**Freddie Mac sells \$22 Million of NPLs in Extended Timeline Pool Offering**

MCLEAN, VA -- Freddie Mac (OTCQB: FMCC) today announced it sold via auction 118 non-performing residential first lien loans (NPLs) serviced by NewRez LLC, doing business as Shellpoint Mortgage Servicing to Matawin Ventures XXVII, LLC. The sale is part of Freddie Mac's Extended Timeline Pool Offering (EXPO®) and the transaction is expected to settle in July 2019. Freddie Mac, through its advisors, began marketing the transaction on April 11, 2019 to potential bidders, including non-profits and Minority, Women, Disabled, LGBT, Veteran or Service-Disabled Veteran-Owned Businesses (MWDOBs), neighborhood advocacy organizations and private investors active in the NPL market.

Given the delinquency status of the loans, the borrowers have likely been evaluated previously for or are already in various stages of loss mitigation, including modification or other alternatives to foreclosure, or are in foreclosure. Mortgages that were previously modified and subsequently became delinquent comprise approximately 54 percent of the pool balance. Additionally, purchasers are required to solicit distressed borrowers for additional assistance except in limited cases and ensure all pending loss mitigation actions are completed.
