€7,000,000,000

Freddie Mac
Fixed Spread Tender Offers to
Purchase for Cash
The Securities Listed on the Inside
Front Cover

THE OFFERS WILL COMMENCE AT 9:00 A.M., LONDON TIME, ON MONDAY, OCTOBER 16, 2006 AND EXPIRE AT 5:00 P.M., LONDON TIME, ON FRIDAY, OCTOBER 20, 2006, UNLESS EXTENDED. THE SECURITIES WILL BE REPURCHASED ONLY THROUGH THE DEALER MANAGER. NO TENDER ORDER MAY BE MADE OR WILL BE ACCEPTED PRIOR TO 9:00 A.M. OR AFTER 5:00 P.M., LONDON TIME, ON ANY LONDON STOCK EXCHANGE TRADING DAY DURING THE PERIOD OF THE OFFERS.

We, the Federal Home Loan Mortgage Corporation (the "Company" or "Freddie Mac"), are offering to purchase for cash up to €7,000,000,000 in aggregate principal amount ("the Tender Cap") of the outstanding securities of the series listed on the inside front cover of this Offer to Purchase (the "Securities"), upon the terms and subject to the conditions set forth herein. The cash tender offer for each series of Securities is referred to as an "Offer," and collectively, the cash tender offers for all series of Securities are referred to as the "Offers." The Offers are separate and no Offer is contingent upon the tender of any minimum principal amount of Securities. Each Offer, however, is subject to (i) the Tender Cap, (ii) the order of priority (the "Acceptance Priority Level") for each series of Securities, in each case as set forth in the table that appears on the inside front cover of this Offer to Purchase (for example, all properly tendered Securities with an Acceptance Priority Level of "1" would be purchased before any of those with an Acceptance Priority Level of "2" and properly tendered Securities of any Acceptance Priority Level will be purchased if and to the extent the Tender Cap has not been met by purchases of Securities in the preceding Acceptance Priority Levels) and (iii) the other terms and conditions described under "The Offers — Certain Conditions of the Offers."

The consideration for the principal amount of Securities tendered and accepted for payment pursuant to the Offers (the price for any Security being referred to as the "Purchase Price") will be determined in the manner described herein by reference to the fixed spread specified for each series of Securities and listed on the inside front cover of this Offer to Purchase (each, a "Fixed Spread") over the applicable reference swap rate for such series of Securities (each a "Reference Swap Rate" and, together with the applicable Fixed Spread, the applicable "Tender Offer Yield"), as calculated by the Dealer Manager (as defined below) at approximately 1:00 p.m., London time, on the first day that the London Stock Exchange, the New York Stock Exchange and the Luxembourg Stock Exchange are all open (a "Trading Day") following the expiration of the Offers (the "Pricing Date"), plus any accrued and unpaid interest thereon ("Accrued Interest") to (but excluding) the Settlement Date (as defined below), upon the terms and subject to the conditions set forth herein. The Reference Swap Rate for any series of Securities will equal the interpolated (straight line) EURIBOR mid-swap rate to the maturity of such series of Securities based on the Reuters ICAPEURO screen (without rounding) at approximately 1:00 p.m., London time, on the Pricing Date. Each tendering holder will be paid the Purchase Price plus Accrued Interest on the third Trading Day following the Pricing Date (such date, the "Settlement Date").

Holders may place orders to tender Securities only with the Dealer Manager ("Tender Orders"). There is no letter of transmittal for the Offers. You will NOT be able to submit Tender Orders through the Euroclear Bank S.A./N.V. ("Euroclear"), The Bank of New York ("BONY"), Clearstream, Luxembourg ("Clearstream") or The Depository Trust Company ("DTC") systems. The Dealer Manager will accept Securities for purchase on behalf of Freddie Mac. Securities accepted for purchase will be settled on a delivery versus payment basis with the Dealer Manager on the Settlement Date, in accordance with customary brokerage practice for Euro denominated agency securities. To settle, holders must deliver their Securities versus payment to Goldman Sachs Euroclear account 90004 or 94589. The latest process you can use to deliver your Securities is through the Automated Real Time Settlement ("ARTS") cycle, up to 12:30 p.m., London time, on the Settlement Date; you may not use the optional daylight process. The Offers will NOT be eligible for the DTC Automated Tender Offer Program. Failure to deliver Securities on time may result in the cancellation of your tender.

Holders will not have withdrawal rights with respect to the Offers. Securities must be tendered in the same integral multiples of €1,000 as the minimum principal amounts in which they were issued and are maintained.

Any questions, requests for assistance concerning the Offers or requests for additional copies of this Offer to Purchase may be directed to Goldman Sachs International ("Goldman Sachs" or the "Dealer Manager"), to D.F. King & Co., Inc. (the "Information Agent") or to Fortis Banque Luxembourg (the "Luxembourg Information Agent") at the addresses and telephone numbers set forth on the back cover of this Offer to Purchase. Beneficial owners may also contact their broker, dealer, commercial bank, trust company or other nominee for assistance concerning the Offers.

WE ARE MAKING THE OFFERS ONLY WHERE IT IS LEGAL TO DO SO. SEE "JURISDICTIONAL RESTRICTIONS." NONE OF THE COMPANY, THE DEALER MANAGER, THE INFORMATION AGENT OR THE LUXEMBOURG INFORMATION AGENT MAKES ANY RECOMMENDATION THAT ANY HOLDER TENDER OR REFRAIN FROM TENDERING ALL OR ANY PORTION OF THE PRINCIPAL AMOUNT OF SUCH HOLDER'S SECURITIES, AND NO ONE HAS BEEN AUTHORIZED BY ANY OF THEM TO MAKE SUCH A RECOMMENDATION. HOLDERS MUST MAKE THEIR OWN DECISIONS WHETHER TO TENDER SECURITIES, AND, IF SO, DECIDE ON THE PRINCIPAL AMOUNT OF SECURITIES TO TENDER.

