficial owner of a Certificate with respect to DTC may be exercised only through the applicable DTC Participant. None of Freddie Mac, the Trustee, the Registrar, the Administrator or the Federal Reserve Banks shall have any direct obligation to a beneficial owner that is not also the Holder of a Certificate. DTC will have no direct

obligation to a beneficial owner that is not also a DTC Participant or Retail Depository Participant, as applicable, with respect to such Certificate.

Section 9.08. Governing Law. THIS AGREEMENT AND THE PARTIES' RIGHTS AND OBLIGATIONS WITH RESPECT TO CERTIFICATES, SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE UNITED STATES. INsofar AS THERE MAY BE NO APPLICABLE PRECEDENT, AND INsofar AS TO DO SO WOULD NOT FRUSTRATE THE PURPOSES OF THE ACT OR ANY PROVISION OF THIS AGREEMENT OR THE TRANSACTIONS GOVERNED THEREBY, THE LOCAL LAWS OF THE STATE OF NEW YORK SHALL BE DEEMED REFLECTIVE OF THE LAWS OF THE UNITED STATES.

Section 9.09. Payments Due on Non-Business Days. If the date fixed for any payment on any Certificate shall be a day which is not a Business Day, then such payment need not be made on such date, but may be made on the next succeeding day which is a Business Day, with the same force and effect as though made on the date fixed for such payment, and no interest shall accrue for the period after such date.

Section 9.10. Successors. This Agreement shall be binding upon and shall inure to the benefit of the parties and their respective successors, including any successor by operation of law, and permitted assigns.

Section 9.11. Headings. The Article and Section headings are for convenience only and shall not affect the construction of this Agreement.

Section 9.12. Notice and Demand. Any notice, demand or other communication which by any provision of this Agreement is required or permitted to be given or served to or upon any Holder may be given or served in writing by deposit thereof, postage prepaid, in the United States mail addressed to such Holder as such Holder's name and address may appear in the records of Freddie Mac, the Trustee, the Registrar, the Administrator or a Federal Reserve Bank or, in the case of a Holder of a Certificate maintained on the Fed System, by transmission to such Holder through the communication system linking the Federal Reserve Banks. Such notice, demand or other communication to or upon a Holder shall be deemed to have been sufficiently given or made, for all purposes, upon mailing or transmission.

Any notice, demand or other communication which is required or permitted to be given to or served under this Agreement may be given in writing addressed as follows (i) in the case of Freddie Mac, in its corporate capacity, to Federal Home Loan Mortgage Corporation, 8200 Jones Branch Drive, McLean, Virginia 22102, Attention: Executive Vice President — General Counsel and Secretary and (ii) in the case of the Trustee, to: Freddie Mac (as Trustee), 8100 Jones Branch Drive, McLean, Virginia 22102, Attention: Multifamily Office of Trustee; email: MF_trustee@freddiemac.com. Such notice, demand or other communication to or upon Freddie Mac or the Trustee shall be deemed to have been sufficiently given or made only upon actual receipt of the writing.

Section 9.13. Counterparts. This Agreement may be executed in any number of counterparts, each of which counterpart shall be deemed to be an original, and such counterparts shall constitute but one and the same instrument. Delivery of an executed counterpart of a signature page of this Agreement in Portable Document Format (PDF) or by facsimile transmission shall be as effective as delivery of a manually executed original counterpart of this Agreement.

RECEIPT AND ACCEPTANCE OF A REMIC CERTIFICATE, MACR CERTIFICATE OR ANY OTHER SECURITY ISSUED HEREUNDER BY OR ON BEHALF OF A HOLDER, WITHOUT ANY SIGNATURE OR FURTHER MANIFESTATION OF ASSENT, SHALL CONSTITUTE THE UNCONDITIONAL ACCEPTANCE BY THE HOLDER AND ALL OTHERS HAVING A BENEFICIAL INTEREST IN SUCH REMIC CERTIFICATE, MACR CERTIFICATE OR OTHER SECURITY OF ALL THE TERMS AND PROVISIONS OF THIS AGREEMENT (INCLUDING THE RELATED TERMS SUPPLEMENT) AND THE AGREEMENT OF FREDDIE MAC, SUCH HOLDER AND SUCH OTHERS THAT THOSE TERMS AND PROVISIONS SHALL BE BINDING, OPERATIVE AND EFFECTIVE AS BETWEEN FREDDIE MAC AND SUCH HOLDER AND SUCH OTHERS.
