Reference Bonds ^{SM*}

This Pricing Supplement relates to the Reference Bonds SM (the "Bonds") of the Federal Home Loan Mortgage Corporation ("Freddie Mac") described below and should be read in conjunction with the Offering Circular dated January 5, 2001 (the "Offering Circular") and all documents incorporated by reference in the Offering Circular including Freddie Mac's Information Statement dated March 31, 2000 and any supplements to such Information Statement. Capitalized terms used in this Pricing Supplement and not otherwise defined in this Pricing Supplement have the meanings given to them in the Offering Circular. The Bonds are subject to Freddie Mac's Global Facility Agreement dated as of January 5, 2001.

The Bonds have the same terms (other than Issue Date and Issue Price) as, and form a single series with, the 6.75% Bonds Due March 15, 2031 that Freddie Mac issued in the original principal amount of US\$2,000,000,000 on October 25, 2000. Following the issue of the Bonds described in this Pricing Supplement, the aggregate principal amount of the 6.75% Bonds Due March 15, 2031, including the Bonds issued pursuant to this Pricing Supplement, will be US\$3,000,000,000. See "Description of the Debt Securities - General - Reopened Issues" and " - Maturity, Redemption and Optional Repayment" in the Offering Circular. Interest on the Bonds offered pursuant to this Pricing Supplement will accrue from, and include October 25, 2000.

The Bonds are not suitable investments for all investors. In particular, no investor should purchase the Bonds unless the investor understands and is able to bear the yield, market and liquidity risks associated with the Bonds. See "Risk Factors - The Debt Securities May Not Be Suitable For You" in the Offering Circular.

The Bonds are obligations of Freddie Mac only. The Bonds, including any interest or return of discount on the Bonds, are not guaranteed by, and are not debts or obligations of, the United States or any agency or instrumentality of the United States other than Freddie Mac. The Bonds are not tax-exempt. Non-U.S. owners generally will be subject to United States federal income and withholding tax unless they establish an exemption. Because of applicable U.S. securities law exemptions, we have not registered the Bonds with any U.S. federal or state securities commission. No U.S. securities commission has reviewed the Offering Circular or this Pricing Supplement.
