Preface

This Handbook is intended to supplement the requirements and information in Freddie Mac's Single-Family Seller/Servicer Guide (the "Guide," which is one of the Purchase Documents). The Guide has priority over this Handbook, so that any conflict between them, such as may occur when the Guide is updated or amended, should be resolved to favor the Guide. Similarly, conflicts between the Guide and [Form 1035](#), the Document Custodial Agreement, are resolved to favor the Guide; thus, Form 1035 need not be re-executed or amended to reflect changes in the Guide. We intend to update the Handbook periodically.

Capitalized terms used in the Handbook are defined in the Guide; however, please note that certain terms and phrases, including the following, may be used differently in the Handbook:

- **"Assignment"** refers to the Intervening Assignments and includes any instrument used to assign the security instrument to Freddie Mac. See [Guide Section 18.1](#).
- **"Form 1034"** may refer collectively to all versions or to a specific version, as the context requires. Because the Handbook assumes that Mortgages are delivered to Freddie Mac through the selling system, most references will be to Form 1034E, the version of Custodial Certification Schedule used for selling system deliveries. [Form 1034B](#), Custodial Certification Schedule Balloon Loan Modification, is used in conjunction with Balloon/Reset Loan modifications. [Form 1034T](#), Subsequent Transfer Custodial Certification Schedule, summarizes information for Mortgages transferred in a Transfer of Servicing or transfer of custody.
- **"Mortgage file"** refers to the Servicer's file.
- **"Note"** refers to the instrument evidencing a Borrower's indebtedness, and includes any Power of Attorney or modifying instrument, such as a modification agreement, conversion agreement, and assumption of liability or release of liability agreement. "Notes" may also refer to all documents held for Freddie Mac, as the context requires.
- **"Note file"** refers to the Document Custodian's file and the documents retained in that file pursuant to the Form 1035, Document Custodial Agreement.
- **"Seller/Servicer"** refers to the entity primarily or exclusively selling Mortgages to, or servicing Mortgages for, Freddie Mac. We have tried to use either the term "Seller" or "Servicer" where that is more accurate. However, absent a Transfer of Servicing, the same entity may be both Seller and Servicer, although you may be interacting with different personnel. Using this convention should help clarify the different roles.

- Throughout the Handbook, **'you'** and **'your'** refer to the Document Custodian.

Freddie Mac does not provide direct document custodial services to Seller/Servicers. However, Freddie Mac does perform oversight of document custody program requirements and overall management of the certification processes and requirements. As such, all Document Custodians will continue to submit to Freddie Mac the following completed and executed forms, as applicable:

- [Form 1034B](#), Custodian Certification Schedule – Balloon Loan Modification, upon certifying the information contained in a Balloon Loan Modification, in accordance with the requirements of [Guide Section 83.103](#)
- In connection with the sale of Mortgages to Freddie Mac through selling system, Form 1034E, Custodial Certification Schedule, upon verifying the documents and performing the certifications required in accordance with Guide [Section 18.6](#)
- [Form 1034T](#), Subsequent Transfer Custodial Certification Schedule, upon performing the verifications and certifications in connection with a Transfer of Servicing or transfer of custody

Freddie Mac ([Guide Directory 9](#)) will:

- Process requests for assistance with Mortgage discharges, satisfactions, and releases of lien or similar and other matters related to the chain of title for Mortgages owned by Freddie Mac when we are identified as the lien holder in the land records. Please use the Request for Assistance form found on our web page at <http://www.freddiemac.com/cim/docex.html>.
- Process MERS Transfer of Beneficial Rights and resolve issues concerning transactions affecting Freddie Mac on the MERS registration system.

Servicers may contract with Freddie Mac's Designated Custodian instead of contracting with another Freddie Mac-approved Document Custodian. Except as otherwise required by the context, references in this Handbook to "Document Custodian" include the Designated Custodian.

For information on certification and custody of mortgages originated in whole or in part electronically, please refer to Freddie Mac's eMortgage Guide, found on Freddie Mac's website at

http://www.freddiemac.com/singlefamily/elm/pdf/eMortgage_Guide.pdf. Selling, Servicing, and acting as Document Custodian for eMortgages for Freddie Mac requires special contract provisions.

We hope that you find this Handbook helpful, and we would like to hear from you regarding any comments and questions that you have about your status as a Freddie Mac Document Custodian and the custodial duties and functions.

Document Custodial Options and Requirements

Introduction

A Seller/Servicer selling Mortgages to Freddie Mac must **deliver** the Notes, assignments, and related documents to you, according to the Freddie Mac Single-Family Seller/Servicer Guide (Guide). This chapter describes relationships, duties and responsibilities among the Document Custodian, the Seller/Servicer, and Freddie Mac for certifying and safeguarding our Notes.

The Designated Custodian has been qualified by Freddie Mac to be an approved Document Custodian with which Servicers may contract for custodial services. The Designated Custodian is referred to in this chapter only as a custodial option. References to “Document Custodian” in this chapter are deemed to include the Designated Custodian as appropriate.

Document Custodians

Seller/Servicers must select either Freddie Mac’s Designated Custodian or another Freddie Mac approved Document Custodian for the Mortgages sold and/or serviced for each Seller/Servicer number. See [Guide Section 18.1](#).

The following chart identifies the general requirements for each Custodian option.

Document Custodian	Contract Requirements	Document Requirements
Designated Custodian	Requires a fully executed Form 1035DC , Designated Custodial Agreement: Single-Family Mortgages.	Seller sends Notes, supplemental documents and Intervening Assignments to the Designated Custodian.
Third-Party Document Custodian	Requires approval from Freddie Mac and a fully executed Form 1035 , Custodial Agreement: Single-Family Mortgages.	Seller sends Notes, supplemental documents and Intervening Assignments to the Third-Party Document Custodian.
Self-Custodian	Requires approval from Freddie Mac and a fully executed Form 1035, Custodial Agreement: Single-Family Mortgages.	Seller sends Notes, supplemental documents and Intervening Assignments to its trust department, which has trust powers granted by its primary regulator.

Seller/Servicer and Document Custodian should enter into a written agreement regarding Document Custodian's charges and fees for document custodial services (e.g., Note certification, storage, release and copying); however, the agreement may not contain terms that conflict with the Form 1035 or this Handbook, such as Freddie Mac's ability to gain access to the Notes without the Seller/Servicer's consent.

Document Custodial Options and Requirements

Compensation for custodial services is the sole responsibility of the Servicer, **except in certain circumstances involving Interim Servicers**. See [Guide Sections 18.1](#). A Document Custodian may not act in a manner that might adversely affect Freddie Mac or its interests, or fail to perform its custodial duties because of non-payment by a Seller/Servicer.

A Document Custodian's vault will be assigned only one Document Custodian number, regardless of the number of Seller/Servicers relationships for which it holds Notes for Freddie Mac. Each relationship between a Seller/Servicer and a third-party or self-custodian requires a separate Document Custodial Agreement. Mortgages sold under a particular Seller/Servicer number will automatically be associated with the Document Custodian that certifies the Note at delivery. A Seller/Servicer must have a separate Seller/Servicer number for each custodial relationship. See [Guide Sections 18.1](#) and [18.3](#).

Document Custodians with more than one vault will need a separate **Freddie Mac** Document Custodian number for each vault.

The agreements that govern the certification and safeguarding of Notes sold to Freddie Mac are the Custodial Agreement: Single-Family Mortgages (Form 1035), a tri-party agreement between Freddie Mac, the Seller/Servicer, and the Document Custodian, and the Designated Custodial Agreement: Single-Family Mortgages ([Form 1035DC](#)), a tri-party agreement among Freddie Mac, the Seller/Servicer, and the Designated Custodian. By executing the Form 1035, the Seller/Servicer and the Document Custodian represent and warrant to each other and to Freddie Mac that the Document Custodian satisfies our document custody eligibility requirements, found in Form 1035, this Handbook and the Guide, as they may be amended from time to time. See [Form 1035](#) and [Guide Section 18.3](#) for more information. If a Document Custodian fails to maintain or comply with the eligibility requirements (see [Guide Section 18.4](#)), the Seller/Servicer must contact Freddie Mac's Counterparty Credit Risk Management department (CCRM) ([Guide Directory 1](#)) immediately at:

Attn: Counterparty Credit Risk Management
Freddie Mac
1551 Park Run Drive, MS D3A
McLean, VA 22102-3110
Phone: (571) 382-3434 Opt. 2
Fax: (866) 743-0087

Eligibility

The Document Custodian eligibility requirements appear in [Section 18.2](#) of the Guide. An institution must meet the requirements found within [Section 18.2](#) for Freddie Mac to approve it as a Document Custodian including, but not limited to, being a financial institution that is supervised and regulated; meeting Freddie Mac's Minimum Acceptable Net Worth requirement or investment grade rating as defined; and performing the document custody function in

Document Custodial Options and Requirements

a trust department that is established and operated under trust powers granted by the Document Custodian's primary regulator.

Application and Approval Process

A Seller/Servicer electing to use a Document Custodian other than the Designated Custodian must contact CCRM to apply for approval.

The applicant institution must contact CCRM for information on the application process and the required documentation. When the necessary documentation is received, CCRM will review it to determine whether to grant approval, and notify both the Seller/Servicer and applicant of its decision. See [Guide Sections 18.2](#) and [18.3](#) for eligibility criteria and further information.

We will send a copy of the fully executed [Form 1035](#) to both the Seller/Servicer and Document Custodian for their records. See [Guide Section 18.3](#). The Seller/Servicer must receive an original, fully executed Form 1035 from Freddie Mac before the:

- Seller/Servicer delivers any documents to a Document Custodian pursuant to [Guide Section 16.8](#), or
- Document Custodian accepts any documents from a Seller/Servicer.

Access to the Selling System/Document Custodian Roles

In connection with use of the selling system, the Document Custodian must provide information to Freddie Mac regarding Document Custodian's authorized selling system users and their designated user roles by completing and submitting [Form 901](#), Document Custodian Selling System Authorized User Identification and Certification Form, for each Seller with which the Document Custodian has established a custodian relationship, in accordance with [Guide Section 18.3](#).

Upon receipt of the completed form, Freddie Mac will assign user roles in the selling system and issue user IDs and/or passwords to [authorized users](#).

See [Guide Sections A1.9](#) and [A1.12](#) for information on system security and user access, respectively.

Annual Reporting

Each year, each Document Custodian must complete the Annual Document Custodian Eligibility Certification (Document Custodian annual report) and submit it to CCRM, [together with](#) any other information that Freddie Mac may request. See [Form 1035](#).

Concurrent with submission of its [Form 16SE](#), Annual Eligibility Certification Report, to CCRM, Seller/Servicer certifies its Document Custodian continues to meet all the Document Custodian eligibility requirements stated in the Guide.

Document Custodial Options and Requirements

Seller/Servicers must also submit any other information that Freddie Mac may request. See [Form 1035](#) and [Guide Section 4.9](#) for more information.

Terminating the Custodial Relationship

Any party to a [Form 1035](#) may terminate it upon proper **written** notice to the other parties. Upon such notice, all Freddie Mac Notes must be transferred to a new approved Document Custodian or the Designated Custodian within 30 days as described in Chapter 5 of this Handbook and [Guide Section 18.7](#). The Document Custodian being terminated must fulfill the custodial duties until all Notes have been transferred to and recertified by the Transferee Document Custodian.

Freddie Mac may terminate any Document Custodial Agreement among Freddie Mac, a Seller/Servicer and a Document Custodian in our sole discretion upon 30 days written notice.

Freddie Mac may terminate a Form 1035 immediately if:

1. We modify our requirements for document custody,
2. A Seller/Servicer:
 - Is suspended or disqualified, or
 - Is unable to comply with our eligibility standards, or
 - Performs unsatisfactorily

or

3. A Document Custodian, in Freddie Mac's sole judgment:
 - Does not meet the eligibility requirements or criteria for custody, or
 - Performs unsatisfactorily, or
 - If any circumstance occurs or exists that might adversely affect the Document Custodian or our Notes or assignments or the interests of Freddie Mac.

