Dear Homeowner:

If you're struggling to pay your mortgage, help is available. Freddie Mac, which owns your mortgage, has asked <Borrower Help Center Name> -- a Freddie Mac Borrower Help Center in your area -- to host **FREE** "More Help for Homeowners" homeownership assistance events where U.S. Department of Housing and Urban Development-certified housing counselors can talk with you, one-on-one, about mortgage relief options that you may qualify* for. One of these options is the **Principal Reduction Modification, which permanently forgives a portion of the mortgage debt for eligible borrowers.**

Please plan to attend one of the **FREE** events below. (Parking is also free.) **Bring this letter and a form of identification with you.**
