

Printing Your Loan Quality Advisor Results

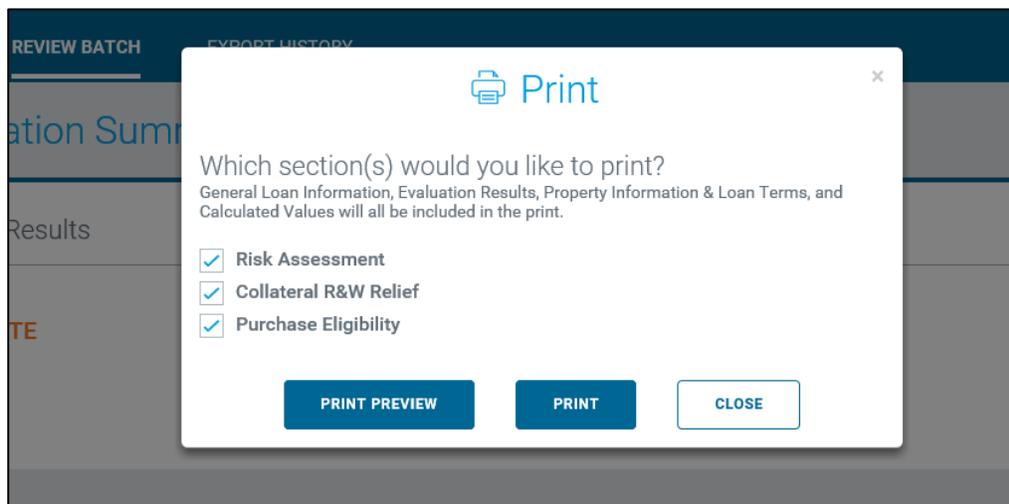

The Printer function allows you to print a hard copy of the results. The **Printer** icon appears on the right border when the function can be used. Complete the following steps to print results:

1. From any of the results pages where the Printer option displays, click the **Printer** icon on the right border.

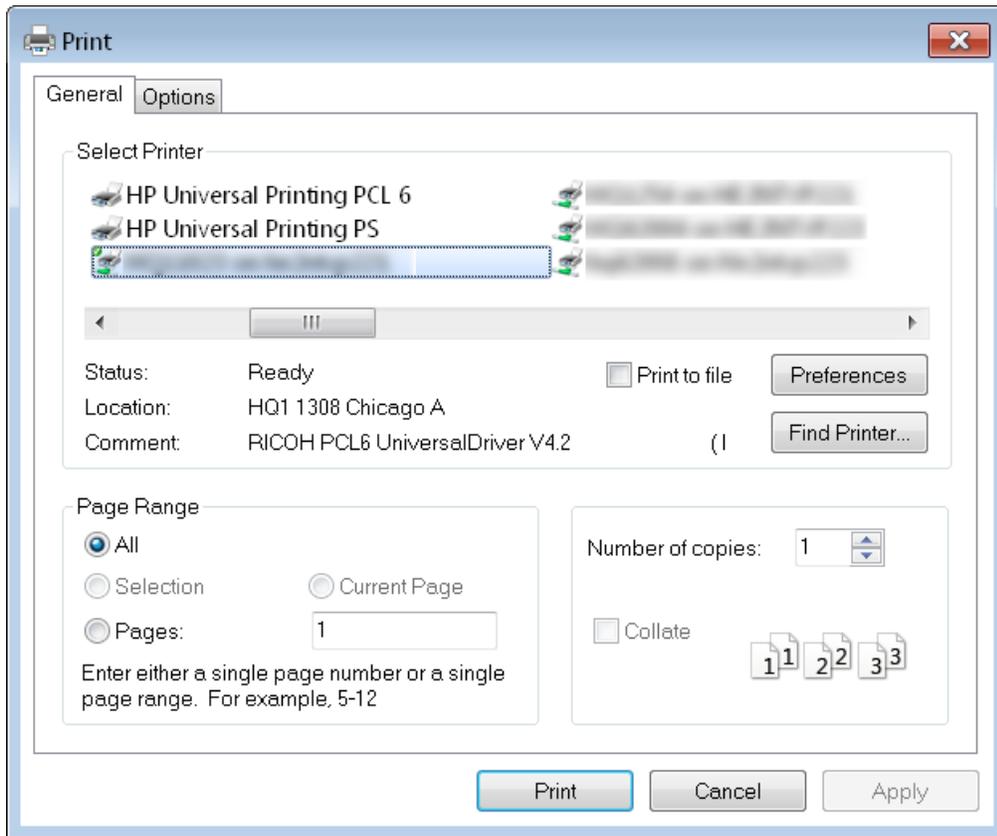

A new Print window displays.

2. Select which sections you would like to add to your printed copy of the Loan Evaluation Summary and select **Print Preview** or **Print**. You may preview and/or print portions of the Loan Evaluation Summary such as the Risk Assessment section, Purchase Eligibility section, or any combination of these sections.

3. Select a printer and click **Print**.