See [Guide Sections 18.1](#) and [18.7](#) and Section 8 of Form 1035 for more information.

Duties and Responsibilities

Compliance and Controls

The Document Custodian must certify the Notes and assignments delivered by a Seller/Servicer and safeguard **the** Notes and assignments as required by the Guide, [Form 1035](#) and this Handbook and adhere to the highest professional and ethical standards.

In order to protect Borrower privacy, **Document Custodians must not release original documents, copies of documents, or any information about a Borrower or a Mortgage held in custody for Freddie Mac to anyone except Freddie Mac or the Servicer**, even if the person asking is the Borrower or someone claiming to be the Borrower. If the person is claiming to be the Borrower, you should direct him or her to the current Servicer. Because of periodic reporting requirements relating to certain mortgage-backed securities, the Seller or a previous Servicer of a Mortgage may request loan-level information; you must direct all such inquiries to the current Servicer.

Pursuant to Form 1035, Freddie Mac may, with or without prior notice, perform an on-site audit that relates to Notes and assignments held for Freddie Mac, on the following:

- All records and documents held by a Document Custodian,
- The vault itself (facilities, security, etc.), and/or
- The Document Custodian's policies and procedures relating to the custodial functions.

Duties and Responsibilities

The chart below identifies a number of compliance controls; this information is not all-inclusive.

Changes to Institution Information

For Freddie Mac's records of Document Custodians to be accurate, Document Custodians must notify Freddie Mac, as set forth below, of an institution name or address change for the vault, changes in the vault contact person or institutional organizational changes, such as mergers or consolidations.

Event	Description
Document Custodian address change	<p>Certain changes will necessitate a new Form 1035. For instance, if you move Notes held for one or more Servicers to a new vault, but will continue to maintain the Notes for other Servicers at the old vault, you will need an additional Document Custodian number and Form 1035 that documents the relationship between your new vault and the particular Seller/Servicer numbers supported there.</p> <ul style="list-style-type: none">  Moving Notes (except pursuant to a Form 1036, Request for Physical or Constructive Possession of Documents, or its equivalent) requires prior approval by Freddie Mac.  All Freddie Mac Notes associated with a particular Seller/Servicer number must be held in the same Document Custodian vault, or with the Designated Custodian.  Each Document Custodian location must have a unique Freddie Mac-assigned Document Custodian number.
Changes in Document Custodian name, organization, eligibility or operational contact names, e-mail address, and phone number	Provide written notification to: Freddie Mac CCRM 1551 Park Run Drive, MS D3A McLean, VA 22102-3310

Duties and Responsibilities

Insurance Coverage

Document Custodians must maintain the following insurance coverage, at a minimum:

- **Errors and Omissions Insurance** covering claims resulting from the Document Custodian's breach of duty, neglect, errors and omissions, misstatement, misleading statements or other wrongful acts committed in the conduct of document custodial services.
- **Financial institution bond** or equivalent insurance covering any loss resulting from employee dishonesty, physical damage or destruction to, or loss of any Notes or assignments while these documents are located on the Document Custodian's premises.
- **Transit Insurance Coverage:** Notes that move between Document Custodians, from one vault to another, **or between a Document Custodian and a Servicer**, must be covered by transit insurance. If Document Custodian and Seller/Servicer agree in writing that the Document Custodian will assume liability for the Notes during the move, then **the** Document Custodian must maintain insurance that covers physical damage to and destruction or loss of the Notes. If there is no written agreement allocating liability, then the Seller/Servicer is liable for the Notes and must obtain insurance as described in Guide Section 18.4(c).

Document Delivery and Processing Procedures

Background

Document Custodians **must** verify certain information contained in the Notes and related documents for the Mortgages sold to Freddie Mac and certify those verifications and that the **documents are** original. We refer to this process as “certification” or “certifying” the Notes.

This chapter details our requirements for certifying Notes delivered to Freddie Mac, including those sold with a Concurrent Transfer of Servicing. For information on Subsequent Transfers of Servicing, see [Section 56.1](#) of the Guide and Chapter 5 of this Handbook. Unless the Document Custodian receives a copy of the Purchase Documents between the Seller/Servicer and Freddie Mac, (including the first page with the Seller/Servicer number, the pages with the exceptions detailed, and the signature pages), the Document Custodian must not deviate from the requirements of this Handbook or the Guide.

The information in this chapter is intended to help you fulfill your responsibilities as an approved Document Custodian. This Handbook is a reference tool that complements Freddie Mac’s Single-Family Seller/Servicer Guide (the “Guide”). It does not replace the requirements in the Guide, and in the event of a conflict, the Guide controls.

Before you may accept a delivery of Notes from a Seller, Freddie Mac must approve you as a Document Custodian for the Servicer that will service the Mortgages. Refer to Chapter 1 of this Handbook for additional information on becoming an approved Document Custodian.

Sellers may use independent delivery agents, particularly for bulk or seasoned loan portfolio sales. If such an agent contacts you or you receive loan data with respect to the Mortgages from a third party, you must ask to see written evidence of its relationship with the Seller, such as a copy of the first and signature pages of their contract with the Seller or the paragraph in the Freddie Mac Master Commitment that recognizes the agency arrangement. You may rely on the representations of such an agent as if the Seller made them, as the Seller remains liable for the accuracy and completeness of all data. Contact Freddie Mac if you have any questions regarding delivery by an agent. See [Guide Directory 9](#).

Document Delivery and Processing Procedures

Documents to be Verified

The Seller must deliver to you, as the approved Document Custodian, the Note, any applicable assignments, and the related documentation for each Mortgage it is selling to Freddie Mac. The Form 1034E or Note Delivery Cover Sheet will accompany each delivery of Notes. You may also receive documents that provide additional Note terms, clarify legal terms, and/or complete the required documentation for a particular Mortgage, such as:

- Addendum to the Note
- Agreement to Convert
- Assumption Agreement
- Modification Agreement
- Power of Attorney
- Name Affidavit
- Signature Affidavit

An Allonge, because it is physically a part of the Note, is not technically a supplemental document, and endorsements made on the Allonge, must be delivered as part of the Note.

Verification Requirements

Upon receipt of a delivery of Notes from the Seller, you must

- Verify the data. The information on each Note must match the corresponding information in the selling system or applicable Form 1034.
- Verify the Note. The Note must be original and complete. The Note must also be originated on a Fannie Mae/Freddie Mac, a Freddie Mac, or a Fannie Mae Uniform Instrument. See <http://www.freddiemac.com/uniform/> for a complete list of current Uniform Instruments.
- Verify the chain of endorsements (Note).
- Verify the chain of assignments (security instrument).

Once you have verified the accuracy of the data and that the documents comply with our requirements, you may certify the loan. Certification is complete in the selling system when you

- Indicate in the selling system that you have certified individual loans or loans in batch; or
- Have submitted proposed data corrections to the Seller, and the Seller accepts the proposed changes.

Document Delivery and Processing Procedures

Data Verification

The table below lists the data elements requiring verification for all Notes. You must compare these data elements in the selling system to the information contained on each applicable Note.

Freddie Mac systems and publications are not always consistent in their terminology. In the table below, we list the various terms for the same data elements in the following order: selling system (Form 1034E).

The parenthetical numbers in the data elements column correspond to the numbered boxes on Job Aids 1-4.

Freddie Mac **does not** require that the Freddie Mac loan number be affixed to the face of the Note in most circumstances. See [Guide Section 18.6\(a\)](#).

Alternative Document Custodian Verification Process

When a Seller submits the Notes and assignments to the Document Custodian prior to receiving the associated electronic data that will be provided to Freddie Mac, the alternative verification process described below will be deemed to satisfy the Note certification requirements:

- (A) Prior to delivering a Note to the Document Custodian, Seller captures all Note information that the Document Custodian is required to certify and transmits such data (“Seller’s loan data”) electronically to the Document Custodian;
- (B) Upon receiving a Note, the Document Custodian independently **verifies** that the information on the Note matches Seller’s loan data;
- (C) Upon receipt of the data delivery in the selling system, the Document Custodian **conducts** an electronic comparison of Seller’s loan data previously verified by the Document Custodian, to the selling system data (except that the Document Custodian is not required to verify the Seller/Service loan number). Based on this comparison, the Document Custodian **notifies** the Seller of any issues and **enters** the appropriate certification status in the selling system to complete the certification, once any issues are resolved; and
- (D) The Document Custodian **has** computer and other systems to verify that:
 - (i) The Seller’s loan data includes all the data fields that are included in the selling system; and
 - (ii) The Seller’s loan data as of the Delivery Date is the same as the selling system data used to certify the Mortgage;

Document Delivery and Processing Procedures

- (iii) For each Living Trust Note, the Seller's loan data includes the delivery of the Primary and any Secondary Non-Individual Borrower Type and the Primary and any Secondary Non-Individual Name. The Document Custodian must enhance its alternative verification process such that Living Trust loan data imported from the selling system is recognized and properly compared to loan data contained in the Document Custodian's system. Until such enhancements are implemented, the Document Custodian must use process "work-arounds" to support the certification of Living Trust Notes. For additional information regarding the certification of Living Trust Notes, please see Chapter 3, page 13, or contact Freddie Mac. See [Guide Directory 9](#).

Uniform Loan Delivery Dataset (ULDD)

At the direction of our regulator, the Federal Housing Finance Agency, Freddie Mac works with Fannie Mae on the Uniform Mortgage Data Project, an initiative to enhance the accuracy and quality of loan data each GSE requires at loan delivery.

The Uniform Loan Delivery Dataset (ULDD) based on the MISMO® Version 3.0 Reference Model (MISMO v3.0) defines the loan data points that must be delivered for each Mortgage and requires loan data to be delivered in the MISMO v3.0 format.

In 2012, the Freddie Mac selling system was updated with the new ULDD data field names and layout. To assist you, we prepared the following ULDD table, which lists all the data elements required for certification of Notes. Each of the data elements is expressed by the:

- Certification data element as it appeared in the selling system and the Form 1034 prior to April 23, 2012,
- Corresponding selling system screen ULDD name as it now appears, and
- Corresponding MISMO data point name. For each data element in the table, we have included the Freddie Mac verification instructions.

The parenthetical numbers in the first column of the table correspond to the numbered boxes on Job Aids 1-4 of Appendix A. Note that Freddie Mac no longer requires the Freddie Mac loan number be affixed to the face of the Note in most circumstances. See [Guide Sections 16.4\(d\)](#) and [18.6\(a\)](#).

As a result of the transition to ULDD named fields, effective for adjustable-rate Mortgages (ARMs) with Settlement Dates on or after April 23, 2012, Freddie Mac will no longer require Document Custodians to certify the following fields on the Form 1034A, *ARM Custodial Certification Schedule*:

- 1st Adj Max Initial Rate
- 1st Adj Min Initial Rate

Document Delivery and Processing Procedures

Document Custodians that certify ARMs against the legacy Form 1034A should disregard these two fields (identified as the 1st Adj Max and 1st Adj Min, respectively) effective for settlements on or after April 23, 2012.

And, the Periodic Interest Rate Cap value will be expressed in the selling system and on the Form 1034E as two separate fields: the Subsequent Rate Adjustment Maximum Increase Rate Percent and the Subsequent Rate Adjustment Minimum Decrease Rate Percent. Unless shown otherwise on the Note, the two fields will have the same value in the selling system and on the Form 1034E.

If you discover discrepancies between any of the data elements in the selling system and the Note or other documentation, you must not certify the Note. You must enter the data discrepancy in the selling system or, if you and the Seller agree, you may use an alternate method to report discrepancies, even though references through this chapter direct you to enter the discrepancy in the selling system.

