This Pricing Supplement relates to the Debt Securities of the Federal Home Loan Mortgage Corporation ("Freddie Mac") described below and should be read in conjunction with the Offering Circular dated July 22, 2008 and all Incorporated Documents including Freddie Mac's Registration Statement on Form 10 filed with the Securities and Exchange Commission and declared effective on July 18, 2008. Capitalized terms used in this Pricing Supplement and not otherwise defined in this Pricing Supplement have the meanings given to them in the Offering Circular.

The Debt Securities are not suitable investments for all investors. In particular, no investor should purchase the Debt Securities unless the investor understands and is able to bear the redemption, yield, market and liquidity risks associated with the Debt Securities. See "Risk Factors - The Debt Securities May Not Be Suitable For You" in the Offering Circular.

The Debt Securities are obligations of Freddie Mac only. The Debt Securities, including any interest or return of discount on the Debt Securities, are not guaranteed by, and are not debts or obligations of, the United States or any agency or instrumentality of the United States other than Freddie Mac. Because of applicable U.S. securities law exemptions, we have not registered the Debt Securities with any U.S. federal or state securities commission. No U.S. securities commission has reviewed the Offering Circular or this Pricing Supplement.

The Debt Securities are not tax-exempt. Non-U.S. owners generally will be subject to the United States federal income and withholding tax unless they establish an exemption.

Any discussion of tax issues set forth in this Pricing Supplement and the related Offering Circular was written to support the promotion and marketing of the transactions described in this Pricing Supplement.