The Dealer Manager for the Offers is:

Goldman Sachs International

The date of this Offer to Purchase is October 16, 2006.

RISK FACTORS

In deciding whether to participate in the Offers, each holder should consider carefully, in addition to the other information contained in this Offer to Purchase, the following:

Limited Trading Market; Increased Volatility. To the extent that Securities are purchased by Freddie Mac pursuant to the Offers, the trading markets for the Securities that remain outstanding will become more limited. A debt security with a smaller outstanding principal amount available for trading (a smaller “float”) may command a lower price than would a comparable debt security with a greater float. Therefore, the market price for Securities not purchased may be affected adversely to the extent the amount of Securities purchased by Freddie Mac reduces the float of the Securities in the same series. The reduced float may also make the trading price of the Securities in such series more volatile. Securities that currently trade on the EuroMTS system may not be eligible for trading on the EuroMTS system following the completion of the Offers. The extent of the public market for the Securities following consummation of the Offers will depend upon the number of holders that remain at such time, the interest in maintaining markets in the Securities on the part of securities firms and other factors. There can be no assurance that any trading market will exist for the Securities following the Offers.

Other Purchases of Securities. Whether or not the Offers are consummated, Freddie Mac may continue to acquire, from time to time following the completion of the Offers, Securities other than pursuant to the Offers, including through open market purchases, privately negotiated transactions, tender offers, exchange offers or otherwise, upon such terms and at such prices as it may determine, which may be more or less than the prices to be paid pursuant to the Offers and could be for cash or other consideration.

You Must Take Certain Actions with respect to Settlement of Trades pursuant to the Offers. If your Securities are accepted for purchase pursuant to the Offers, you will need to satisfy the following conditions in order to receive, pursuant to the Offers, the applicable Purchase Price and Accrued Interest in exchange for your Securities.

- To settle, you must ensure that your Securities are delivered to Goldman Sachs: Euroclear 90004 for Goldman, Sachs & Co. and Euroclear 94589 for Goldman Sachs International.
- Securities will only be accepted for settlement on a delivery versus payment basis to the accounts specified above.
- The latest process you can use to deliver your Securities is through the ARTS cycle, up to 12:30 p.m., London time, on the Settlement Date; you may not use the optional daylight process.

If you hold Securities through a broker, it is your responsibility to ensure that your broker is aware of the foregoing restrictions. Failure to adhere to the foregoing conditions may result in the cancellation of your tender.

THIS OFFER TO PURCHASE DOES NOT CONSTITUTE AN OFFER TO PURCHASE IN ANY JURISDICTION IN WHICH, OR TO OR FROM ANY PERSON TO OR FROM WHOM, IT IS UNLAWFUL TO MAKE SUCH OFFER UNDER APPLICABLE SECURITIES OR “BLUE SKY” LAWS.

Freddie Mac

Freddie Mac is a stockholder-owned company chartered by Congress in 1970 to stabilize the nation’s residential mortgage markets and expand opportunities for homeownership and affordable rental housing. We are one of the largest purchasers of mortgage loans in the U.S. We bring innovation and efficiency to the mortgage lending process.

Our mission is to provide liquidity, stability and affordability to the U.S. housing market. We fulfill our mission by purchasing residential mortgages and mortgage-related securities in the secondary mortgage market. We purchase mortgages that meet our underwriting and product standards, then bundle them into mortgage-related securities that can be sold to investors. We can use the proceeds to purchase additional mortgages from primary market mortgage lenders, thus providing them with a continuous flow of funds. We also purchase mortgage loans and mortgage-related securities for our investment portfolio, which we finance primarily by issuing a variety of debt instruments in the capital markets.

Though we are chartered by Congress, our business is funded completely with private capital. We are responsible for making payments on our securities. Neither the U.S. government nor any other agency or instrumentality of the U.S. government is obligated to fund our mortgage purchase or financing activities or to guarantee our securities and other obligations.

Our statutory purposes, as stated in our charter, are:

- To provide stability in the secondary market for residential mortgages;
- To respond appropriately to the private capital markets;
- To provide ongoing assistance to the secondary market for residential mortgages (including activities related to mortgages on housing for low- and moderate-income families involving a reasonable economic return that may be less than the return received on other activities) by increasing the liquidity of mortgage investments and improving the distribution of investment capital available for residential mortgage finance; and
- To promote access to mortgage credit throughout the U.S. (including central cities, rural areas and other underserved areas) by increasing the liquidity of mortgage investments and improving the distribution of investment capital available for residential mortgage financing.

The Offers

Determination Of Purchase Price

The Purchase Price for Securities properly tendered pursuant to the Offers will be calculated, as described in Schedule A, as of the Pricing Date in a manner intended to result in a price for such Securities equal to the price a buyer would pay to acquire such Securities on the Settlement Date, at a yield to the maturity date for such Securities equal to the sum of:

- (a) the applicable “Reference Swap Rate” for such Securities, and
- (b) the Fixed Spread for such Securities specified on the inside front cover of this Offer to Purchase (the foregoing sum, the applicable “Tender Offer Yield”).