If you have proposed changes, the Seller may receive an email notice, or the Seller may monitor outstanding certification issues through the selling system. The Seller may accept or reject the proposed changes. If the Seller

- Accepts all proposed changes and there are no document discrepancies outstanding, the Note will be automatically certified. You need not perform any further action to complete the certification.
- Rejects any of the proposed changes or documentation discrepancies, you must work with the Seller to resolve the issues.

Document Delivery and Processing Procedures

Note Verification

The Note must be original and complete. **Freddie Mac will not accept Notes marked as “duplicate original,” “corrected copy,” or similar**, even if there is an original signature, or if the words “duplicate original” or “corrected copy” are crossed through with or without initials. Please contact Freddie Mac immediately if you receive such a Note.

A Seller’s Purchase Documents may permit certain variances from requirements, such as original Notes or Uniform Instruments. You must receive a copy of the relevant portion of the Seller’s Purchase Documents that waive or supplement our standard Guide requirements before you may certify the Note.

Borrower’s Signature

You must verify that the signature on the Note for each Borrower is an original ink signature. Signatures in pencil are not acceptable. Stamped or other non-traditional methods of signing may be acceptable in certain circumstances, such as the Borrower’s physical impairment. In these cases, a Signature Affidavit or supporting documentation, such as a court order, is required.

Borrower names may appear on the Note first name first or last name first if the last name is followed by a comma. Such reversal of the first and last names on the Note may be certified, if there is no inconsistency between names identified in the delivery data.

Except for Living Trusts, there is no requirement that the Borrower’s name be typed or printed under the signature line of the Note. However, the name as signed must not conflict with a name typed or printed under the signature. If the Borrower’s name on the Note does not match the data in the selling system, it must be treated as oversigned or undersigned as described below.

If a Borrower initials one page of the Note, then those initials must appear on every page except the signature page. While there is no requirement that the Borrower initial the Note, you may not certify a Note where some pages of the Note are initialed and others are not.

Oversigning or Undersigning Documents

Borrowers may “oversign” or “undersign” their names.

- Oversigning occurs when something is included in the Borrower’s signature that does not appear in the typed or printed name on the Note and/or in the selling system. **Prefixes and suffixes** such as “Mr.,” “Mrs.,” “Ms.,” “Dr.,” and “MD,” “PhD,” “Sr.,” “Jr.” are not required to be certified, and may be considered oversigning.
- Undersigning occurs when the Borrower’s signature does not contain elements such as a middle name or initial that is included in the typed or printed name on the Note and/or in the selling system.

Document Delivery and Processing Procedures

Oversigning and undersigning are acceptable and do not require a Name Affidavit or Signature Affidavit provided there is no conflict between the signed name and a typed or printed name on the Note and/or in the selling system.

You may encounter the following situations:

Acceptable	Unacceptable
Signature <u>John Q. Public</u> Typed Name John Quincy Public Signature is undersigned, but does not conflict with the typed name.	Signature <u>John Z. Public</u> Typed Name John Quincy Public Signature conflicts with typed name. This is acceptable only if a signature affidavit is provided showing that John Quincy Public signs documents as John Z. Public.

Signature <u>John Public</u> Typed Name John Quincy Public Signature is undersigned, but does not conflict with the typed name.	Signature <u>John Q. Public</u> Typed Name John Quincy Public, Trustee For a Borrower that is a living trust (may also be referred to as a inter vivos trust or revocable trust), the signatures of both the settlor and the trustee must appear on the Note. See signature by trustee below.
Acceptable	Unacceptable

Signature <u>John Quinn Public</u> Typed Name John Quincy Public Signature conflicts with typed name. This is acceptable only if a Signature Affidavit is provided showing that John Quincy Public signs documents as John Quinn Public.

Illegible Signature and Signature Contradictions

A **Signature Affidavit** or **Name Affidavit** is a notarized document that is required when the Borrower's signature contradicts or is not consistent with a typed or printed name below the signature line on the Note or in the selling system. We prefer an original affidavit; however, a copy is acceptable.

If a **Signature Affidavit** is used, the signature on the affidavit must closely resemble the signature on the Note.

A Borrower's illegible signature is acceptable if the typed or printed name on the Note and the Borrower's name in the selling system match.

When the Borrower's signature is illegible and there is no typed or printed name on the Note, enter this as a document discrepancy in the selling system. You will need to obtain copies of other legal documents, such as the **Name Affidavit** or **Signature Affidavit** that contain the Borrower name and signature, to compare. If they closely resemble each other, the signature is acceptable.

Document Delivery and Processing Procedures

Signature by a Borrower that is a Living Trust

If a Note is secured by Mortgaged Premises held in a Living Trust (also referred to as an inter vivos or revocable trust), the Note must be signed by the Settlor(s) and by one or more Trustees on behalf of the trust as Borrower; the same person may sign in each role, or different people may sign. See [Guide Section 22.10\(a\)](#). The Note must clearly indicate the complete legal name of the Living Trust on the signature page(s).

The Living Trust should be identified using the following format: "the _____ Trust, under Trust Agreement dated MM/DD/YYYY"

You may certify a Note with a Living Trust as the Borrower that uses a signature addendum (a form of Allonge) for the signature of the Trustee(s) only if there is not enough space on the Note for the signature(s) and:

1. Each Settlor (regardless of whether that person is also signed as a Trustee) signed the Note in an individual capacity on the Borrower's signature line--only Trustees' signatures may appear on the signature addendum;
2. The Note clearly references the existence of the signature addendum;
3. The signature addendum is permanently affixed to the Note (taping or pasting the signature addendum to the Note are not acceptable); and
4. The signature addendum references the Borrower, the Note Date, the address of the Mortgaged Premises, and the original principal balance of the Note.

With respect to Living Trusts, the "Settlor" is the person who creates the trust, who may also be referred to as the "Grantor".

The Document Custodian may ask to see the security instrument, or its first and signature pages, **or trust documentation** to verify the name of the trust.

Document Delivery and Processing Procedures

In the selling system, the Seller must deliver a Living Trust Note using the Non individual Borrower Type of "Living Trust". The Borrower name (e.g., "John Q. Public") is entered as unparsed text in the Non individual Borrower Name field. Within the Document Custodian's certification screen view of the selling system, the Borrower name appears in the Primary Borrower Name field exactly as entered which may differ from the normal view of Last, First, Middle.

Should there be a discrepancy between the Borrower name on the Note and the information in the selling system, click the "Enter Discrepancy" button, enter the full name of the person who signed as the Borrower shown on the Note in the Primary Non individual Borrower Name field and remove any entries in the First, Middle and Last name fields. For discrepancies relating to Secondary Borrowers that are Living Trusts, the same protocol would apply.

Acceptable		Acceptable	
Signature	<u>John Q. Public</u>	Signature	<u>John Q. Public</u>

		Signature	<u>John Q. Public</u>
		Typed Name	John Quincy Public, as Trustee of the John Quincy Public Trust dated MM/DD/YYYY
One signature used to indicate that the signatory is executing the document as both individually as Settlor and as trustee.		Borrower executed the Note with one signature individually as Settlor plus a second signature as trustee.	

Signature by a Conservator or Guardian

A conservator is someone who has been given authority over the affairs of an individual deemed to be legally incompetent. If a conservator signs a Note as Borrower, then a copy of the court document that appoints that person as conservator for the Borrower must be included with the Note.

Power of Attorney

If the Note is executed on behalf of the Borrower by an attorney-in-fact pursuant to a Power of Attorney (POA), it must be clear that the Note has been signed by an attorney-in-fact. **You must verify that the POA is dated on or before the Note Date.**

The Seller must deliver the original notarized POA. The Document Custodian is not expected to review the content of the POA. See [Guide Section 16.5](#) for additional information.

A general POA may be used by the signatory to execute the Note if that is permitted under the law of the State in which the Mortgaged Premises is located.

Freddie Mac requires that a POA be notarized even if state law or local customs do not.

When the Seller delivers the Note together with a written statement that the use of a POA must be permitted by applicable law, the Document Custodian need not validate any aspect of such written statement but must retain it in the Note file. Delivery of such a written statement is not required for every Note executed by

Document Delivery and Processing Procedures

POA, and the Document Custodian has no responsibility to ask for one if it is not delivered.

Acceptable	May be Acceptable
<p>Signature <u>Samuel Signatory, Attorney-in-Fact for John Quincy Public</u></p> <p>Typed Name <u>Quincy Public</u> John Quincy Public</p> <p>The signature indicates that Samuel Signatory is executing the document under a POA from John Quincy Public.</p> <p>The POA designating Samuel Signatory as John Quincy Public's Attorney-In-Fact for execution of Mortgage documents that is in effect on the date the documents were signed must be received and attached to the Note.</p>	<p>Signature <u>Samuel Signatory</u> Typed Name John Quincy Public</p> <p>This is not acceptable if the Note is received with no additional documentation.</p> <p>Seller must provide documentation to support Samuel Signatory's authority to execute the Note on the Borrower's behalf.</p> <p> This manner of signature is not a preferred method of executing a document under a POA, since it is not clear why or under what authority Samuel Signatory is executing the document.</p>

Freddie Mac will accept a POA that is notarized by a military officer if the notarization is made pursuant to the Servicemember's Civil Relief Act §506(b), which permits a service member during a period of military service to make an affidavit "before... any superior commissioned officer." See also [Guide Section 82.1](#).

If the original POA is missing:

- A copy is acceptable if the original POA has been sent to the recorder's office or the copy contains recordation information.
- You must notify the Seller/Servicer if the original POA is missing for Notes in a Subsequent Transfer of Servicing.

See [Guide Section 16.5](#).

Uniform Instruments

The Guide requires that all Notes be executed on the Uniform Instruments (1-4 Family) for the jurisdiction where the Mortgaged Premises are located. Freddie Mac does not expect Document Custodians to conduct further verification regarding the printed or standard text of the Note if the agency tagline indicating a Uniform Instrument is present. See [Guide Section 6.7](#); the Forms are listed in [Exhibit 4](#) "Single-Family Uniform Instruments," and at www.FreddieMac.com/uniform.

The following apply to ensure that the Note(s) meet the Uniform Instruments requirement.

- The agency identifier tagline must appear on each page of the Note; a Note without the agency tagline will be considered non-standard.
- Unless specified in the Purchase Documents, the Document Custodian may not certify a Note that is not executed on a Uniform Instrument. The Seller must be contacted and the Note returned.

Document Delivery and Processing Procedures

- Sellers may reprint Uniform Instruments on their own letterhead, by computer, or otherwise as they choose. However, the text of the Uniform Instruments must remain unchanged and the tagline identifying the instrument as a Uniform Instrument must remain a part of the document—either “Fannie Mae/Freddie Mac,” “Freddie Mac” or “Fannie Mae.”
- We do not object to supplemental tag line information by forms companies or the lender; however, the original verbiage in the tag line of the Uniform Instrument may not be changed.
- Form numbers do not change when Guide Exhibit 4 is updated.
- As new generations of instruments are developed, and electronic format replaces hard copy forms, Freddie Mac may explore new methods of denoting legally required changes in the Uniform Instrument form number.

The Spanish translations of certain Uniform Instruments that are available on Freddie Mac's website are for borrower education and reference only and are not acceptable as original, signed mortgage documents. They may be found at <http://www.freddiemac.com/uniform/spanish.html>.

Lost Note Affidavits

In certain instances, you may receive a Lost Note Affidavit (LNA) instead of the original Note. If the LNA meets these requirements, you may verify loan data on the Note copy attached to the LNA. The LNA must be placed in the Note file in lieu of the Note.

- The LNA must be an original, signed in ink by an officer of the Seller.
- The LNA must be notarized.
- The LNA must be addressed to Freddie Mac. If you receive an LNA addressed otherwise, contact Freddie Mac (see **Guide** Directory 9).
- The LNA must include:
 - The name of each Borrower on the Note,
 - The original principal amount of the Note, and
 - The Note Date.
- A complete copy of the entire missing Note must be attached to the LNA, including all required signatures and endorsements complete to the Seller.
- The Seller must provide you with evidence that Freddie Mac has approved delivery of an LNA. This may include a copy of the portion of the Purchase Documents between Freddie Mac and the Seller that identifies specific Mortgages. If there is a specific mortgage list, the Document Custodian must ensure that each LNA received is included on that list. If the Seller submits other written documentation, it must indicate that Freddie Mac has approved the LNAs and list the affected Mortgages.

