

Relief Refinance Mortgages

Relief for borrowers who are current on their mortgage payments but unable to refinance

The Freddie Mac Relief Refinance MortgageSM, our business implementation of the Home Affordable Refinance, helps borrowers who are making timely mortgage payments but have been unable to refinance due to declining property values and tightening credit terms. With this refinance, eligible borrowers will obtain new mortgages that better position them for long-term homeownership success.

Relief Refinance Mortgages provide simplified refinance requirements for mortgages that are currently owned or securitized by Freddie Mac, and must have note dates between March 4, 2009, and June 10, 2010.