Goldman Sachs will determine the “Reference Swap Rate” for each series of the Securities, which will be equal to the interpolated (straight line) EURIBOR mid-swap rate to the maturity of such series of

Securities based on the Reuters ICAPEURO screen (without rounding) at approximately 1:00 p.m., London time, on the Pricing Date.

If that Reuters screen is not available as of the Pricing Date or is manifestly erroneous, the reference source for the Reference Swap Rates will be such other recognized quotation service as Goldman Sachs selects in its sole discretion, the identity of which will be disclosed by Goldman Sachs to tendering holders.

The Purchase Price applicable to each Security tendered will equal, for the principal amount of such Security, the present value of (i) the principal amount payable at the maturity date of such Security plus (ii) all remaining payments of interest from (but excluding) the Settlement Date to (and including) the maturity date, discounted (as of the Settlement Date) in accordance with the assumptions and methodologies described in Schedule A, at a discount rate equal to the Tender Offer Yield for such Security. Holders will be paid Accrued Interest from the last regular payment of interest to (but excluding) the Settlement Date. The formula for determining the Purchase Price and Accrued Interest is set forth in Schedule A. The Purchase Price will be rounded to the nearest cent per €1,000.

We set forth in Schedule B hypothetical calculations of the Purchase Price and Accrued Interest for all series of Securities, demonstrating the applications of the assumptions and methodologies to be used in pricing the Offers. There can be no assurance that the actual Purchase Price for any Security will be equal to the hypothetical Purchase Price shown in Schedule B.

Goldman Sachs will calculate the Purchase Price, Reference Swap Rate, Tender Offer Yield and amount of Accrued Interest for each series of Securities. The calculations of Goldman Sachs will be conclusive and binding, absent manifest error.

Holders may from time to time obtain current quotes of the Reference Swap Rates, Tender Offer Yields and resulting current Purchase Prices of the Securities by contacting Goldman Sachs at its phone numbers set forth on the back cover of this Offer to Purchase.

Tender Offer Mechanics

We will purchase for cash up to €7,000,000,000 (the “Tender Cap”) of validly tendered Securities in the order of priority (the “Acceptance Priority Level”) and upon the terms and subject to the conditions of the Offers (including, if the Offers are extended or amended, the terms and conditions of any such extension or amendment). Only Securities tendered in the same integral multiples of €1,000 as the minimum principal amounts in which they were issued and are maintained will be accepted for payment pursuant to the Offers. The Offers are separate and no Offer is contingent upon the tender of any minimum principal of Securities.

Each Offer, however, is subject to (i) the Tender Cap, (ii) the Acceptance Priority Level for each series of Securities, in each case as set forth in the table that appears on the inside front cover of this Offer to Purchase (for example, all properly tendered Securities with an Acceptance Priority Level of “1” would be purchased before any of those with an Acceptance Priority Level of “2” and properly tendered Securities of any Acceptance Priority Level will be purchased if and to the extent the Tender Cap has not been met by purchases of securities in the preceding Acceptance Priority Levels) and (iii) the other terms and conditions described under “The Offers — Certain Conditions of the Offers.”

Each Offer will commence at 9:00 a.m., London time, October 16, 2006, and will expire at 5:00 p.m., London time, on October 20, 2006, unless we in our sole discretion extend the Offers (such date or the latest date to which the Offers are extended being herein referred to as the “Expiration Date”), subject to our right, in our sole discretion, subject to applicable law, to terminate, withdraw or amend the Offers at any time as described below.

Procedures for Submitting Tenders

Tender Orders may be made only to Goldman Sachs.

If you have an account with Goldman Sachs and desire to submit a Tender Order, you should call your regular contact at Goldman Sachs at any time between 9:00 a.m. and 5:00 p.m., London time, on any London

Stock Exchange trading day during the Tender Period. You will not be required to pay any fees or commissions to Goldman Sachs in connection with a tender of Securities. Goldman Sachs may require evidence of your identity to comply with money laundering legislation and related policies and procedures in relation to the tendering and selling of the Securities. Delay or failure to provide satisfactory evidence may result in payments to you in connection with the sale of your Securities being withheld or a delay or a refusal to accept the Securities tendered.

If you do not have an account with Goldman Sachs, and desire to submit a Tender Order, you may do so through your broker, dealer, commercial bank, trust company, other financial institution or other custodian that you customarily use. Your broker must contact Goldman Sachs at its phone numbers set forth on the back cover of this Offer to Purchase, at any time between 9:00 a.m. and 5:00 p.m., London time, on any London Stock Exchange trading day during the Tender Period. You may be required to pay a fee or commission to your broker or intermediary through whom the Securities are tendered.

By submitting a Tender Order, you will be deemed to have made certain acknowledgements, representations, warranties and undertakings to Freddie Mac, Goldman Sachs, the Information Agent and the Luxembourg Information Agent. See “Holders’ Representations, Warranties and Undertakings.”

You must submit Tender Orders to Goldman Sachs.

There is no letter of transmittal for the Offers.

You will NOT be able to submit Tender Orders through the Euroclear, BONY, Clearstream or DTC systems.

You will NOT be able to submit Tender Orders through the DTC Automated Tender Offer Program.

You should not send Securities to Freddie Mac.

You must deliver your Securities only to Goldman Sachs by the Settlement Date or your Securities will not be purchased.

You must ensure that your Securities are delivered to Goldman Sachs: Euroclear 90004 for Goldman, Sachs & Co. and Euroclear 94589 for Goldman Sachs International.

Securities will only be accepted for settlement on a delivery versus payment basis to the accounts specified above.