Document Delivery and Processing Procedures

If the LNA meets these requirements, you must verify the loan data from the Note copy attached to the LNA. The LNA and Note copy must be filed in the Note file in lieu of the Note.

If the copy of the Note does not include the complete endorsement chain, the LNA must contain a statement to the effect that the photocopy of the Note was made in the ordinary course of business prior to the Note's endorsement. Original endorsements on the Note copy are not acceptable.

If, after Freddie Mac purchases a Mortgage with a LNA, the Servicer recovers the original Note, the Servicer should deliver it to you together with a signed "Found Note Certification" form (See Appendix C) that identifies the related Mortgage and contains certain representations relating to the original Note. You must review the Note to verify that it is an original document that matches the copy of the note attached to the LNA: if it is, you should place the original Note in the Mortgage file, execute the Found Note Certification form where indicated and return the form, together with the complete LNA, to the Servicer. The Servicer will then contact Freddie Mac, and your duties and responsibilities with respect to the original Note are the same as if it had been delivered to you prior to Freddie Mac's purchase of the related Mortgage. If the Servicer is unfamiliar with this process, please instruct them to contact Freddie Mac ([Guide Directory 9](#)) directly.

Endorsements

When a Note is sold to Freddie Mac, the Seller must endorse the Note in blank "Pay to the order of" Please contact Freddie Mac ([Guide Directory 9](#)) if you receive an endorsement in another form or with alternate language. While you may certify a Note endorsed "Payable to . . .", we will ask the Seller to change their practice for the future. The following must be clearly typed or printed:

- The name of the institution making the endorsement ("Seller-endorser")
- The name and title of the individual authorized to sign
- Document Custodians cannot act as Attorney-in-Fact, Agent or Delegatee or pursuant to a power-of-attorney to endorse Notes for the Seller

If the endorser is "doing business as," it must provide both the formal or current corporate name and the **alternative** name.

Endorsements must be complete from the payee on the Note to the Seller of the **Note** to Freddie Mac. There may not be further endorsements as long as Freddie Mac owns the **Note**.

Notes that Sellers have "endorsed" using stickers are not acceptable, and Document Custodians must reject Notes endorsed using such a method. For an endorsement to be certified by a Document Custodian pursuant to Guide Section 16.4(a), the endorsement must be made directly on the Note with an ink signature or with a facsimile signature, as permitted by Section 16.4(d). An Allonge that meets all of the conditions set forth in Section 16.4(e) may also be used to endorse a Note. Use of stickers to affix signatures does not satisfy Freddie Mac's requirements for either an endorsement on the Note or an Allonge.

Document Delivery and Processing Procedures

The following are examples of blank endorsements:

Without Recourse

PAY TO THE ORDER OF _____ (Leave Blank)
WITHOUT RECOURSE
_____ (Name of Seller-endorser)
_____ (Signature of duly authorized officer)
_____ (Typed name and title of signatory)

With Recourse

PAY TO THE ORDER OF _____ (Leave Blank)
_____ (Name of Seller-endorser)
_____ (Signature of duly authorized officer)
_____ (Typed name and title of signatory)

Most Notes are sold to Freddie Mac without recourse; however, Document Custodians are not required to check recourse status of the Notes and have no way of doing so.

Allonges

Allonges are often used to provide additional space for endorsements. You may certify a Note that has an Allonge attached if:

- The Allonge is permanently affixed to the Note (taping or pasting the Allonge to the Note are not acceptable), and
- The Allonge references the Borrower's name, the address of the Mortgaged Premises, and the original principal balance of the Note.

If you receive a non-conforming Allonge, enter the discrepancy in the selling system and await corrective action by the Seller. See [Guide Section 16.4\(f\)](#).

If you receive an Allonge that is dated, you may certify only if the date is on or after the Note date. If you frequently receive Notes from a Seller endorsed this way, please contact Freddie Mac so that we can remind the Seller of our requirements.

Endorsement Chains

The Seller must endorse each Note in blank. When the Seller of the **Note** is not the original payee on the Note, you must verify that the chain of endorsements on the Note is proper and complete from the original payee to the Seller.

After Freddie Mac purchases the **Note**, no other endorsements or changes to endorsements on the Notes are permitted without Freddie Mac's prior written consent. In particular, a Transferee Servicer may not endorse or change any endorsement on a Note owned by Freddie Mac.

Document Delivery and Processing Procedures

You may certify Notes endorsed to Freddie Mac rather than endorsed in blank, but if you frequently receive Notes from a Seller endorsed this way, please contact Freddie Mac so that we can remind the Seller of our requirements.

Endorsements may indicate that the endorsing entity is the “successor in interest to” or “successor by merger to” the preceding endorser; this is acceptable. If, however, there is a break in the endorsement chain and the Seller indicates that it is due to a name change or a merger, acquisition or other event that is not indicated in the endorsements themselves, the Seller must deliver documentation (such as an explanatory letter) to substantiate that event. Such documentation might consist of a regulator’s documentation from the state corporation commission (or similar authority) of the state in which the **Mortgaged Premises** is located.

In certain circumstances, the endorsement may not match the formal legal name of the entity. For example, for a company named “Standard Federal Mortgage Bank Incorporated,” the following abbreviations are acceptable if the Document Custodian has a document signed by the Seller’s attorneys stating that those abbreviations are acceptable:

- STD FED MTG BK INC
- STANDARD FEDERAL MTG
- THE STANDARD FEDERAL MORTGAGE BANK
- STND FED MTG INC

The following chart identifies different endorsement issues and the conditions for Freddie Mac acceptance.

Issue	Resolution
Endorsement is missing a signature	Enter the discrepancy in the selling system and wait for corrective action from the Seller. If the Seller advises you that the institution is no longer in business and it is unable to obtain the signature, you must not certify the Note.
Endorsement is a facsimile signature	Acceptable (the Seller must retain documentation in its files to support use of facsimile signatures but the Document Custodian need not verify). A facsimile signature must be made using a process where ink is applied to the Note by a stamp or otherwise, by a person authorized by the Seller to endorse the Note. Endorsements generated on an automated basis by machines, such as those used to sign letters or checks, are not acceptable facsimile signatures.

Endorsement errors or missing endorsements	Enter the discrepancy in the selling system and wait for corrective action from the Seller.
Date has been inserted on blank endorsement	Contact Freddie Mac so that we may remind the Seller of our requirements.
Endorsement has been voided	<p>Acceptable, provided that an authorized signatory of the endorsing institution has initialed the “voided” endorsement.</p>  <p>Be certain that only the <u>erroneous endorsement</u> is marked through or marked “void”; otherwise, it may appear that the entire Note is voided.</p>

Assignments

You must receive an original assignment of the Security Instrument that has been recorded from the original mortgagee on the Security Instrument to the Seller or, if there is a concurrent Transfer of Servicing (TOS), to the Servicer (NOT to Freddie Mac). An officer of the transferring institution must sign the assignment, and the assignment must contain the officer’s name and title.

You must verify that there is no break in the assignment chain. Assignments of the Security Instrument must begin with the original mortgagee (the payee on the Note) and continue unbroken to the Seller, or to the Servicer, if there is a concurrent TOS, or to MERS.

- You must hold all assignments with their related Notes, unless the Mortgage is registered with MERS, and/or
- Servicer has provided you with documentation indicating that it will hold all assignments for Freddie Mac-owned Notes in its Mortgage files. See [Guide Section 47.3](#).

We do not accept assignments to “blank”. Assignments must include the legal name of the entity to which the beneficial interest is being assigned, in most instances, the Servicer.

The following chart identifies different assignment issues and the conditions for Freddie Mac acceptance.

Intervening Assignments for whole or participation Notes not included with delivery	Enter the discrepancy in the selling system and request the Seller to provide Intervening Assignment(s). Do not certify until resolved.
Intervening Assignments sent for recordation, but only a copy is received	Enter the discrepancy in the selling system and ask the Seller to certify and deliver to you a copy (a "Seller-certified copy") of the Intervening Assignment that was sent for recordation.
Assignment chain is broken	Enter the discrepancy in the selling system and notify the Seller of the break. Do not certify until corrected.
Assignment is to "blank"	Return to Seller; Freddie Mac does not accept assignments to "blank". You may not certify. See Guide Section 22.14 .

See [Guide Section 22.14](#) for additional requirements and for the requirements for Mortgages that have been registered with MERS.

Reviewing Supplemental Documentation

We require that the Seller deliver the original assignments and related documentation to you. Sometimes the original is not available because it has been sent to the recorder's office for recordation and has not been returned to the Seller for delivery to you. In such cases, you may certify the Note based on a Seller-certified copy of the assignment or related documentation.

The chart below indicates when original documents are required for certification and when certified copies of documents may be used in lieu of originals.

Document Delivery and Processing Procedures

Document	What is Acceptable
Note	Original or an LNA meeting the requirements above
Note Addendum (for example, Balloon Note Addendum)	Original only
Assumption Agreement	Original only
Power of Attorney (POA)	Original, or a copy with recordation information, unless the original has been sent to the recorder's office. See Guide Section 16.5.
Recorded assignment	Original;
Multistate Agreement to Convert (Form 3180)	<ul style="list-style-type: none"> If original is at the recorder's office for recordation, then a Seller-certified copy is acceptable (until original is received), or Copy certified by clerk of court or recorder's office <u>if</u> the original recorded document is not available
NY CEMA (Form 3172)	
Modification	
Name Affidavit or Signature Affidavit	Original or copy

Document Custodians may receive documentation from the Seller/Servicer after certification is complete. This may occur when the Seller submits a certified copy of a document with the delivery and then sends you the original document after recordation.

When this happens, you must:

- Verify the documentation as you would for any document delivery.
- If the document is an addendum to or modification to the Note, attach it to the Note. Otherwise, place the document in your file with the Note.
- If the document is the original, replace any copy with original, and destroy the copy, unless you have a written agreement with the Servicer to return it to them for destruction.
- If you receive an original Note for a **Mortgage** that you certified based on an LNA, void the LNA and return it to the Servicer for destruction.

Document Delivery and Processing Procedures

Resolving Discrepancies

You must enter any data or document discrepancies for a Note in the selling system. The Seller may receive an email notice that there are proposed changes. The Seller has the option of accepting the proposed data changes or rejecting them. If the Seller

- Accepts all proposed data changes and there are no document discrepancies outstanding, the loan will be automatically certified. You are not required to perform any further action to complete the certification.
- Rejects any of the proposed changes or documentation discrepancies, you must work with the Seller to resolve the issues.

Refer to [the section on Reviewing Certification Issues in the Certifying Mortgages for Freddie Mac User Guide](#) for **accessing and processing** certification issues after you have entered proposed changes or documentation discrepancies in the selling system.

You must not certify a Mortgage for which you have identified data or document discrepancies until the discrepancies have been corrected.

Post-Certification Corrections to Notes

On occasion, a Seller/Servicer will ask to correct or change a Note after it has been certified. Please direct the Seller/Servicer to Freddie Mac. Freddie Mac strongly encourages corrections or changes to a Note using a modification. **Under no circumstances should the Document Custodian return a Note to the Seller/Servicer for correction, nor should the Seller/Servicer be permitted to 'substitute' a replacement note for the Note held by the Document Custodian that has been certified for purchase by, or purchased by, Freddie Mac.**

New York Consolidation, Extension and Modification Agreements (“NY CEMAs”)

A New York Consolidation, Extension and Modification Agreement ([Form 3172](#)) is often used to finance debt secured by property in New York state in lieu of canceling and releasing an existing lien, **and is for use only in New York State**. The NY CEMA process permits borrowers to avoid a portion of the mortgage recordation tax due for a transaction: because the tax on the outstanding mortgage balance has already been paid, the borrower pays tax only on the amount of money borrowed that exceeds the balance of the existing mortgage. The result is that the Borrower has a single, consolidated loan obligation, evidenced by a Consolidated Note that is payable in accordance with the terms of the NY CEMA.

