Reference Notes®

This Pricing Supplement relates to the Reference Notes (the "Notes") of the Federal Home Loan Mortgage Corporation ("Freddie Mac") described below and should be read in conjunction with the Offering Circular dated April 5, 2002 and all documents incorporated by reference in the Offering Circular, including Freddie Mac's Information Statement dated March 29, 2002 and any supplements to such Information Statement. Capitalized terms used in this Pricing Supplement and not otherwise defined in this Pricing Supplement have the meanings given to them in the Offering Circular.

The Notes have the same terms (other than Issue Date and Issue Price) as, and form a single series with, the 3.50% Notes Due September 15, 2007 that Freddie Mac issued in the principal amount of US\$4,000,000,000 on September 16, 2002. The aggregate principal amount of the 3.50% Fixed Rate Notes Due September 15, 2007, including the Notes issued pursuant to this Pricing Supplement, will be US\$7,000,000,000. See "Description of the Debt Securities - General - Reopened Issues" and "- Maturity, Redemption and Optional Repayment" in the Offering Circular. Interest on the Notes offered pursuant to this Pricing Supplement will accrue from and including September 16, 2002.

The Notes are not suitable investments for all investors. In particular, no investor should purchase the Notes unless the investor understands and is able to bear the yield, market and liquidity risks associated with the Notes. See "Risk Factors - The Debt Securities May Not Be Suitable For You" in the Offering Circular.

The Notes are obligations of Freddie Mac only. The Notes, including any interest or return of discount on the Notes, are not guaranteed by, and are not debts or obligations of, the United States or any agency or instrumentality of the United States other than Freddie Mac. The Notes are not tax-exempt. Non-U.S. owners generally will be subject to United States federal income and withholding tax unless they establish an exemption. Because of applicable U.S. securities law exemptions, we have not registered the Notes with any U.S. federal or state securities commission. No U.S. securities commission has reviewed the Offering Circular or this Pricing Supplement.