The latest process you can use to deliver your Securities is through the ARTS cycle, up to 12:30 p.m., London time, on the Settlement Date; you may not use the optional daylight process.

No Withdrawal Rights

Holders of the Securities will not have withdrawal rights with respect to the Offers.

Acceptance of Securities

Upon the terms and subject to the conditions of the Offers, we will accept Securities validly tendered by the Expiration Date, subject to the Tender Cap and the order of Acceptance Priority Levels. Only €7,000,000,000 (the “Tender Cap”) in aggregate principal amount of Securities will be accepted for purchase. The Securities will be accepted for purchase in accordance with, and in the order of, the Acceptance Priority Levels set forth in the table on the inside front cover of this Offer to Purchase. All properly tendered Securities with the Acceptance Priority Level of 1 will be accepted before any of those with the Acceptance Priority Level of 2; all properly tendered Securities with the Acceptance Priority Level of 2 will be accepted before any of those with the Acceptance Priority Level of 3; and so forth. Once the tendered Securities of a series with a particular Acceptance Priority Level have been accepted, Securities of the series with the next Acceptance Priority Level will be accepted, subject to the Tender Cap. Properly tendered Securities of any Acceptance Priority Level will be accepted for purchase if and to the extent that the Tender Cap has not been met by purchases of Securities in the preceding Acceptance Priority Levels. If the aggregate principal amount of

tendered Securities of any series exceeds the amount of the Tender Cap remaining available for application to that series, then, if we accept Securities of such series for purchase, we will accept such Securities on a pro rata basis (with adjustments to avoid the purchase of Securities in a principal amount other than integral multiples of €1,000). In that event, Securities of any other series with an Acceptance Priority Level below the pro-rated series of Securities will not be accepted for purchase.

The aggregate amount of each series of the Securities that has been accepted pursuant to the Offers will be announced at approximately 9:00 a.m., London time, on October 23, 2006 (unless we in our sole discretion extend the Offers) and the Reference Swap Rates and Tender Offer Yields will be determined at approximately 1:00 p.m., London time, on October 23, 2006 (the “Pricing Date”). Freddie Mac will issue a pricing announcement by press release issued to the Dow Jones News Service or other similar news service and by an announcement on the website of the Luxembourg Stock Exchange (www.bourse.lu). The Settlement Date with respect to any tendered Securities will be the third Trading Day following the Pricing Date. All Securities validly tendered must be delivered to Goldman Sachs on a delivery versus payment basis on the Settlement Date. Payments for Securities purchased pursuant to the Offers will be made in same-day funds.

The Offers are not contingent upon the tender of any minimum principal amount of Securities. The Offers, however, are subject to the Acceptance Priority Levels and to the conditions described under “— Certain Conditions of the Offers.”

Source of Funds

We are seeking to repurchase up to €7,000,000,000 of the outstanding Securities. We expect to use available cash on hand to pay the Purchase Price for all Securities we purchase pursuant to the Offers.

No Recommendation

NONE OF THE COMPANY, THE DEALER MANAGER, THE INFORMATION AGENT OR THE LUXEMBOURG INFORMATION AGENT MAKES ANY RECOMMENDATION THAT ANY HOLDER TENDER OR REFRAIN FROM TENDERING ALL OR ANY PORTION OF THE PRINCIPAL AMOUNT OF SUCH HOLDER’S SECURITIES, AND NO ONE HAS BEEN AUTHORIZED BY ANY OF THEM TO MAKE SUCH A RECOMMENDATION. HOLDERS MUST MAKE THEIR OWN DECISIONS WHETHER TO TENDER SECURITIES, AND, IF SO, DECIDE ON THE PRINCIPAL AMOUNT OF SECURITIES TO TENDER.

Other Matters

Each proper acceptance of an Offer with respect to a Security will be irrevocable and will constitute a binding agreement of the holder to sell and the Company to purchase the Security pursuant to such Offer for the applicable Purchase Price plus Accrued Interest on the Settlement Date. The acceptance of an Offer by a holder with respect to any Security will constitute the agreement by such holder to deliver good and marketable title to such Security on the Settlement Date free and clear of all liens, charges, claims, interests, rights of third parties, encumbrances and restrictions of any kind. See “Holders’ Representations, Warranties and Undertakings.”

All tenders of Securities will settle in accordance with customary brokerage practice for Euro denominated agency securities upon the terms and subject to the conditions of the Offers.

All questions as to the validity, form and eligibility (including time of receipt), any acceptance of the Offers and any sale pursuant thereto will be determined by the Company, in its sole discretion, which determination shall be final and binding. We reserve the absolute right, in our sole discretion, to reject any and all acceptances and sales not in proper form or for which the corresponding agreement to purchase, in our opinion, would be unlawful. We also reserve the right to waive any defects, irregularities or conditions in acceptances and sales with regard to any particular Security.

Any defect or irregularity in connection with acceptances and sales in regard to any particular Security must be cured within such time as the Company determines, unless waived by the Company. None of the Company, the Dealer Manager, the Information Agent, the Luxembourg Information Agent or any other person will be under any duty to give notice to accepting or selling holders of Securities of any defects or irregularities in acceptances or sales, nor shall any of them incur any liability for failure to give such notice.

Expiration Date; Extension; Termination; Amendment

The Offers will expire at 5:00 p.m., London time, on October 20, 2006, unless we extend the Offers. In the event that the Offers are extended, the term “Expiration Date” will mean the time and date on which the Offers, as so extended, will expire.

