

Constant Maturity Treasury (CMT)-indexed ARMs

Expand your origination volume and maintain your competitive position in any market

These ARMs offer a fixed rate for a specified time and an annual adjustment over the remaining term – providing options for prime borrowers who do not intend to stay in their homes for long periods, but who understand that their rate will increase. With over 70 different Freddie Mac ARMs available, we purchase 1-year, 3/1, 5/1, 7/1, and 10/1 CMT-indexed ARMs for cash or through our WAC ARM Guarantor program.

> Borrower Profile

- Borrowers looking for lower initial rates and monthly payments
- Homebuyers who only plan to stay in their homes a short period of time
- Borrowers who understand their rate will increase

> Key Features

- 1-year, 3/1, 5/1, 7/1, and 10/1 CMT-indexed ARMs with various rate and cap structures
- WAC ARM Cash and WAC ARM Guarantor execution options
- Purchase or refinance
- Convertible and nonconvertible options
- Minimum servicing spread 0.250%

> Borrower Benefits

- Financing alternatives for homebuyers looking for lower initial rates and monthly payments, and who understand that their rate will increase
- Cost savings for borrowers who only plan to stay in their homes a short period of time
