This Pricing Supplement relates to the Debt Securities of the Federal Home Loan Mortgage Corporation (“Freddie Mac”) described below and should be read in conjunction with the Offering Circular dated March 1, 2013 and all Incorporated Documents including Freddie Mac’s Annual Report on Form 10-K for the year ended December 31, 2012, filed with the Securities and Exchange Commission on February 28, 2013. Capitalized terms used in this Pricing Supplement and not otherwise defined in this Pricing Supplement have the meanings given to them in the Offering Circular.

The Debt Securities are not suitable investments for all investors. In particular, no investor should purchase the Debt Securities unless the investor understands and is able to bear the redemption, yield, market and liquidity risks associated with the Debt Securities. See “Risk Factors - The Debt Securities May Not Be Suitable For You” in the Offering Circular.

The Debt Securities are obligations of Freddie Mac only. The Debt Securities, including any interest or return of discount on the Debt Securities, are not guaranteed by, and are not debts or obligations of, the United States or any agency or instrumentality of the United States other than Freddie Mac. Because of applicable U.S. securities law exemptions, we have not registered the Debt Securities with any U.S. federal or state securities commission. No U.S. securities commission has reviewed the Offering Circular or this Pricing Supplement.

The Debt Securities are not tax-exempt. Non-U.S. owners generally will be subject to the United States federal income and withholding tax unless they establish an exemption.

Any discussion of tax issues set forth in this Pricing Supplement and the related Offering Circular was written to support the promotion and marketing of the transactions described in this Pricing Supplement. Such discussion was not intended or written to be used, and it cannot be used, by any person for the purpose of avoiding any tax penalties that may be imposed on such person. Each investor should seek advice based on its particular circumstances from an independent tax advisor.

The existence of such an agreement may influence our decision to exercise our right of optional redemption as to the Debt Securities.

On July 12, 2013, the Internal Revenue Service issued Notice 2013-43, which modified certain dates discussed under the heading "CERTAIN UNITED STATES FEDERAL TAX CONSEQUENCES – Non-U.S. Owners – Interest – FATCA Withholding" in the base offering circular. Notice 2013-43 prescribes that withholding tax under the FATCA Regulations generally will apply to certain withholdable payments made after June 30, 2014, and that this withholding tax would not be imposed on withholdable payments on obligations that are outstanding on July 1, 2014 (and are not materially modified after June 30, 2014).