Subject to applicable law, we expressly reserve the right, for any reason and in our sole discretion, to:

- extend the period of time during which the Offers shall remain open at any time and from time to time by giving oral or written notice of such extension to the Dealer Manager, the Information Agent and the Luxembourg Information Agent,
- prospectively, terminate or withdraw the Offers at any time,
- at any time prior to the Expiration Date, terminate or withdraw the Offers, suspend the right to accept the Offers, or otherwise amend the Offers if there has occurred any change or development that, in the sole judgment of the Company, has or may have a material adverse effect on the Company, the market price of the Securities or the value of the Securities to the Company,
- at any time until the first time any holder accepts the Offers, amend the terms of the Offers in any respect, and
- at any time after the first time any holder accepts the Offers, amend the terms of the Offers in a manner we deem, in our sole discretion, to be advantageous or neutral to all holders of the Securities, whether or not such holders have previously tendered their Securities.

Please note that the terms of any extension or an amendment of the terms or conditions of the Offers may vary from the terms of the original Offers depending on such factors as prevailing interest rates and the principal amount of Securities previously tendered or otherwise purchased.

There can be no assurance that we will exercise our right to extend, terminate or amend the Offers. Any extension, termination or amendment will be followed as promptly as practicable by public announcement thereof. In the case of an extension, such announcement will be made no later than 9:00 a.m., London time, on the next Trading Day after the previously scheduled Expiration Date. Without limiting the manner in which we may choose to make such public announcement, we shall not have any obligation to publish, advertise or otherwise communicate such public announcement other than by issuing a press release to the Dow Jones News Service or other similar news service and on the Luxembourg Stock Exchange website at <http://www.bourse.lu>.

Certain Conditions of the Offers

Any other provision in the Offers to the contrary notwithstanding, we shall not be required to purchase any Securities not theretofore agreed to be sold pursuant to the Offers, and, subject to applicable law, may terminate or withdraw the Offers, suspend the right of a holder to accept the Offers or otherwise amend the Offers with respect to any such Securities, at any time prior to the Expiration Date for any reason in our sole discretion, including, without limitation, if there has occurred any change (or any condition, event or development involving a prospective change) in the general economic, financial or market conditions in the United States that, in our sole judgment, has or may have a material adverse effect upon the market prices of the Securities or upon trading in the Securities or upon the value of the Securities to us. No such termination or withdrawal will affect Securities that a holder has already tendered to us in accordance with the procedures set forth herein.

Other Transactions Regarding the Securities

Following completion of the Offers, we may purchase additional Securities in the open market, in privately negotiated transactions, through subsequent tender offers or otherwise. Any future purchases may be on the same terms or on terms which are more or less favorable to holders than the terms of the Offers. Any future purchases we engage in will depend on various factors existing at the time.

Market for Securities

The Securities are not listed on any national, regional or foreign securities exchange (other than the Luxembourg Stock Exchange Euro MTF market) or reported on a national quotation system. To the extent that Securities are traded, prices of the Securities may fluctuate greatly depending on the trading volume and the balance between buy and sell orders. Quotations for Securities may differ from actual trading prices and should be viewed as approximations. Holders are urged to obtain current information with respect to the market prices for the Securities.

Securities that are not repurchased and that remain outstanding will continue to be listed on the Luxembourg Stock Exchange Euro MTF market but Securities that have been selected for trading on the EuroMTS system may not remain eligible for trading on the EuroMTS system following the completion of the Offers.

Certain United States Federal Income Tax Consequences

Any discussion of tax issues set forth in this Offer to Purchase was written to support the promotion and marketing of the transactions described in this Offer to Purchase. Such discussion was not intended or written to be used, and it cannot be used, by any person for the purpose of avoiding any tax penalties that may be imposed on such person. Each Owner (as defined below) should seek advice based on its particular circumstances from an independent tax advisor.

The following summary addresses certain U.S. federal income tax consequences with respect to holders that sell a Security pursuant to an Offer. The summary is based upon U.S. laws, U.S. Treasury regulations

("Regulations") and decisions now in effect, all of which are subject to change, potentially with retroactive effect, or to differing interpretations. We have not obtained any ruling from the Internal Revenue Service (the "IRS") with respect to the statements made and the conclusions reached in this summary and there can be no assurance that the IRS will agree with such statements and conclusions.

This summary discusses only Securities held by Owners as capital assets within the meaning of Section 1221 of the Internal Revenue Code of 1986, as amended to the date of this Offer to Purchase (the "Code"). It does not discuss all of the U.S. federal income tax consequences that may be relevant to an Owner in light of its particular circumstances or to Owners subject to special rules, such as certain financial institutions, insurance companies, certain former citizens or residents of the United States, traders in securities that elect to use a mark-to-market method of accounting for their securities holdings, dealers, Owners holding Securities as part of a hedging transaction, straddle, conversion transaction, integrated transactions or synthetic security transaction, U.S. Owners (as defined below) whose functional currency (as defined in Section 985 of the Code) is not the U.S. dollar, partnerships or other pass-through entities, tax-exempt persons, or regulated investment companies. Moreover, this summary does not discuss state, local or foreign tax considerations that may be relevant to an Owner's decision to sell a Security pursuant to an Offer.

This summary of certain U.S. federal income tax consequences is for general information only and does not constitute tax advice for any particular Owner. Owners should consult their own tax advisors concerning the U.S. federal income tax consequences of tendering a Security in light of their particular situations as well as any consequences of tendering a Security arising under the U.S. federal estate or gift tax laws or the laws of any state, local, foreign or other taxing jurisdiction.