Certification

If Freddie Mac purchases a Mortgage originated with a NY CEMA, the delivery must include a new original Consolidated Note, together with the NY CEMA with applicable Exhibits and all assignments. **The following documents must be present for certification of a NY CEMA Mortgage:**

Document Delivery and Processing Procedures

- In connection with a current financing evidenced by a NY CEMA, Form 3172 1/01 and Form 3172 1/01 (rev. 5/01), the Borrower must execute a **new original Note**, referred to as the **Consolidated Note**, that consolidates, extends and modifies the Original Old Money Note and the Original New Money (Gap) Note, if any. A Consolidated Note was not required with NY CEMA Form 3172 7/86, although one may have been executed.
- If a Seller delivers a NY CEMA Mortgage that refinanced a NY CEMA Mortgage previously owned by Freddie Mac, you may receive for certification the Note and assignments that you released along with a **new original Consolidated Note**, a **new NY CEMA** and a **new assignment**. The new NY CEMA Mortgage will have a new Freddie Mac loan number, and you must track it using this new number.

The NY CEMA, Form 3172, is a Fannie Mae/Freddie Mac Uniform Instrument, and may be used for Mortgaged Premises located in New York only.

See [Guide Sections 6.8.1](#) and [16.8\(a\)](#) for further information on documentation required to certify NY CEMA Mortgages for Freddie Mac.

If the recorder's office has not returned the recorded NY CEMA in time for it to be delivered for certification, the Seller must deliver a copy of the document (or the NY CEMA) sent for recordation, certified by a corporate officer of the Seller as a true and complete copy. If the original recorded NY CEMA is returned by the recording office, the Servicer must forward it to you for maintenance in the Note file.

Assignments

If the Seller delivering the NY CEMA is not named in the prior mortgages listed in the NY CEMA, you should receive a recorded Intervening Assignment for each change in mortgage ownership. (Refer to "MERS Registered Mortgages" below in this chapter for information on assignments for those Mortgages.)

MERS-Registered Mortgages

MERS is the Mortgage Electronic Registry System, Inc., a database that is accessible on-line and contains real property and ownership information commonly found in closing documents, public land records, and Mortgage assignments. Mortgages registered with MERS appear in the public land records with MERS as the Mortgagee of Record.

Freddie Mac purchases MERS-registered Mortgages closed with MERS as the Original Mortgagee of Record, as well as those closed with MERS as the assignee. All MERS-registered Mortgages are subject to the same representations and warranties as the other mortgages that we purchase.

Each MERS-registered Mortgage must have either a recorded assignment to MERS or be closed on a security instrument that names MERS as the nominee. The Seller must include the MIN (the 18-digit Mortgage Identification Number

Document Delivery and Processing Procedures

assigned to each Mortgage registered with MERS); it remains with the Mortgage throughout its term. Document Custodians are not required to verify the MIN.

If the Mortgage was closed with MERS as the original mortgagee (a MOM loan), the Seller must inform you that the Mortgage was closed on a security instrument that names MERS as the Mortgagee of Record and transmit the MIN with the delivery data. The Servicer may elect to hold the assignments for MERS-registered Mortgages; in this case, the Servicer certifies the MERS assignment chain.

If you have general questions about MERS or MERS-registered mortgages, please contact the MERS corporate offices. Information for how to contact MERS is available on the MERS website: <http://www.mersinc.org/about-us/contact-us>.

For Mortgages registered with MERS after sale to Freddie Mac, the Servicer will inform MERS that we are the investor and give MERS the Freddie Mac loan number; MERS will then notify Freddie Mac. You and the Servicer must agree as to how the Servicer will notify you of the change in status of these **Mortgages**.

Retention Period

For Mortgages certified in the selling system, Document Custodians are not required to retain a copy of Form 1034E.

Document Release Procedures

Introduction

As Document Custodian, you are responsible for safeguarding Freddie Mac's Notes. Seller/Servicers may need to obtain physical or constructive possession of a Note or other documents in the physical custody of a Document Custodian to take appropriate action in conjunction with the payoff, foreclosure, repurchase, substitution, conversion, modification or assumption of a Mortgage.

When you receive a [Form 1036](#), Request for Physical or Constructive Possession of Documents, or its equivalent, from the Servicer, you are responsible for releasing the requested documents to the Servicer or indicating in your note tracking system, or otherwise, that the Servicer has constructive possession of the Note. The Servicer will hold in trust, for Freddie Mac's benefit, all Notes and assignments that you release to the Servicer, which are not "paid and canceled."

You must track the release and, if applicable, return of these documents in accordance with the requirements in the Guide and this Handbook.

Form 1036 Requirements

The Document Custodian must verify that the [Form 1036](#), or its equivalent, contains the following data:

- Name and address of Document Custodian
- Document Custodial Agreement number (Form 1035)
- Document Custodian Number
- Mortgage information, including:
 - Freddie Mac loan number
 - Primary Borrower's last name
 - Original Note date
 - Seller/Servicer loan number
 - Property address
- Type of document requested (e.g., modifying instrument)
- Type of possession requested (physical release or constructive possession)
- Reason for request
- Authorized signature of Servicer, including name, title, and date signed
- Phone number of individual at the Seller/Servicer making the request
- Email address of individual at the Seller/Servicer making the request

If the form is incomplete or inconsistent with your records, you must contact the Servicer to resolve the issue.

Document Release Procedures

If the Document Custodian verifies that the Form 1036, [or its equivalent](#), is complete, the Document Custodian must sign and date the [Form 1036, or its equivalent](#), indicating the name and title of the signer, and, [if the request was for physical release of document, return](#) the form to the Servicer along with the requested documents. You must also update your Note tracking system to indicate, at a minimum, the date the document was released and the reason it was released.

If a requested Note is missing or badly damaged, see Chapter 3 of this Handbook on Lost Note Affidavits.

[If the Seller/Servicer indicates that it requires constructive possession of a Note, then the Document Custodian must so indicate on its note tracking system or otherwise and retain physical custody of the Note in trust for the benefit of the Seller/Servicer until the Seller/Servicer delivers either Form 1036, or its equivalent, requesting that either \(i\) the Document Custodian release and deliver the Note to the Seller/Servicer or \(ii\) the Seller/Servicer no longer has need for constructive possession of the Note, in which case the Document Custodian shall restore its note tracking system or other records to indicate that it holds the Note, in trust, for the sole benefit of Freddie Mac.](#)

An **Electronic or system-generated** Form 1036, [or its equivalent](#), must contain all of the data elements that appear on the paper form, including an Electronic Signature. A single Electronic form can be used to request multiple Notes, provided that the release type for each Note is indicated on the form, and a Note list is attached. You must record the reason the documents were returned and file the Form 1036, [or its equivalent](#), with the returned documents.

If an Electronic Form 1036, [or its equivalent](#), is used, the Document Custodian must retain it and the list of individuals who have been designated by the Servicer to request the release of the documents electronically. **See [Guide Section 18.6\(e\)](#) for details on these alternative versions of the Form 1036, or its equivalent, and the required agreement between the Document Custodian and the Servicer.**

Document Release Types

Upon receipt of a properly completed and executed [Form 1036, or its equivalent](#), you must release the requested documents to the Servicer and retain the original or an imaged copy of the form pursuant to the requirements of [Guide Section 18.6](#).

Below are examples of release types:

- Maturity
- Foreclosure
- Recordation of assignment
- Substitution

Document Release Procedures

- Assumption
- Prepayment
- Repurchase
- Other, must include an explanation (may not indicate 'correction' or similar)
- Modification
- Conversion
- New York CEMA

If 'Other' is checked as the Reason for Request, the explanation should indicate redemption, deed-in-lieu or short sale. Contact Freddie Mac with any questions.

New York Consolidation, Extension and Modification Agreement (“NY CEMA”) Mortgage Note Release Procedures

Servicers may occasionally request release of an original Note and assignments to facilitate refinancing. To consolidate, extend and modify a Mortgage secured by Mortgaged Premises in New York State and owned by Freddie Mac, a Borrower must notify the Servicer of their intention to refinance using a NY CEMA. The Servicer must request release in order to prepare the documents needed to facilitate the NY CEMA process.

We strongly recommend that you make a complete copy of the Notes and assignments that you release in anticipation of a refinancing using NY CEMAs, and we require both you and the Servicer to track all such released documents. The Servicer must notify the Document Custodian when the Note is paid in full or return the released documents if the refinance is cancelled or closing does not occur within 60 days. We suggest that you prompt the Servicer if it has not received either the released Notes and assignments or notice of the payment in full within 45 days after the document release. If the Servicer does not respond within 60 days after the document release, you must contact Freddie Mac, and provide the Freddie Mac loan number of the Note that was released, so that we may follow-up with the Servicer and take any necessary action.

Paid in Full Notes

Paid-in-full Notes (e.g., reached maturity, prepaid) must be returned to the Servicer promptly upon receipt of Form 1036, [or its equivalent](#), in order to comply with [Guide Section 59.3](#), which requires that statutory timeframes be met. In many states, the Servicer must satisfy the lien in the land records within 30 days and may need the original Note to complete their lien release process.

Return of Released Documents

If a Note was released and subsequently returned to your custody, you must receive a copy of the [Form 1036](#), [or its equivalent](#), if it was in hardcopy, from the

Document Release Procedures

Servicer, together with the Note and related documents. You must review the documents to ensure that you have received all of the documents that you released; you may find it helpful to have a complete photocopied set to use for verification. You must then update your note tracking system to reflect return of the documents.

If the Seller/Servicer had constructive possession of a Note, you must receive a copy of the [Form 1036](#), or its equivalent, with a request for termination of constructive possession. You must then update your note tracking system or other records to reflect the termination of constructive possession.

Under no circumstances should the Document Custodian knowingly accept a ‘substitute,’ corrected, or replacement Note in place of the original that was released. If any of the data elements have been altered, you receive a copy instead of the original you sent, or supplemental documentation sent with the Note is not returned, i.e. POA, modification, Allonge, etc., you must contact Freddie Mac for assistance in resolving the issue.

Control and Safekeeping of Released Documents

You must document the reason for release of all documents except for those released due to maturity, prepayment, or repurchase. You must update the Note tracking system to reflect the date on which documents are returned.

See [Guide Section 18.6\(e\)](#) for more information about the control and safekeeping of released documents.

Retention Period

You must retain the original or imaged copy of the [Form 1036](#), or its equivalent, for our inspection for at least three months in either a central location or the related Note file after the Mortgage is paid off, the Note is returned to you, or constructive possession is terminated. As with all documents that contain Borrower information, you must maintain and dispose of Form 1036, or its equivalent, in a manner that ensures Borrower confidentiality and privacy. See [Guide Sections 18.6\(e\)](#) and [\(g\)](#).

Subsequent Transfers of Servicing and Custody Procedures

Introduction

This chapter provides the requirements and additional guidance necessary to move or recertify Freddie Mac Notes and assignments as part of a Subsequent Transfer of Servicing (TOS) or transfer of custody. It also identifies the roles and responsibilities for all parties:

- Transferor Servicer
- Transferor Document Custodian
- Transferee Servicer
- Transferee Document Custodian
- Freddie Mac

Please refer to [Guide Chapters 18](#) and [56](#) or consult with the Seller/Servicer, as appropriate, for more information.

A TOS or transfer of custody requiring Freddie Mac's approval may occur as a result of an organization change to, or merger or acquisition of, a Servicer or Document Custodian. See [Guide Section 4.13](#) and Chapter 2 of this Handbook for additional information.

See [below](#) for specific handling of MERS Registered Mortgages.

