You should read this Pricing Supplement together with Freddie Mac's Global Debt Facility Offering Circular, dated March 1, 2013 (the "Offering Circular"), and all documents that are incorporated by reference in the Offering Circular, which contain important detailed information about the Medium-Term Notes and Freddie Mac. See "Additional Information" in the Offering Circular. Capitalized terms used in this Pricing Supplement have the meanings we gave them in the Offering Circular, unless we specify otherwise.

The Medium-Term Notes may not be suitable investments for you. You should not purchase the Medium-Term Notes unless you understand and are able to bear the redemption, yield, market, liquidity and other possible risks associated with the Medium-Term Notes. You should read and evaluate the discussion of risk factors (especially those risk factors that may be particularly relevant to this security) that appears in the Offering Circular under "Risk Factors" before purchasing any of the Medium-Term Notes.

The Medium-Term Notes, including any interest or return of discount on the Medium-Term Notes, are not guaranteed by and are not debts or obligations of the United States or any federal agency or instrumentality other than Freddie Mac.

Any discussion of tax issues set forth in this Pricing Supplement and the related Offering Circular was written to support the promotion and marketing of the transactions described in this Pricing Supplement. Such discussion was not intended or written to be used, and it cannot be used, by any person for the purpose of avoiding any tax penalties that may be imposed on such person. Each investor should seek advice based on its particular circumstances from an independent tax advisor.

In connection with the issuance of the Medium-Term Notes, Freddie Mac may enter into a swap or other hedging agreement with an Underwriter, one of its affiliates or a third party. Any such agreement may provide for the payment of fees or other compensation or provide other economic benefits (including trading gains or temporary funding) to, and will impose obligations on, the parties, but will not affect the rights of Holders of, or the obligations of Freddie Mac as to, the Medium-Term Notes. The existence of such an agreement may influence our decision to exercise our right of optional redemption as to the Medium-Term Notes.

CERTAIN UNITED STATES FEDERAL TAX CONSEQUENCES

On July 12, 2013, the Internal Revenue Service issued Notice 2013-43, which modified certain dates discussed under the heading "CERTAIN UNITED STATES FEDERAL TAX CONSEQUENCES – Non-U.S. Owners – Interest – FATCA Withholding" in the base offering circular. Notice 2013-43 prescribes that withholding tax under the FATCA Regulations generally will apply to certain withholdable payments made after June 30, 2014, and that this withholding tax would not be imposed on withholdable payments on obligations that are outstanding on July 1, 2014 (and are not materially modified after June 30, 2014). The effective dates for withholding under the FATCA Regulations in respect of certain gross proceeds on sales and dispositions and certain pass-thru payments were not changed by Notice 2013-43.