For purposes of this summary, "U.S. Person" means:

- an individual who, for U.S. federal income tax purposes, is a citizen or resident of the United States;
- a corporation (or other business entity treated as a corporation for U.S. federal income tax purposes) created or organized in or under the laws of the United States, any state thereof, or the District of Columbia;
- an estate the income of which is subject to U.S. federal income taxation regardless of its source; or
- a trust if a court within the United States is able to exercise primary supervision over the administration of the trust and one or more U.S. persons have the authority to control all substantial decisions of the trust. Certain trusts in existence on or before August 20, 1996, that were treated as U.S. persons under the law in effect on such date but fail to qualify as U.S. persons under current law, may elect to continue to be treated as U.S. persons to the extent prescribed in the applicable Regulations.

"U.S. Owner" means a U.S. Person that beneficially owns a Security. "Non-U.S. Owner" means a beneficial owner of a Security that is an individual, a corporation, an estate or a trust that is not a U.S. Person. "Owner" means either a U.S. Owner or a Non-U.S. Owner.

If a partnership (or other entity treated as a partnership for U.S. federal income tax purposes) holds Securities, the treatment of a partner will generally depend upon the status of the particular partner and the activities of the partnership. If you are a partner in such a partnership, you should consult your own tax advisors regarding the U.S. federal income tax consequences of an Offer.

U.S. Owners

In general, a U.S. Owner that sells a Security pursuant to an Offer will recognize gain or loss in an amount equal to the difference, if any, between the amount realized from such sale (not including any amount attributable to accrued but unpaid interest, which will be taxable separately as ordinary income to the extent not previously included in gross income) and the U.S. Owner's adjusted tax basis in the Security. A U.S. Owner's adjusted tax basis in a Security for determining gain or loss on the disposition of a Security pursuant to an Offer generally is the cost of such Security to such U.S. Owner, increased by the amount of any market

discount previously included in such U.S. Owner's gross income with respect to such Security, and decreased by (i) the amount of any payments on the Security that are part of its stated redemption price at maturity and (ii) the portion of any bond premium that has been amortized.

Gain or loss upon the disposition of a Security pursuant to an Offer will be capital gain or loss, except to the extent the gain represents accrued market discount on the Security not previously included in gross income, to which extent such gain would be treated as ordinary income. Any capital gain or loss recognized upon the sale of a Security pursuant to an Offer will be long-term capital gain or loss if at the time of sale the U.S. Owner has held the Security for more than one year.

Non-U.S. Owners

Except as provided in the discussion of backup withholding below, a Non-U.S. Owner that sells a Security pursuant to an Offer will not be subject to U.S. federal income and withholding taxes on any gain realized on the sale of a Security pursuant to an Offer (other than amounts attributable to accrued and unpaid interest) unless (i) such gain is, or is deemed to be, effectively connected with the conduct of a trade or business in the United States by the Non-U.S. Owner (and if an income tax treaty applies, such gain is attributable to a U.S. permanent establishment) or (ii) such Non-U.S. Owner is an individual who is present in the United States for 183 days or more in the taxable year of sale and certain conditions are met. Except as provided in the discussion of backup withholding below, gain on the sale of a Security pursuant to an Offer that is, or is deemed to be, effectively connected with the conduct of a trade or business in the United States by a Non-U.S. Owner (and if an income tax treaty applies, such gain is attributable to a U.S. permanent establishment), although exempt from U.S. federal withholding tax (as described below), generally will be subject to U.S. federal income tax at graduated rates, and in the case of a Non-U.S. Owner that is a foreign corporation, may also be subject to U.S. federal branch profits tax.

Additionally, except as provided in the discussion of backup withholding below, any amount received by a Non-U.S. Owner pursuant to an Offer which is attributable to accrued and unpaid interest on the Security generally will be exempt from U.S. federal income and withholding taxes under the "portfolio interest" exception, provided that: (i) the interest is not effectively connected with the Non-U.S. Owner's conduct of a trade or business within the United States (or if an income tax treaty applies, such interest is not attributable to a U.S. permanent establishment); (ii) the Non-U.S. Owner is not a "10-percent shareholder" of Freddie Mac within the meaning of Section 871(h)(3)(B) of the Code; (iii) the Non-U.S. Owner is not a "controlled foreign corporation" related to Freddie Mac within the meaning of Section 881(c)(3)(C) of the Code; (iv) the Non-U.S. Owner is not a bank that receives payments on the Security that are described in Section 881(c)(3)(A) of the Code; and (v) the person otherwise required to withhold has received, in the manner provided by U.S. tax authorities, the required certification establishing that the Non-U.S. Owner is not a U.S. Person. A Non-U.S. Owner may provide this certification by providing a properly completed Form W-8BEN or other documentation prescribed by U.S. tax authorities. The appropriate documentation must be effective as to the accrued interest and be provided prior to the payment of such interest. If accrued interest received by a Non-U.S. Owner does not qualify as portfolio interest for U.S. federal income tax purposes as described above and such interest is not effectively connected with the Non-U.S. Owner's conduct of a trade or business within the United States (or if an income tax treaty applies, such interest is not attributable to a U.S. permanent establishment), such Non-U.S. Owner will generally be subject to withholding of U.S. federal income tax at a 30 percent rate on the portion of the payment attributable to accrued and unpaid interest, unless an income tax treaty between the United States and a foreign jurisdiction applies to eliminate or reduce withholding. In general, such treaty exemption (or reduced rate) applies only if the Non-U.S. Owner provides a properly completed Form W-8BEN or other documentation prescribed by U.S. tax authorities. The appropriate documentation must be effective as to the accrued interest and be provided prior to the payment of such interest.

