You should read this Pricing Supplement together with Freddie Mac's Global Debt Facility Offering Circular, dated June 27, 2007 (the "Offering Circular"), and all documents that are incorporated by reference in the Offering Circular, which contain important detailed information about the Medium-Term Notes and Freddie Mac. See "Additional Information" in the Offering Circular. Capitalized terms used in this Pricing Supplement have the meanings we gave them in the Offering Circular, unless we specify otherwise.

The Medium-Term Notes may not be suitable investments for you. You should not purchase the Medium-Term Notes unless you understand and are able to bear the redemption, yield, market, liquidity and other possible risks associated with the Medium-Term Notes. You should read and evaluate the discussion of risk factors (especially those risk factors that may be particularly relevant to this security) that appears in the Offering Circular under "Risk Factors" before purchasing any of the Medium-Term Notes.

The Medium-Term Notes, including any interest or return of discount on the Medium-Term Notes, are not guaranteed by and are not debts or obligations of the United States or any federal agency or instrumentality other than Freddie Mac.

Any discussion of tax issues set forth in this Pricing Supplement and the related Offering Circular was written to support the promotion and marketing of the transactions described in this Pricing Supplement. Such discussion was not intended or written to be used, and it cannot be used, by any person for the purpose of avoiding any tax penalties that may be imposed on such person. Each investor should seek advice based on its particular circumstances from an independent tax advisor.

Barclays Capital (the "Underwriter") has agreed to purchase the Medium-Term Notes from Freddie Mac at 100.026% of their principal amount (\$250,065,000 aggregate proceeds to Freddie Mac, before deducting expenses payable by Freddie Mac estimated at \$1,000), plus accrued interest, if any, from January 16, 2008, subject to the terms and conditions of the Master Dealer Agreement between Freddie Mac and the Underwriter. The Underwriter proposes to offer the Medium-Term Notes from time to time for sale in one or more negotiated transactions, at prices to be determined, in each case, at the time of sale. See "Distribution Arrangements" in the Offering Circular.
