

With our Website, Email Alerts, and Applications Plus Training Opportunities

➤ Navigating the Multifamily section on FreddieMac.com

- The Multifamily section of FreddieMac.com is organized by Seller/Servicer job functions:
 - [Originate and Underwrite](#)
 - [Purchase and Delivery](#)
 - [Investor Reporting](#)
 - [Asset Management](#)

Job aids, presentations, tutorials and other support resources are located in all of the functional sections. Using the search function will also help you locate resources quickly.

- For more information about what we do, our results, who we are, working with us, and our products, click on the [About Multifamily section](#).
- Multifamily-related news, market commentary, research, our blogs, and events can be found in the [News and Research section](#).

➤ Accessing Password-Protected Content on FreddieMac.com

- To access password-protected documents in the Multifamily section on FreddieMac.com, Seller/Servicer employees and consultants will need to obtain a username and password, which can be provided by [your company's Freddie Mac system administrator](#).

➤ Receiving Freddie Mac Multifamily E-mail Updates

- To receive e-mails on Multifamily news, updates, alerts, and training opportunities, you must register using [our Multifamily News Subscription Center](#). To opt-in, provide us with basic contact information, and subscribe to a list of news alerts relative to your specific job function that you would like to receive on a regular basis.

➤ Accessing Freddie Mac Applications

- Seller/Servicer employees and consultants working with Freddie Mac will need to obtain multiple user credentials to utilize our selling and servicing applications, systems, and tools. Contact [your Freddie Mac system administrator](#) for the appropriate log in credentials for:
 - AllRegs® Online (for the *Multifamily Seller/Servicer Guide*)
 - Consent Request Tracker (CRT)
 - Document Management System (DMS)
 - General Loan Information (GLI)
 - Insurance Compliance Tool (ICT)
 - MultiSuite for Investor Reporting (MSIR)
 - Origination and Underwriting System (OUS)
 - Property Reporting System (PRS)

➤ **Training Opportunities**

- There are a number of training opportunities on FreddieMac.com on the functional pages; for example:
 - [Manufactured Housing Community and Small Balance Loans: Recent Developments and Future Direction](#)
 - [Document Management System \(DMS\) – Getting Started](#)
 - [Bond Reporting Bulk Import Customer Education](#)
 - [Consent Request Tracker \(CRT\) Dashboard Tutorial](#)
- We also offer Regional Seller Workshops in April and May; for previous presentations, look on the [Originate and Underwrite page](#) under “Regional Seller Workshops.”