If any accrued interest is effectively connected with the Non-U.S. Owner's conduct of a trade or business in the United States (and if an income tax treaty applies, such interest is attributable to a U.S. permanent establishment), such interest will be exempt from the 30-percent U.S. federal withholding tax provided that the Non-U.S. Owner establishes this exemption by providing a properly completed Form W-8ECI or other

documentation prescribed by U.S. tax authorities. The appropriate documentation must be effective as to the accrued interest and be provided prior to the payment of such interest. Accrued interest on a Security that is, or is deemed to be, effectively connected with the conduct of a trade or business in the United States by a Non-U.S. Owner (and if an income tax treaty applies, such interest is attributable to a U.S. permanent establishment), although exempt from the 30-percent U.S. federal withholding tax, generally will be subject to U.S. federal income tax at graduated rates, and in the case of a Non-U.S. Owner that is a foreign corporation, may also be subject to U.S. federal branch profits tax.

Information Reporting and Backup Withholding

Payments of accrued interest on a Security to a U.S. Owner (other than a corporation or other exempt recipient) are required to be reported to the IRS and the U.S. Owner. Payments of accrued interest on a Security to a Non-U.S. Owner generally will be reported to U.S. tax authorities and the Non-U.S. Owner. Form W-8BEN, Form W-8ECI, or other documentation or information about the Non-U.S. Owner may be provided to U.S. tax authorities.

Backup withholding of U.S. federal income tax at the applicable rate may apply to a payment of proceeds (including accrued interest) from the sale of a Security pursuant to an Offer to an Owner (other than a corporation or other exempt recipient), unless the Owner provides certain information. Any amount withheld under these rules will be creditable against the Owner's U.S. federal income tax liability, and if withholding results in an overpayment of taxes, the Owner may apply for a refund by filing the appropriate claim for a refund with the IRS in a timely manner.

If an Owner (other than a corporation or other exempt recipient) sells a Security pursuant to an Offer to (or through) certain brokers, the broker must report the sale to the IRS and the Owner unless, in the case of a Non-U.S. Owner, the Owner certifies that it is not a U.S. Person (and certain other conditions are met). The broker may be required to withhold U.S. federal income tax at the applicable rate on any payment made to an Owner unless such Owner provides certain information and, in the case of a Non-U.S. Owner, the Owner certifies that it is not a U.S. Person (and certain other conditions are met).

THE U.S. FEDERAL TAX DISCUSSION SET FORTH ABOVE IS INCLUDED FOR GENERAL INFORMATION ONLY AND MAY NOT BE APPLICABLE DEPENDING UPON AN OWNER'S PARTICULAR SITUATION. OWNERS SHOULD CONSULT THEIR OWN TAX ADVISORS REGARDING THE TAX CONSEQUENCES TO THEM OF THE SALE OF THE SECURITIES PURSUANT TO AN OFFER, INCLUDING THE TAX CONSEQUENCES UNDER THE TAX LAWS OF THE UNITED STATES, STATES, LOCALITIES, COUNTRIES OTHER THAN THE UNITED STATES AND ANY OTHER TAXING JURISDICTIONS AND THE POSSIBLE EFFECTS OF CHANGES IN SUCH TAX LAWS.

Luxembourg Taxation

The following discussion is a summary of certain Luxembourg tax consequences to a holder of Securities upon the terms of the Offers and the subsequent repurchase of the Securities by the Company. It does not purport to be a complete analysis of all tax considerations relating to the Securities, whether in Luxembourg or elsewhere. The statements below are of a general nature, are based upon the taxation laws and practices in Luxembourg as of the date of this Offer to Purchase and are subject to any changes therein. Any holder of Securities should consult its own professional advisors concerning the possible tax consequences of receiving payments of interest and principal under the Securities and/or other amounts upon the repurchase of the Securities under the applicable laws of its country of citizenship, residence or domicile. The information and analysis contained within this section are limited to withholding taxation issues, and prospective investors should not apply any information or analysis set out below to other areas, including (but not limited to) the legality of transactions involving the Securities.

Withholding Tax

All payments of interest and principal and/or other amounts upon the repurchase of the Securities can be made free and clear of any withholding or deduction for or on account of any taxes of whatsoever nature imposed, levied, withheld, or assessed by Luxembourg or any political subdivision or taxing authority thereof or therein, in accordance with the applicable Luxembourg law, subject however to:

(i) the application of the Luxembourg law of 21 June 2005 implementing the European Union Savings Directive (see “EU Savings Directive” below, which may be applicable in the event of the Company appointing a paying agent in Luxembourg within the meaning of the above-mentioned directive).

(ii) the application as regards Luxembourg resident individuals of the Luxembourg law of 23 December 2005 which has introduced a 10% final withholding tax on savings income (i.e., with certain exemptions, savings income within the meaning of the Luxembourg law of 21 June 2005 implementing the European Union Savings Directive). This law may be applicable in the event of the Company appointing a paying agent in Luxembourg within the meaning of the above-mentioned directive and should apply to savings income accrued as from 1 July 2005 and paid as from 1 January 2006.

Responsibility for the withholding of tax in application of the above-mentioned Luxembourg laws of 21 June 2005 and 23 December 2005 is assumed by the Luxembourg paying agent within the meaning of these laws and not by the Company, in the event of the Company appointing a paying agent in Luxembourg within the meaning of the above-mentioned directive.