General Responsibilities

Within 30 days following the Effective Date of Transfer, the Transferor Servicer must deliver an executed [Form 1034T](#), Subsequent Transfer Custodial Certification Schedule, and the Transferor Document Custodian must deliver the Notes, together with any documentation regarding MERS-registered Mortgages and those closed with MERS as the original Mortgagee of record, to the Transferee Document Custodian.

Within 180 days following:

- The Effective Date of Transfer for a TOS, and
- Written notice of a transfer for a transfer of custody,

The Transferee Document Custodian must deliver the Form 1034T to Freddie Mac on behalf of itself and the Transferee Servicer. By executing and submitting the Form 1034T, both the Transferor Servicer and Transferor Document Custodian represent and warrant to Freddie Mac that the information regarding the Notes is accurate and that the required certifications have been made.

For a TOS where there is no change in Document Custodian, Note recertification is not required, but you must receive and review applicable assignments from the Transferor Servicer prior to submitting the Form 1034T to Freddie Mac and by the recertification due date.

Subsequent Transfers of Servicing and Custody Procedures

For transfers of custody, the Transferor Servicer must deliver the signed Form 1034T to the Transferee Document Custodian within 30 days following the transfer.

Questions regarding the Document Custodian's role in the transfer process must be directed to the Servicer or Freddie Mac. Questions regarding the approval of a Document Custodian must be directed to [Freddie Mac's Counterparty Credit Risk Management department \(CCRM\) \(Guide Directory 1\)](#) at:

Attn: Counterparty Credit Risk Management
Freddie Mac
1551 Park Run Drive, MS D3A
McLean, VA 22102-3110
Phone: (571) 382-3434 Opt. 2
Fax: (866) 743-0087

The Effective Date of Transfer for a Subsequent TOS is always the 16th day of the month.

The Transferee and Transferor Document Custodian must receive at least 30 days prior notice from the Servicer or Freddie Mac of a transfer of custody. Freddie Mac can require an immediate transfer.

Evidence of Transferee Document Custodian Approval

As the Transferor Document Custodian, must verify that Freddie Mac approved the Transferee Document Custodian to hold Freddie Mac Notes and assignments for the Transferee Servicer. A copy of the first page and the signature page(s) of a fully executed [Form 1035](#) evidences this approval. The Transferor Document Custodian must never move the files to another Document Custodian without this evidence.

Transferor Document Custodian Responsibilities

Within 30 days after the Effective Date of Transfer, the Transferor Document Custodian must receive from the Transferor Servicer:

- For a [TOS](#), a copy of the [TOS](#) approval letter.
- For a transfer of custody, a copy of the first page and the signature page of a fully executed [Form 1035 for the Transferee Document Custodian](#).
- [Form 1034T](#) listing all Notes included in the TOS.
- A properly prepared and recorded assignment for each Note, if applicable.

The Transferor Document Custodian must:

- Verify that Freddie Mac has approved the [TOS](#) and that there is an executed Form 1035 for that Transferee Document Custodian relationship, and

Subsequent Transfers of Servicing and Custody Procedures

- Forward the Form 1034T and the Notes along with the newly prepared assignments, when applicable, to the Transferee Document Custodian.

Transferee Document Custodian Responsibilities

Within 30-days of the Effective Date of Transfer, the Transferee Custodian must receive from the Transferor Custodian the original [Form 1034T](#) listing all Notes included in the TOS, the Notes and all Note file contents, including all assignments.

The Transferee Document Custodian must:

1. Verify the following data on the Form 1034T to the data on the Notes:
 - Borrower's Name
 - Property address (number and street, city, state)
 - Freddie Mac loan number, if present on the face of the Note; otherwise, validate the Freddie Mac loan number against data in electronic files or records provided by the Transferee Servicer.
2. Review custodial file contents.
3. Verify that the chain of Note endorsements begins with the original payee and ends with an endorsement in blank.
4. Verify that the loan is registered with MERS or that the chain of Note assignments begins with the original payee of the loan and ends with an assignment to the Transferee Servicer. See [Guide Chapter 22](#) for details.
5. Notify the Transferee Servicer of any discrepancies with the Notes and assignments and must not certify until resolved by the Transferee Servicer.
6. Once all issues are resolved and recertification is complete, forward the original Form 1034T to Freddie Mac within 180 days of the Effective Date of Transfer for a TOS or 180 days of receipt of written notice from the Servicer or Freddie Mac of a transfer of custody. See [Guide Section 56.9\(b\)](#) and Chapter 3 of this Handbook.

For a TOS that does not involve a transfer of custody, the Document Custodian may omit items 2 and 3.

The Transferor Document Custodian must cooperate with the Transferee Document Custodian to affect a smooth and orderly transfer. It is the responsibility of the Transferor Document Custodian to work with the Transferor and Transferee Servicers, the Transferee Document Custodian and Freddie Mac, as necessary, to cure all document deficiencies prior to recertification of the Notes.

Termination of Custodial Agreement

If you receive notice that your [Form 1035](#) is to be terminated, you must forward the Notes and assignments you hold to a Transferee Document Custodian as instructed by the Servicer and/or Freddie Mac. [Form 1036](#), Request for Release of Documents, is not used for this type of Note release. You will receive written notification from Freddie Mac concerning the termination and concerning where the Notes should be delivered.

You are not released from your obligations pursuant to Form 1035 until recertification of the transferred Notes is complete, which may be up to 180 days following physical transfer of the Notes.

Extension Approval

If recertification of Notes cannot be completed by the 180 day deadline, the Transferee Document Custodian must notify Freddie Mac prior to the deadline and request an extension. The request must include a detailed description of the issues outstanding for each Note, and actions taken to resolve the issue. Your request must also indicate the Seller/Servicer number, contact name, address, phone number and email address. The Servicer is ultimately responsible for delivering the [Form 1034T](#) to us.

The Transfer of Servicing Extension Request and Issues Log is available at <http://www.freddiemac.com/cim/forms.html>.

Processing Balloon/Reset Mortgages

Introduction

A Balloon/Reset Mortgage is a fixed-rate, level payment Mortgage with principal and interest payments based on an amortization schedule that would pay off the principal balance in 360 months. The unpaid principal balance (UPB) of the Balloon Note on the Balloon Maturity Date is due as a lump sum after either five or seven years, unless the Borrower exercises the Reset Option pursuant to the Balloon Note Addendum and the Balloon Option of Modification. This chapter describes the Document Custodian's responsibilities if the Borrower elects to reset their Balloon/Reset Mortgage. Guide Chapter A83 provides detailed information on the reset process. Guide Sections 18.9 and A83.60 provide detailed information and requirements regarding delivery of Reset Mortgage documents to the Document Custodian.

Processing Balloon/Reset Mortgages

Servicers must deliver the following documentation for the Reset Mortgage to the Document Custodian that holds the original Note in time for the documents to be certified:

- [Exhibit 80](#), Multistate Balloon Loan Modification (Form 3293). See [Guide Exhibit 4](#), Single-Family Uniform Instruments
- Custodial Certification Schedule Balloon Loan Modification ([Form 1034B](#))

Certifying Balloon Loan Modifications

The [Form 1034B](#) must be delivered to Freddie Mac no later than 10 calendar days after the Balloon Maturity Date. For any Form 1034B received after the 10th calendar day, the Servicer will be assessed a one-time late charge of \$100.

1. BORROWER'S PROMISE TO PAY

Note Amount (7)

In return for a loan that I have received, I promise to pay U.S. \$ _____ (this amount is called "Principal"), plus interest, to the order of the Lender. The Lender is _____

_____. I will make all payments under this Note in the form of cash, check or money order.

I understand that the Lender may transfer this Note. The Lender or anyone who takes this Note by transfer and who is entitled to receive payments under this Note is called the "Note Holder."

2. INTEREST

Note Rate Percent (8)

Interest will be charged on unpaid principal until the full amount of Principal has been paid. I will pay interest at a yearly rate of _____ %.

The interest rate required by this Section 2 is the rate I will pay both before and after any default described in Section 6(B) of this Note.

3. PAYMENTS

(A) Time and Place of Payments

Scheduled First Payment Date (9)

I will pay principal and interest by making a payment every month.

I will make my monthly payment on the _____ day of each month beginning on _____. I will make these payments every month until I have paid all of the principal and interest and any other charges described below that I may owe under this Note. Each monthly payment will be applied as of its scheduled due date and will be applied to interest before Principal. If, on _____, 20____, I still owe amounts under this Note, I will pay those amounts in full on that date, which is called the "Maturity Date."

Loan Maturity Date (10)

I will make my monthly payments at _____ or at a different place if required by the Note Holder.

(B) Amount of Monthly Payments

Initial Principal and Interest Payment Amount (11)

My monthly payment will be in the amount of U.S. \$ _____

4. BORROWER'S RIGHT TO PREPAY

I have the right to make payments of Principal at any time before they are due. A payment of Principal only is known as a "Prepayment." When I make a Prepayment, I will tell the Note Holder in writing that I am doing so. I may not designate a payment as a Prepayment if I have not made all the monthly payments due under the Note.

I may make a full Prepayment or partial Prepayments without paying a Prepayment charge. The Note Holder will use my Prepayments to reduce the amount of Principal that I owe under this Note. However, the Note Holder may apply my Prepayment to the accrued and unpaid interest on the Prepayment amount, before applying my Prepayment to reduce the Principal amount of the Note. If I make a partial Prepayment, there will be no changes in the due date or in the amount of my monthly payment unless the Note Holder agrees in writing to those changes.

5. LOAN CHARGES

If a law, which applies to this loan and which sets maximum loan charges, is finally interpreted so that the interest or other loan charges collected or to be collected in connection with this loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from me which exceeded permitted limits will be refunded to me. The Note Holder may choose to make this refund by reducing the Principal I owe under this Note or by making a direct payment to me. If a refund reduces Principal, the reduction will be treated as a partial Prepayment.

6. BORROWER'S FAILURE TO PAY AS REQUIRED

(A) Late Charge for Overdue Payments

If the Note Holder has not received the full amount of any monthly payment by the end of _____ calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be _____% of my overdue payment of principal and interest. I will pay this late charge promptly but only once on each late payment.

(B) Default

If I do not pay the full amount of each monthly payment on the date it is due, I will be in default.

(C) Notice of Default

If I am in default, the Note Holder may send me a written notice telling me that if I do not pay the overdue amount by a certain date, the Note Holder may require me to pay immediately the full amount of Principal which has not been paid and all the interest that I owe on that amount. That date must be at least 30 days after the date on which the notice is mailed to me or delivered by other means.

(D) No Waiver By Note Holder

Even if, at a time when I am in default, the Note Holder does not require me to pay immediately in full as described above, the Note Holder will still have the right to do so if I am in default at a later time.

(E) Payment of Note Holder's Costs and Expenses

If the Note Holder has required me to pay immediately in full as described above, the Note Holder will have the right to be paid back by me for all of its costs and expenses in enforcing this Note to the extent not prohibited by applicable law. Those expenses include, for example, reasonable attorneys' fees.

7. GIVING OF NOTICES

Unless applicable law requires a different method, any notice that must be given to me under this Note will be given by delivering it or by mailing it by first class mail to me at the Property Address above or at a different address if I give the Note Holder a notice of my different address.

Any notice that must be given to the Note Holder under this Note will be given by delivering it or by mailing it by first class mail to the Note Holder at the address stated in Section 3(A) above or at a different address if I am given a notice of that different address.

8. OBLIGATIONS OF PERSONS UNDER THIS NOTE

If more than one person signs this Note, each person is fully and personally obligated to keep all of the promises made in this Note, including the promise to pay the full amount owed. Any person who is a guarantor, surety or endorser of this Note is also obligated to do these things. Any person who takes over these obligations, including the obligations of a guarantor, surety or endorser of this Note, is also obligated to keep all of the promises made in this Note. The Note Holder may enforce its rights under this Note against each person individually or against all of us together. This means that any one of us may be required to pay all of the amounts owed under this Note.

