

Mortgages for 2- to 4-unit Primary Residences

An important form of affordable housing for low- to moderate-income borrowers

Originate these mortgages where 2- to 4-unit housing is the key affordable housing inventory for primary residences. Coupling these mortgages with a variety of Freddie Mac mortgage products helps you attract more low- and moderate-income borrowers or borrowers in underserved communities, and increase your Community Reinvestment Act- (CRA)-eligible origination volume. Originating mortgages secured by 2- to 4-unit properties also allows you to capitalize on volume from investment-oriented borrowers.

> Borrower Profile

- Low- to moderate-income borrowers
- Investment-oriented borrowers

> Key Features

- A variety of mortgage products to choose from when originating mortgages for 2- to 4-unit properties
- Another significant way to meet your CRA requirements
- An opportunity to reach deeper into your community to meet the needs of a more diverse borrower base

> Borrower Benefits

- Increase borrowers buying power using rental income
- Obtain home financing that meets their individual needs, whether it's flexible down payment options, investment purposes or more