EU Savings Directive

On 3 June 2003, the EU Council of Economic and Finance Ministers adopted a new directive regarding the taxation of savings income. The directive is, in principle, applied by Member States as from 1 July 2005 and has been implemented in Luxembourg by the Law of 21 June 2005. Under the directive, each Member State is required to provide to the tax authorities of another Member State details of payments of interest or other similar income paid by a paying agent within the meaning of the EU Savings Directive to an individual resident or certain types of entities called “residual entities” established in that other Member State (or certain dependent and associated territories). For a transitional period, however, Austria, Belgium and Luxembourg are permitted to apply an optional information reporting system whereby if a beneficial owner does not comply with one of two procedures for information reporting, the Member State will levy a withholding tax on payments to such beneficial owner. The withholding tax system will apply for a transitional period during which the rate of withholding will be 15% from 1 July 2005 to 30 June 2008, 20% from 1 July 2008 to 30 June 2011 and 35% from 1 July 2011. The transitional period is to terminate at the end of the first full fiscal year following agreement by certain non-EU countries to the exchange of information relating to such payments. See “European Union Directive on the Taxation of Savings Income in the Form of Interest Payments (Council Directive 2003/48/EC)”.

Also with effect from 1 July 2005, a number of non-EU countries (Switzerland, Andorra, Liechtenstein, Monaco and San Marino), have agreed to adopt similar measures (either provision of information or transitional withholding) in relation to payments made by a paying agent within its jurisdiction to, or collected by such a paying agent for, an individual resident or a residual entity established in a Member State. In addition, the Member States have entered into reciprocal provision of information or transitional withholding arrangements with certain of those dependent or associated territories (Jersey, Guernsey, Isle of Man, Montserrat, British Virgin Islands, Netherlands Antilles and Aruba) in relation to payments made by a paying agent in a Member State to, or collected by such a paying agent for, an individual resident or a residual entity established in one of those territories.

Freddie Mac (the “Company”) is offering to purchase for cash up to €7,000,000,000 aggregate principal amount (the “Tender Cap”) of the outstanding Securities of the series listed on the back page hereof (the “Securities”) upon the terms and subject to the conditions set forth in the enclosed Offer to Purchase dated October 16, 2006 (the “Offer to Purchase”). Each Offer is subject to (i) the Tender Cap, (ii) the order of Acceptance Priority Level for each series of Securities as set forth in the table that appears on the back page hereof and (iii) the other terms and conditions set forth in the enclosed Offer to Purchase.

As more fully described in the Offer to Purchase, the consideration for the principal amount of Securities sold at any time pursuant to the cash tender offers (the price for any Security being referred to as the “Purchase Price,” and the cash tender offer for each Security being referred to as an “Offer” and, collectively, the cash tender offers for all series of Securities being referred to as “Offers”) will be determined in the manner described in the Offer to Purchase by reference to a fixed spread specified for each series of Securities over the applicable interpolated (straight line) EURIBOR mid-swap rate, as calculated at approximately 1:00 p.m., London time, on October 23, 2006 (or applicable later date if the Offers are extended) (such date, the “Pricing Date”), plus any accrued and unpaid interest thereon to (but excluding) the date of payment of the Purchase Price, upon the terms and subject to the conditions set forth in the Offer to Purchase. Each tendering holder will be paid the Purchase Price plus accrued and unpaid interest on the third day that the London Stock Exchange, the New York Stock Exchange and the Luxembourg Stock Exchange are all open (a “Trading Day”) following the Pricing Date (such date, the “Settlement Date”).

You will be reimbursed for customary mailing and handling expenses incurred by you in forwarding the enclosed materials to your clients.

WE URGE YOU TO CONTACT YOUR CLIENTS AS SOON AS POSSIBLE. The Offers will expire at 5:00 p.m., London time, on October 20, 2006, unless extended.

Tender Execution

To Our Clients:

Freddie Mac (the “Company”) is offering to purchase up to €7,000,000,000 aggregate principal amount (the “Tender Cap”) of the outstanding Securities of the series listed on the back page hereof (the “Securities”) upon the terms and subject to the conditions set forth in the enclosed Offer to Purchase dated October 16, 2006 (the “Offer to Purchase”). Each Offer is subject to (i) the Tender Cap, (ii) the order of Acceptance Priority Level for each series of Securities as set forth in the table that appears on the back page hereof and (iii) the other terms and conditions set forth in the enclosed Offer to Purchase.

As more fully described in the Offer to Purchase, the consideration for the principal amount of Securities tendered and accepted for payment pursuant to the cash tender offers (the price for any Security being referred to as the “Purchase Price,” and the cash tender offer for each series of Securities being referred to as an “Offer” and, collectively, the cash tender offers for all series of Securities being referred to as “Offers”) will be determined in the manner described in the Offer to Purchase by reference to a fixed spread specified for each series of Securities over the applicable interpolated (straight line) EURIBOR mid-swap rate, as calculated at approximately 1:00 p.m., London time, on October 23, 2006 (or applicable later date if the Offers are extended) (such date, the “Pricing Date”), plus any accrued and unpaid interest thereon to (but excluding) the date of payment of the Purchase Price, upon the terms and subject to the conditions set forth in the Offer to Purchase. Each tendering holder will be paid the Purchase Price plus accrued and unpaid interest on the third day that the London Stock Exchange, the New York Stock Exchange and the Luxembourg Stock Exchange are all open following the Pricing Date (such date, the “Settlement Date”).

The Company has retained Goldman Sachs International to act on its behalf as the Dealer Manager, D.F. King & Co., Inc. to act as the Information Agent and Fortis Banque Luxembourg to act as the Luxembourg Information Agent in connection with the Offers.
