Reference Notes[®] Securities

This Pricing Supplement relates to the Reference Notes[®] Securities (the “Notes”) of the Federal Home Loan Mortgage Corporation (“Freddie Mac”) described below and should be read in conjunction with the Offering Circular dated June 27, 2007 and all documents incorporated by reference in the Offering Circular, including Freddie Mac’s Information Statement dated March 23, 2007 and any supplements to such Information Statement. Capitalized terms used in this Pricing Supplement and not otherwise defined in this Pricing Supplement have the meanings given to them in the Offering Circular.

The Notes are not suitable investments for all investors. In particular, no investor should purchase the Notes unless the investor understands and is able to bear the yield, market and liquidity risks associated with the Notes. See “Risk Factors - The Debt Securities May Not Be Suitable For You” in the Offering Circular.

The Notes are obligations of Freddie Mac only. The Notes, including any interest or return of discount on the Notes, are not guaranteed by, and are not debts or obligations of, the United States or any agency or instrumentality of the United States other than Freddie Mac. Because of applicable U.S. securities law exemptions, we have not registered the Notes with any U.S. federal or state securities commission. No U.S. securities commission has reviewed the Offering Circular or this Pricing Supplement.

The Notes are not tax-exempt. Non-U.S. owners generally will be subject to the United States federal income and withholding tax unless they establish an exemption. Any discussion of tax issues set forth in this Pricing Supplement and the related Offering Circular was written to support the promotion and marketing of the transactions described in this Pricing Supplement. Such discussion was not intended or written to be used, and it cannot be used, by any person for the purpose of avoiding any tax penalties that may be imposed on such person. Each investor should seek advice based on its particular circumstances from an independent tax advisor.
