

The Freddie Mac/CUNA Alliance

Competitive advantages to help you access the secondary market and serve more members

The Freddie Mac/CUNA Alliance offers you an exclusive set of mortgage business advantages to increase your access to the secondary market and meet more of your members' home financing needs. Through the alliance, you have access to technology solutions to expand your mortgage lending capabilities, custom execution options that provide needed liquidity, and other special advantages – all to give you a competitive edge in any market condition. **Discover alliance advantages at www.FreddieMac.com/singlefamily/cuna.html.**

› Alliance Benefits

- **Receive special advantages on stable mortgage product solutions to serve more members** of all types – first-time homebuyers, move-up borrowers, and more, including:
 - Home Possible® Mortgages – a prudent, affordable lending solution for many first-time and low- to moderate-income borrowers
 - Bi-weekly payment mortgages – an option for borrowers seeking alternative monthly payment options and quicker equity build-ups
- **Discover technology solutions to expand your mortgage business** and receive alliance start-up advantages with:
 - The *Mortgagebot with Loan Prospector*® business-to-consumer Web site that you brand and control, allowing members to apply for mortgage financing 24/7, from any location, and get results within minutes
 - Loan Prospector, our automated underwriting service that lets you streamline your mortgage origination process and conveniently assess more loans

› Alliance Benefits

- **Enhance your sale strategies with cash sale advantages** on a variety of Freddie Mac mortgage products, including:
 - 20- and 30-year Fixed-rate mortgages
 - Balloon/reset mortgages
- **Expand your mortgage business knowledge** with custom training opportunities. Through the alliance, you have access to:
 - Learning sessions designed to help you tap into emerging markets
 - Scholarships to any Freddie Mac Campus Live training event
- **Access opportunities from Freddie Mac and Alaska USA Federal Credit Union services** to tap into a full range of correspondent mortgage lending services and profitable secondary market sale strategies without the need to add staff, build infrastructure, or install costly technology

If you're an approved Freddie Mac Seller/Servicer and a CUNA member, find out how you can get started with the alliance today at