9. WAIVERS

I and any other person who has obligations under this Note waive the rights of Presentment and Notice of Dishonor. "Presentment" means the right to require the Note Holder to demand payment of amounts due. "Notice of Dishonor" means the right to require the Note Holder to give notice to other persons that amounts due have not been paid.

10. UNIFORM SECURED NOTE

This Note is a uniform instrument with limited variations in some jurisdictions. In addition to the protections given to the Note Holder under this Note, a Mortgage, Deed of Trust, or Security Deed (the "Security Instrument"), dated the same date as this Note, protects the Note Holder from possible losses which might result if I do not keep the promises which I make in this Note. That Security Instrument describes how and under what conditions I may be required to make immediate payment in full of all amounts I owe under this Note. Some of those conditions are described as follows:

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The interest rate I will pay may change on the first day of _____, and on that day every 60th month thereafter. Each date on which my interest rate could change is called a "Change Date."

First Rate Adjustment Effective Date (14)

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of five years, as made available by the Federal Reserve Board. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index."

Index Source Type (15)

Interest and Payment Adjustment Index Lead Days Count (16)

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding _____ percentage points (_____ %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

Margin Rate Percent (17)

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the Maturity Date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

Interest Rate Rounding Percent (18)

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than

_____ % or less than _____ %.
Thereafter, my interest rate will never be increased or decreased on any single Change Date by more than two percentage points (2.0%) from the rate of interest I have been paying for the preceding 60 months. My

Subsequent Rate Adjustment Maximum Increase/Maximum Decrease Rate Percent (19)

Ceiling Rate Percent (20)

interest rate will never be greater than _____ %.

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given to me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

5. BORROWER'S RIGHT TO PREPAY

I have the right to make payments of Principal at any time before they are due. A payment of Principal only is known as a "Prepayment." When I make a Prepayment, I will tell the Note Holder in writing that I am doing so. I may not designate a payment as a Prepayment if I have not made all the monthly payments due under the Note.

I may make a full Prepayment or partial Prepayments without paying a Prepayment charge. The Note Holder will use my Prepayments to reduce the amount of Principal that I owe under this Note. However, the Note Holder may apply my Prepayment to the accrued and unpaid interest on the Prepayment amount, before applying my Prepayment to reduce the Principal amount of the Note. If I make a partial Prepayment, there will be no changes in the due dates of my monthly payment unless the Note Holder agrees in writing to those changes. My partial Prepayment may reduce the amount of my monthly payments after the first Change Date following my partial Prepayment. However, any reduction due to my partial Prepayment may be offset by an interest rate increase.

6. LOAN CHARGES

If a law, which applies to this loan and which sets maximum loan charges, is finally interpreted so that the interest or other loan charges collected or to be collected in connection with this loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from me which exceeded permitted limits will be refunded to me. The Note Holder may choose to make this refund by reducing the Principal I owe under this Note or by making a direct payment to me. If a refund reduces Principal, the reduction will be treated as a partial Prepayment.

7. BORROWER'S FAILURE TO PAY AS REQUIRED

(A) Late Charges for Overdue Payments

If the Note Holder has not received the full amount of any monthly payment by the end of _____ calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be _____% of my overdue payment of principal and interest. I will pay this late charge promptly but only once on each late payment.

(B) Default

If I do not pay the full amount of each monthly payment on the date it is due, I will be in default.

(C) Notice of Default

If I am in default, the Note Holder may send me a written notice telling me that if I do not pay the overdue amount by a certain date, the Note Holder may require me to pay immediately the full amount of Principal which has not been paid and all the interest that I owe on that amount. That date must be at least 30 days after the date on which the notice is mailed to me or delivered by other means.

(D) No Waiver By Note Holder

Even if, at a time when I am in default, the Note Holder does not require me to pay immediately in full as described above, the Note Holder will still have the right to do so if I am in default at a later time.

(E) Payment of Note Holder's Costs and Expenses

If the Note Holder has required me to pay immediately in full as described above, the Note Holder will have the right to be paid back by me for all of its costs and expenses in enforcing this Note to the extent not prohibited by applicable law. Those expenses include, for example, reasonable attorneys' fees.

8. GIVING OF NOTICES

Unless applicable law requires a different method, any notice that must be given to me under this Note will be given by delivering it or by mailing it by first class mail to me at the Property Address above or at a different address if I give the Note Holder a notice of my different address.

Any notice that must be given to the Note Holder under this Note will be given by delivering it or by mailing it by first class mail to the Note Holder at the address stated in Section 3(A) above or at a different address if I am given a notice of that different address.

9. OBLIGATIONS OF PERSONS UNDER THIS NOTE

If more than one person signs this Note, each person is fully and personally obligated to keep all of the promises made in this Note, including the promise to pay the full amount owed. Any person who is a guarantor, surety or endorser of this Note is also obligated to do these things. Any person who takes over these obligations, including the obligations of a guarantor, surety or endorser of this Note, is also obligated to keep all of the promises made in this Note. The Note Holder may enforce its rights under this Note against each person individually or against all of us together. This means that any one of us may be required to pay all of the amounts owed under this Note.

10. WAIVERS

I and any other person who has obligations under this Note waive the rights of Presentment and Notice of Dishonor. "Presentment" means the right to require the Note Holder to demand payment of amounts due. "Notice of Dishonor" means the right to require the Note Holder to give notice to other persons that amounts due have not been paid.

11. UNIFORM SECURED NOTE

This Note is a uniform instrument with limited variations in some jurisdictions. In addition to the protections given to the Note Holder under this Note, a Mortgage, Deed of Trust, or Security Deed (the "Security Instrument"), dated the same date as this Note, protects the Note Holder from possible losses which might result if I do not keep the promises which I make in this Note. That Security Instrument describes how and under what conditions I may be required to make immediate payment in full of all amounts I owe under this Note. Some of those conditions are described as follows:

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by Applicable Law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

(C) Monthly Payment Changes

Changes in my monthly payment will reflect changes in the unpaid principal of my loan and in the interest rate that I must pay. The Note Holder will determine my new interest rate and the changed amount of my monthly payment in accordance with Sections 4 or 5 of this Note.

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The interest rate I will pay may change on the first day of _____, _____, and may change on that day every 12th month thereafter. Each date on which my interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding _____ percentage point(s) (_____ %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). (E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given to me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

5. FIXED INTEREST RATE CONVERSION OPTION

Convertible (21)

(A) Option to Convert to Fixed Rate

I have a Conversion Option which I can exercise unless I am in default or this Section 5(A) will not permit me to do so. The "Conversion Option" is my option to convert the interest rate I am required to pay by this Note from an adjustable rate with interest rate limits to the fixed rate calculated under Section 5(B) below.

The conversion can only take place on a date(s) specified by the Note Holder during the period beginning on the first Change Date and ending on the fifth Change Date. Each date on which my adjustable interest rate can convert to the new fixed rate is called the "Conversion Date."

If I want to exercise the Conversion Option, I must first meet certain conditions. Those conditions are that: (i) I must give the Note Holder notice that I want to do so; (ii) on the Conversion Date, I must not be in default under the Note or the Security Instrument; (iii) by a date specified by the Note Holder, I must pay the Note Holder a conversion fee of U.S. \$_____ ; and (iv) I must sign and give the Note Holder any documents the Note Holder requires to effect the conversion.

(B) Calculation of Fixed Rate

My new, fixed interest rate will be equal to the Federal Home Loan Mortgage Corporation's required net yield as of a date and time of day specified by the Note Holder for (i) if the original term of this Note is greater than 15 years, 30-year fixed rate mortgages covered by applicable 60-day mandatory delivery commitments, plus three-eighths of one percentage point (0.375%), or (ii) if the original term of this Note is 15 years or less, 15-year fixed rate mortgages covered by applicable 60-day mandatory delivery commitments, plus three-eighths of one percentage point (0.375%). If this required net yield cannot be determined because the applicable commitments are not available, the Note Holder will determine my interest rate by using comparable information. My new rate calculated under this Section 5(B) will not be greater than the Maximum Rate stated in Section 4(D) above.

(C) New Payment Amount and Effective Date

If I choose to exercise the Conversion Option, the Note Holder will determine the amount of the monthly payment that would be sufficient to repay the unpaid principal I am expected to owe on the Conversion Date in full on the Maturity Date at my new fixed interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment. Beginning with my first monthly payment after the Conversion Date, I will pay the new amount as my monthly payment until the Maturity Date.

6. BORROWER'S RIGHT TO PREPAY

I have the right to make payments of Principal at any time before they are due. A payment of Principal only is known as a "Prepayment." When I make a Prepayment, I will tell the Note Holder in writing that I am doing so. I may not designate a payment as a Prepayment if I have not made all the monthly payments due under the Note.

I may make a full Prepayment or partial Prepayments without paying a Prepayment charge. The Note Holder will use my Prepayments to reduce the amount of Principal that I owe under this Note. However, the Note Holder may apply my Prepayment to the accrued and unpaid interest on the Prepayment amount before applying my Prepayment to reduce the Principal amount of the Note. If I make a partial Prepayment, there will be no changes in the due dates of my monthly payment unless the Note Holder agrees in writing to those changes. My partial Prepayment may reduce the amount of my monthly payments after the first Change Date following my partial Prepayment. However, any reduction due to my partial Prepayment may be offset by an interest rate increase.

7. LOAN CHARGES

If a law, which applies to this loan and which sets maximum loan charges, is finally interpreted so that the interest or other loan charges collected or to be collected in connection with this loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from me which exceeded permitted limits will be refunded to me. The Note Holder may choose to make this refund by reducing the Principal I owe under this Note or by making a direct payment to me. If a refund reduces Principal, the reduction will be treated as a partial Prepayment.

8. BORROWER'S FAILURE TO PAY AS REQUIRED

(A) Late Charges for Overdue Payments

If the Note Holder has not received the full amount of any monthly payment by the end of _____ calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be _____% of my overdue payment of principal and interest. I will pay this late charge promptly but only once on each late payment.

(B) Default

If I do not pay the full amount of each monthly payment on the date it is due, I will be in default.

(C) Notice of Default

If I am in default, the Note Holder may send me a written notice telling me that if I do not pay the overdue amount by a certain date, the Note Holder may require me to pay immediately the full amount of Principal which has not been paid and all the interest that I owe on that amount. That date must be at least 30 days after the date on which the notice is mailed to me or delivered by other means.

(D) No Waiver By Note Holder

Even if, at a time when I am in default, the Note Holder does not require me to pay immediately in full as described above, the Note Holder will still have the right to do so if I am in default at a later time.

(E) Payment of Note Holder's Costs and Expenses

If the Note Holder has required me to pay immediately in full as described above, the Note Holder will have the right to be paid back by me for all of its costs and expenses in enforcing this Note to the extent not prohibited by applicable law. Those expenses include, for example, reasonable attorneys' fees.

9. GIVING OF NOTICES

Unless applicable law requires a different method, any notice that must be given to me under this Note will be given by delivering it or by mailing it by first class mail to me at the Property Address above or at a different address if I give the Note Holder a notice of my different address.

Any notice that must be given to the Note Holder under this Note will be given by delivering it or by mailing it by first class mail to the Note Holder at the address stated in Section 3(A) above or at a different address if I am given a notice of that different address.

10. OBLIGATIONS OF PERSONS UNDER THIS NOTE

If more than one person signs this Note, each person is fully and personally obligated to keep all of the promises made in this Note, including the promise to pay the full amount owed. Any person who is a guarantor, surety or endorser of this Note is also obligated to do these things. Any person who takes over these obligations, including the obligations of a guarantor, surety or endorser of this Note, is also obligated to keep all of the promises made in this Note. The Note Holder may enforce its rights under this Note against each person individually or against all of us together. This means that any one of us may be required to pay all of the amounts owed under this Note.

11. WAIVERS

I and any other person who has obligations under this Note waive the rights of Presentment and Notice of Dishonor. "Presentment" means the right to require the Note Holder to demand payment of amounts due. "Notice of Dishonor" means the right to require the Note Holder to give notice to other persons that amounts due have not been paid.

