Mandatory

Before Freddie Mac will wire transfer any funds, Freddie Mac must have in its files a Form 987E duly executed by Seller's authorized officer. The Seller must deliver a duly executed Form 987E to Freddie Mac for each Warehouse Lender that Seller uses. If the Seller desires to change the wire transfer instructions on a Form 987E, the Seller must execute a new Form 987E and deliver the new Form 987E to Freddie Mac. In addition, with each delivery of Pledged Mortgages, Freddie Mac must receive a fully completed Form 996E, Warehouse Lender Release of Security Interest, duly executed by the Warehouse Lender's authorized officer before Freddie Mac will fund. Freddie Mac is not responsible if funding is delayed because the Form 987E is not on file with Freddie Mac or the Form 996E is incomplete or not received with a Mortgage delivery.
