

Initial Interest Adjustable-Rate Mortgages

Interest-only payments free cash flow for other investments

We offer 3/1, 5/1, 7/1, and 10/1 Constant Maturity Treasury (CMT)- or London Interbank Offered Rate (LIBOR)-indexed Initial InterestSM Mortgage options. Each includes an interest-only period of 3-, 5-, 7- or 10-years, respectively, then a fully amortizing adjustable-rate period for the remainder of the 30-year term. We also offer 3/1, 5/1, and 7/1 CMT- or LIBOR-indexed ARMs with a 10-year interest-only period, then a fully amortizing adjustable-rate period for the remainder of the 30-year term.

> Borrower Profile

- Borrowers seeking home financing that frees their cash flow for other investments
- Borrowers who don't plan to stay in their home past the interest-only period

> Key Features

- Purchase and refinance
- CMT or LIBOR indexes
- Eligible for assessment through Loan Prospector[®]
- Minimum commitment amount of \$1,000 through WAC ARM Guarantor for Initial Interest Mortgages, or sell for cash through the WAC ARM Cash execution

> Borrower Benefits

- Minimize their financing costs for the short term because they don't plan to stay in the house past the interest-only period
- Use monthly cash savings toward other financial investments
- Make principal curtailment payments during the interest-only period to reduce their monthly payments if at any time they want to increase their home equity rather than take advantage of other investment opportunities
