Final Regulations (the “FATCA Regulations”) have been promulgated to implement the “Foreign Account Tax Compliance Act” (“FATCA”) provisions of the Hiring Incentives to Restore Employment Act (the “HIRE Act”). The FATCA provisions impose a 30% withholding tax on foreign financial institutions and certain non-financial foreign entities that have not entered into an agreement with the U.S. Treasury Department to provide information regarding U.S. individuals who have accounts with, or equity interests in, such institutions or entities. If the required information is not provided, U.S. Owners holding obligations through such institutions or entities may be subject to withholding under FATCA. The FATCA Regulations generally will apply to certain withholdable payments made after December 31, 2013, certain gross proceeds on sale or disposition occurring after December 31, 2016, and certain pass-thru payments made after December 31, 2016. This withholding tax would not be imposed on withholdable payments on obligations that are outstanding on January 1, 2014 (and are not materially modified after December 31, 2013).
