Foreclosure Mediation Program

For Homeowners

If you are a homeowner who has fallen behind on mortgage payments and/or are facing foreclosure, there is help available. [Click here for more information.](#)

For Renters

There is help for renters of foreclosed properties too. [Click here for more information.](#)

For Information About Mortgage Rescue Scams

With the recent mortgage crisis, some of the fastest growing frauds are foreclosure rescue scams. Please [click here](#) to visit the Attorney General's web site and learn how to recognize, how to avoid, and how to report mortgage scams.

For Communities Recovering

In addition to helping the individual homeowner, neighborhoods can receive assistance for the restoration or demolition of abandoned and vacant properties. The State of Delaware received an allocation of over \$19 million in Neighborhood Stabilization Program funds from the United States Department of Housing and Urban Development. Call (302)739-4263 or visit nspdelaware.com to find out more.

For Families Recovering

If you are a homeowner or a renter who has been displaced by a foreclosure, there is help available. [Click here for more information.](#)

Welcome to Delaware's Home Foreclosure Online Information Center. In Delaware, as in most of states throughout the nation, the rate of home foreclosures continues to soar. I am committed to providing the most complete and timely information available to help you save your homes from foreclosure. You, Delaware's homeowners, are an important driving force that helps keep our economy going. I sincerely hope you find this information helpful.