12. UNIFORM SECURED NOTE

This Note is a uniform instrument with limited variations in some jurisdictions. In addition to the protections given to the Note Holder under this Note, a Mortgage, Deed of Trust, or Security Deed (the "Security Instrument"), dated the same date as this Note, protects the Note Holder from possible losses which might result if I do not keep the promises which I make in this Note. That Security Instrument describes how and under what conditions I may be required to make immediate payment in full of all amounts I owe under this Note. Some of those conditions are described as follows:

(A) UNTIL I EXERCISE MY CONVERSION OPTION UNDER THE CONDITIONS STATED IN SECTION 5 ABOVE, UNIFORM COVENANT 18 OF THE SECURITY INSTRUMENT IS DESCRIBED AS FOLLOWS:

Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by Applicable Law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

(B) IF I EXERCISE MY CONVERSION OPTION UNDER THE CONDITIONS STATED IN SECTION 5 ABOVE, UNIFORM COVENANT 18 OF THE SECURITY INSTRUMENT DESCRIBED IN SECTION 12(A) ABOVE SHALL THEN CEASE TO BE IN EFFECT, AND UNIFORM COVENANT 18 OF THE SECURITY INSTRUMENT SHALL INSTEAD BE DESCRIBED AS FOLLOWS:

Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

1. BORROWER'S PROMISE TO PAY

In return for a loan that I have received, I promise to pay U.S. \$ Note Amount (7) (this amount is called "Principal"), plus interest, to the order of the Lender. The Lender is _____ . I will make all payments under this Note in the form of cash, check or money order.

I understand that the Lender may transfer this Note. The Lender or anyone who takes this Note by transfer and who is entitled to receive payments under this Note is called the "Note Holder."

2. INTEREST

Interest will be charged on unpaid principal until the full amount of Principal has been paid. I will pay interest at a yearly rate of _____ %.

Note Rate Percent
(8)

The interest rate required by Section 2 is the rate I will pay both before and after any default described in Section 6(B) of this Note.

3. PAYMENTS

(A) Time and Place of Payments

I will pay principal and interest by making a payment every month.

I will make my monthly payments on the _____ day of each month beginning on _____ . I will make these payments every month until I have paid all of the principal and interest and any other charges described below that I may owe under this Note. Each monthly payment will be applied as of its scheduled due date and will be applied to interest before Principal. If,

Scheduled First Payment
Date (9)

on _____ , I still owe amounts under this Note, I will pay those amounts in full on that date, which is called the "Maturity Date."

Loan Maturity
Date (10)

I will make my monthly payments at _____ or at a different place if required by the Note Holder.

(B) Amount of Monthly Payments

My monthly payments will be in the amount of U.S. \$ _____

Initial Principal and Interest Payment
Amount (11)

4. BORROWER'S RIGHT TO PREPAY

I have the right to make payments of Principal at any time before they are due. A payment of Principal only is known as a "Prepayment." When I make a Prepayment, I will tell the Note Holder in writing that I am doing so. I may not designate a payment as a Prepayment if I have not made all the monthly payments due under the Note.

I may make a full Prepayment or partial Prepayments without paying any Prepayment charge. The Note Holder will use my Prepayments to reduce the amount of Principal that I owe under this Note. However, the Note Holder may apply my Prepayment to the accrued and unpaid interest on the Prepayment amount before applying my Prepayment to reduce the Principal amount of the Note. If I make a partial Prepayment, there will be no changes in the due date or in the amount of my monthly payment unless the Note Holder agrees in writing to those changes.

5. LOAN CHARGES

If a law, which applies to this loan and which sets maximum loan charges, is finally interpreted so that the interest or other loan charges collected or to be collected in connection with this loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sum already collected from me which exceeded permitted limits will be refunded to me. The Note Holder may choose to make this refund by reducing the Principal I owe under this Note or by making a direct payment to me. If a refund reduces Principal, the reduction will be treated as a partial Prepayment.

6. BORROWER'S FAILURE TO PAY AS REQUIRED

(A) Late Charges for Overdue Payments

If the Note Holder has not received the full amount of any monthly payment by the end of _____ calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be _____% of my overdue payment of principal and interest. I will pay this late charge promptly but only once on each late payment.

(B) Default

If I do not pay the full amount of each monthly payment on the date it is due, I will be in default.

(C) Notice of Default

If I am in default, the Note Holder may send me a written notice telling me that if I do not pay the overdue amount by a certain date, the Note Holder may require me to pay immediately the full amount of Principal which has not been paid and all the interest that I owe on that amount. That date must be at least 30 days after the date on which the notice is mailed to me or delivered by other means.

(D) No Waiver By Note Holder

Even if, at a time when I am in default, the Note Holder does not require me to pay immediately in full as described above, the Note Holder will still have the right to do so if I am in default at a later time.

(E) Payment of Note Holder's Costs and Expenses

If the Note Holder has required me to pay immediately in full as described above, the Note Holder will have the right to be paid back by me for all of its costs and expenses in enforcing this Note to the extent not prohibited by applicable law. Those expenses include, for example, reasonable attorneys' fees.

7. GIVING OF NOTICES

Unless applicable law requires a different method, any notice that must be given to me under this Note will be given by delivering it or by mailing it by first class mail to me at the Property Address above or at a different address if I give the Note Holder a notice of my different address.

Any notice that must be given to the Note Holder under this Note will be given by delivering it or by mailing it by first class mail to the Note Holder at the address stated in Section 3(A) above or at a different address if I am given a notice of that different address.

8. OBLIGATIONS OF PERSONS UNDER THIS NOTE

If more than one person signs this Note, each person is fully and personally obligated to keep all of the promises made in this Note, including the promise to pay the full amount owed. Any person who is a guarantor, surety or endorser of this Note is also obligated to do these things. Any person who takes over these obligations, including the obligations of a guarantor, surety or endorser of the Note, is also obligated to keep all of the promises made in this Note. The Note Holder may enforce its rights under this Note against each person individually or against all of us together. This means that anyone of us may be required to pay all of the amounts owed under this Note.

9. WAIVERS

I and any other person who has obligations under this Note waive the rights of Presentment and Notice of Dishonor. "Presentment" means the rights to require the Note Holder to demand payment of amounts due. "Notice of Dishonor" means the right to require the Note Holder to give notice to other persons that amounts due have not been paid.

10. UNIFORM SECURED NOTE

This Note is a uniform instrument with limited variations in some jurisdictions. In addition to the protections given to the Note Holder under this Note, a Mortgage, Deed of Trust, or Security Deed (the "Security Instrument"), dated the same date as this Note, protects the Note Holder from possible losses which might result if I do not keep the promises which I make in this Note. That Security Instrument describes how and under what conditions I may be required to make immediate payment in full of all amounts I owe under the Note. Some of those conditions are described as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

**BALLOON NOTE ADDENDUM
(CONDITIONAL RIGHT TO REFINANCE)**

THIS BALLOON NOTE ADDENDUM is made this _____ day of Note Date (2), _____, and is incorporated into and shall be deemed to amend and supplement the Balloon Note made by the undersigned (the "Borrower") in favor of _____ (the "Lender") and dated the same date as this Addendum (the "Note"). The interest Rate stated on the Note is called the "Note Rate." The date of the Note is called the "Note Date."

I (the Borrower) understand the Lender may transfer the Note, the related Mortgage, Deed of Trust, or Deed to Secure Debt (the "Security Instrument") and this Addendum. The Lender or anyone who takes the Note, Security Instrument and this Addendum by transfer and who is entitled to receive payments under the Note is called the "Note Holder."

ADDITIONAL COVENANTS. In addition to the covenants and agreements in the Security Instrument, Borrower, and Lender, further covenant and agree as follows (despite anything to the contrary contained in the Security Instrument or the Note):

1. CONDITIONAL RIGHT TO REFINANCE

Conditional Right to Refinance Maturity Date

At the maturity date of the Note and Security Instrument (the "Note Maturity Date"), I will be able to obtain a new loan ("New Loan") with a new Maturity Date of _____, (the "New Maturity Date") and with an interest rate equal to the "New Loan Rate" determined in accordance with Section 3 below if all the conditions provided in Sections 2 and 5 below are met (the "Conditional Refinance Option"). If those conditions are not met, I understand that the Note Holder is under no obligation to refinance the Note, or to modify the Note, reset the Note Rate, or extend the Note Maturity Date, and that I will have to repay the Note from my own resources or find a lender willing to lend me the money to repay the Note.

2. CONDITIONS TO OPTION

If I want to exercise the Conditional Refinance Option, certain conditions must be met as of the Note Maturity Date. These conditions are: (a) I must still be the owner and occupant of the property subject to the Security Instrument (the "Property"); (b) I must be current in my monthly payments and cannot have been more than 30 days late on any of the 12 scheduled monthly payments immediately preceding the Note Maturity Date; (c) there are no liens, defects, or encumbrances against the Property, or other adverse matters affecting title to the Property (except for taxes and special assessments not yet due and payable) arising after the Security Instrument was recorded; (d) the New Loan Rate cannot be more than 5 percentage points above the Note Rate; and (e) I must make a written request to the Note Holder as provided in Section 5 below.

3. CALCULATING THE LOAN NOTE RATE

The New Loan Rate will be a fixed rate of interest equal to the Federal Home Loan Mortgage Corporation's required net yield for 30-year fixed rate mortgages subject to a 60-day mandatory delivery commitment, plus one-half of one percent (0.5%), rounded to the nearest one-eighth of one percent (0.125%) (the "New Loan Rate"). The required net yield shall be the applicable net yield in effect on the date and time of day that the Note Holder receives notice of my election to exercise the Conditional Refinance Option. If this required net yield is not available, the Note Holder will determine the New Loan Rate by using comparable information.

4. CALCULATING THE NEW PAYMENT AMOUNT

Provided the New Loan Rate as calculated in Section 3 above is not greater than 5 percentage points above the Note Rate and all other conditions required in Section 2 above are satisfied, the Note Holder will determine the amount of the monthly payment that will be sufficient to repay in full (a) the unpaid principal, plus (b) accrued but unpaid interest, plus (c) all other sums I will owe under the Note and Security Instrument on the Note Maturity Date (assuming my monthly payments then are current, as required under Section 2 above), over the term of the New Loan at the New Loan Rate in equal monthly payments. The result of this calculation will be the amount of my new principal and interest payment every month until the New Loan is fully paid.

5. EXERCISING THE CONDITIONAL REFINANCE OPTION

The Note Holder will notify me at least 60 calendar days in advance of the Note Maturity Date and advise me of the principal, accrued but unpaid interest, and all other sums I am expected to owe on the Note Maturity Date. The Note Holder also will advise me that I may exercise the Conditional Refinance Option if the conditions in Section 2 above are met. The Note Holder will provide my payment record information, together with the name, title and address of the person representing the Note Holder that I must notify in order to exercise the Conditional Refinance Option. If I meet the conditions of Section 2 above, I may exercise the Conditional Refinance Option by notifying the Note Holder no earlier than 60 calendar days and no later than 45 calendar days prior to the Note Maturity Date. The Note Holder will calculate the fixed New Loan Rate based upon the Federal Home Loan Mortgage Corporation's applicable published required net yield in effect on the date and time of day notification is received by the Note Holder and as calculated in Section 3 above. I will then have 30 calendar days to provide the Note Holder with acceptable proof of my required ownership, occupancy and property lien status. Before the Note Maturity Date the Note Holder will advise me of the new interest rate (the New Loan Rate), new monthly payment amount and a date, time and place at which I must appear to sign any documents required to complete the required refinancing. I understand the Note Holder will charge me a \$250 processing fee and the costs associated with the exercise of the Conditional Refinance Option, including but not limited to the cost of updating the title insurance policy.

BY SIGNING BELOW, BORROWER accepts and agrees to the terms and covenants contained in this Balloon Note Addendum.
